

Digital Services Act Article 24(2) Transparency Disclosure: Average Monthly Active Recipients (AMAR) in the European Union

Publishing entity: Deliveroo Ireland Limited/Deliveroo apps and websites operating in the EU.

Reporting period: September 2026.

1. **Legal basis:** This statement is published pursuant to **Article 24(2) of Regulation (EU) 2022/2065** (the Digital Services Act), which requires providers of online platforms to publish, at least once every six months, in a publicly available section of their online interface, information on the average monthly active recipients of the service in the Union ("**AMAR**"), calculated as an average over the preceding six-month period.

2. **AMAR figure:** For the reporting period stated above, the average monthly active recipients of the Service in the European Union is fewer than the 45,000,000 threshold set out in Article 33(1) DSA.

3. **VLOP designation status:** On the basis of the AMAR figure, the Service does not meet the threshold for designation as a Very Large Online Platform ("**VLOP**") under **Article 33(1) DSA**. Accordingly, the Service is not currently subject to the additional obligations applicable to VLOPs under Section 5 of Chapter III of the DSA (Articles 33-43), including the systemic risk assessment (Article 34), independent audit (Article 37), and enhanced transparency reporting (Article 42) obligations.

This status is reassessed at each publication and will be updated without undue delay if the AMAR figure changes such that the Service approaches or exceeds the Article 33(1) threshold.

4. **Methodology:** The AMAR figure has been calculated with regard to the requirements of Article 24(2) DSA and the European Commission's published guidance on the application of Article 24(2) (January 2023). As at the date of this statement, the Commission has not yet adopted a delegated act under Article 33(3) DSA laying down a binding methodology for calculating average monthly active recipients.

5. **Availability to regulators:** In accordance with **Article 24(3) DSA**, Deliveroo will communicate the information underlying this AMAR figure, updated to reflect the situation at the date of the request, to its Digital Services Coordinator of establishment and to the European Commission without undue delay upon request.

6. **Contact:** Queries regarding this disclosure or Deliveroo's obligations under the Digital Services Act may be directed to dsa@deliveroo.ie
