VISION STATEMENT

At DoorDash, our mission is to grow and empower local economies. Our Policy Team engages with policymakers and other stakeholders on issues that support our commitment to bring positive change to the communities we serve. We believe we can make a difference by sharing our views with those who have the potential to impact the laws, regulations, and policies that can impact our business, as well as the lives and livelihoods of Dashers, merchants, and consumers.

DoorDash's public policy priorities include: advancing our vision for the future of work that pairs worker independence with new protections and benefits; promoting local business growth and entrepreneurship; combating food insecurity; encouraging tax policies that bolster economic growth; and creating innovative transportation solutions that keep our cities moving safely and sustainably.

POLICY PERSPECTIVE AND STRATEGY

LOBBYING

In order to best advocate for policies that support and protect the communities we serve, DoorDash regularly engages with local, state, and federal government officials to share our perspective. Our Policy Team manages engagement with officials in compliance with all applicable laws and under the guidance and oversight of legal counsel.

POLITICAL GIVING

CORPORATE POLITICAL GIVING

DoorDash's corporate political giving program is rooted in the interests of our community and our corporate values. All corporate political contributions are reviewed and approved by an internal oversight committee composed of members of the Policy, Legal, and Finance teams for alignment with our vision and priorities, and compliance with all applicable laws. The Board receives information regarding the company's political engagement, including the political giving program, to enable it to exercise its responsibilities.

Political contributions do not represent unqualified support for a specific campaign, candidate, or organization, nor do they signify that we agree with all of the political opinions they may hold.

DASHPAC

Separately, DoorDash has a federal political action committee, DashPAC. Information on the candidates and campaigns supported by DashPAC will be disclosed quarterly through the [Federal Election Commission \(FEC\) website](#).

The following list is an aggregation of disclosed corporate political contributions supporting elected officials, candidates, political parties, and political action committees made by DoorDash in 2025.

RECIPIENT	JURISDICTION	AMOUNT
