Forward Looking Statements Disclaimer

This communication contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements generally relate to future events, including the timing of the proposed transaction and other information related to the proposed transaction. In some cases, you can identify forward-looking statements because they contain words such as “may,” “will,” “should,” “expects,” “plans,” “anticipates,” “could,” “intends,” “target,” “projects,” “contemplates,” “believes,” “estimates,” “predicts,” “potential” or “continue” or the negative of these words or other similar terms or expressions that concern the proposed transaction and our expectations, strategy, plans or intentions regarding it. Forward-looking statements in this communication include, but are not limited to, (i) expectations regarding the timing, completion and expected benefits of the Wolt Enterprises Oy ("Wolt") transaction, (ii) plans, objectives and expectations with respect to future operations, stakeholders and the markets in which we, Wolt and the combined company will operate, and (iii) the expected impact of the proposed transaction on the business of the parties. Expectations and beliefs regarding these matters may not materialize, and actual results in future periods are subject to risks and uncertainties that could cause actual results to differ materially from those projected. These risks, uncertainties and other factors relate to, among others: risks and uncertainties related to our pending acquisition of Wolt, including the failure to obtain, or delays in obtaining, required regulatory approvals, the failure to satisfy any of the closing conditions to the proposed transaction on a timely basis or at all and costs and expenses associated with failure to close; costs, expenses or difficulties related to the acquisition of Wolt, including the integration of the Wolt’s business; failure to realize the expected benefits and synergies of the proposed transaction in the expected timeframes or at all; the potential impact of the announcement, pendency or consummation of the proposed transaction on relationships with our and/or Wolt’s employees, customers, suppliers and other business partners; the risk of litigation or regulatory actions to us and/or Wolt; inability to retain key personnel; changes in legislation or government regulations affecting us or Wolt; developments in the COVID-19 pandemic and resulting business and operational impacts on us and/or Wolt; and economic, financial, social or political conditions that could adversely affect us, Wolt or the proposed transaction. For additional information on other potential risks and uncertainties that could cause actual results to differ from the results predicted, please see our Annual Report on Form 10-K for the year ended December 31, 2020 and subsequent Form 10-Qs and Form 8-Ks filed with the Securities and Exchange Commission (the “SEC”). All information provided in this communication is as of the date of this communication and any forward-looking statements contained herein are based on assumptions that we believe to be reasonable, and information available to us, as of such date. We undertake no duty to update this information unless required by law.
