

BJ'S WHOLESALE CLUB HOLDINGS, INC.

AUDIT COMMITTEE CHARTER

(Amended and Restated as of December 19, 2019)

I. Purpose

The purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") of BJ's Wholesale Club Holdings, Inc. (the "Company") in its oversight of: (i) the integrity of the Company's financial statements and financial reporting process; (ii) the Company's accounting principles, accounting policies and financial and accounting controls; (iii) the Company's compliance with legal and regulatory requirements; (iv) the independent auditor's qualifications and independence; (v) the performance of the Company's independent auditor; and (vi) the design and implementation of the Company's internal audit function, and the performance of the internal audit function after it has been established.

The Committee's responsibilities are limited to oversight. The Company's management is responsible for establishing and maintaining accounting policies and procedures in accordance with generally accepted accounting principles ("GAAP") and other applicable reporting and disclosure standards and for preparing the Company's financial statements. The Company's independent auditors are responsible for auditing and reviewing those financial statements.

II. Composition

The Committee must consist of at least three directors, each of whom must satisfy the independence requirements of the New York Stock Exchange (the "NYSE") and the more rigorous independence rules for members of the Audit Committee issued by the Securities and Exchange Commission (the "SEC"), subject, in each case, to applicable transition provisions or exceptions. Each Committee member must be financially literate as determined by the Board in its business judgment or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee must be a financial expert as defined under SEC rules.

No Committee member may simultaneously serve on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of the member to effectively serve on the Committee and this determination is disclosed in accordance with NYSE rules.

Committee members must be appointed to the Committee by the Board and may be removed from the Committee, with or without cause, by the Board. Unless a Chair is designated by the Board, the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings, Procedures and Authority

The Committee must meet at least once during each fiscal quarter. The Committee must meet separately, periodically, with management, with the independent auditor, with the

Company personnel primarily responsible for the design and implementation of the internal audit function, and with the internal auditor (or other personnel responsible for the internal audit function) after the internal audit function has been established.

The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee may retain any independent counsel, experts or advisors that the Committee believes to be necessary or appropriate. The Company must provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, the Company's bylaws and applicable NYSE rules.

The Committee has the authority to conduct or authorize investigations into any matters within the scope of its responsibilities as it deems appropriate, including the authority to request any officer, associate or advisor of the Company to meet with the Committee or any advisors engaged by the Committee.
