

HOLOGIC, INC.
CHARTER OF THE AUDIT AND FINANCE COMMITTEE
OF THE BOARD OF DIRECTORS

I. PURPOSE

The primary functions of the Audit and Finance Committee (the “Committee”) of the Board of Directors (the “Board”) of Hologic, Inc. (the “Company”) are to assist the Board of Directors with the oversight of (i) the Company’s financial reporting process, accounting functions, financing and capital allocation strategies, internal audit functions and internal controls and (ii) the qualifications, independence, appointment, retention, compensation and performance of the Company’s registered public accounting firm.

The term “registered public accounting firm” as used herein shall mean the public accounting firm registered with the Public Company Accounting Oversight Board (the “Accounting Board”) under Section 102 of the Sarbanes-Oxley Act of 2002 which performs the independent auditing function for the Company.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. It is not the duty of the Committee to conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of Company management, and subject to audit by the Company’s registered public accounting firm.

II. COMPOSITION AND INDEPENDENCE

The Committee shall consist of not less than three members of the Board appointed by resolution of the Board and shall serve at the discretion of the Board. All the members of the Committee shall satisfy the independence and composition requirements under the listing standards and other applicable rules of the Nasdaq Stock Market (“Nasdaq”), or such other stock market on which the Company’s securities may be listed from time to time, subject to any permitted exceptions thereunder, the requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Securities and Exchange Commission (the “SEC”), and shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Each member of the Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement. At least one of the Committee members must satisfy Nasdaq’s financial sophistication requirements and the Board shall use diligent efforts to assure that at least one member of the Committee qualifies as an “audit committee financial expert,” as defined by SEC rules. No member of the Committee can have participated in the preparation of the Company’s or any of its subsidiaries’ financial statements at any time during the past three years.

The Committee’s chairperson shall be designated by the Board or, if it does not do so, the Committee members shall elect a chairperson by vote of a majority of the Committee.

III. MEETINGS AND PROCEDURES

The Committee shall meet no less than four times per year, or more frequently as circumstances require. The Committee may request that members of management, representatives of the registered public accounting firm, internal auditors and others attend meetings and provide pertinent information, as necessary. In order to foster open communications, the Committee shall meet at such times as it deems appropriate or as otherwise required by applicable law, rules or regulations in separate executive sessions to discuss any matters that the Committee believes should be discussed privately. The Committee may meet by telephone or video conference or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time and may take action by written consent. A majority of the members of the Committee, or a duly appointed subcommittee thereof, shall constitute a quorum.

IV. RESPONSIBILITIES AND DUTIES

The operation of the Committee will be subject to the provisions of the Bylaws of the Company, as in effect from time to time, and to Section 141 of the Delaware General Corporation Law. Subject to the foregoing, the Committee shall have the following authority and responsibilities.
