

Altra Industrial Motion Companies Achieve "Gold" Status Boston Gear and Warner Electric Honored by PTDA

October 5, 2005 - Quincy, MA - The Power Transmission Distributor's Association (PTDA) recognized Boston Gear and Warner Electric, divisions of Altra Industrial Motion. "Go for the Gold," a new PTDA program, recognizes member companies that incorporate the PTDA logo into their firm's branding activities.

"The PTDA is an exemplary professional organization for the power transmission industry," said Craig Schuele, Vice President of Marketing and Business Development, Altra Industrial Motion. "We are proud participants and proud to demonstrate our participation."

The "Go for the Gold" program has three levels: Gold, Silver, and Bronze. Awards are recognized in Transmissions(R), on the PTDA web site, and at the annual PTDA Industry Summit. This year the PTDA Summit will be held in Las Vegas from October 18-20, 2005.

Boston Gear and Warner Electric are divisions of Altra Industrial Motion, which is headquartered in Quincy, Mass. Altra Industrial Motion is the parent corporation of the following leading power transmission brands: Warner Electric, Boston Gear, Formsprag Clutch, Stieber Clutch, Marland Clutch, Ameridrives Couplings, Industrial Clutch, Wichita Clutch, Nuttall Gear, Delroyd Worm Gear, and Kilian Manufacturing.
