

## **Altra Industrial Motion Announces Successful Consent Solicitation**

March 26, 2007

Quincy, Massachusetts-Altra Industrial Motion, Inc. ("Altra") announced today that it has successfully completed its previously announced consent solicitation relating to its outstanding 11 1/4% Senior Notes due 2013 (CUSIP No. 022089 AG1) (the "2013 Notes").

As of 5:00 p.m., New York City time, on March 23, 2007 (the "2013 Note Expiration Date"), Altra had received the consents of holders of £18,875,000 aggregate principal amount (representing approximately 88%) of the outstanding 2013 Notes. Altra, the subsidiary guarantors of the 2013 Notes and The Bank of New York, the trustee under the indenture governing the 2013 Notes, have entered into a supplemental indenture effecting the proposed amendments described in the consent solicitation statement dated March 7, 2007.

As described in the consent solicitation statement, Altra will make a payment equal to £5.00 in cash for each £1,000 principal amount of 2013 Notes for which a consent is received and accepted (and not revoked) on or prior to the 2013 Note Expiration Date after the supplemental indenture becomes operative. The supplemental indenture effecting the amendments will not become operative unless and until Altra accepts and pays for shares of common stock of TB Wood's Corporation pursuant to its pending tender offer and does not complete a "short-form" back-end merger on the closing date (and, accordingly, TB Wood's does not become a wholly owned subsidiary of Altra upon the closing date of the tender offer).

The detailed terms and conditions of the consent solicitation are contained in the consent solicitation statement. Questions regarding the consent solicitation can be addressed to Jefferies & Company, Inc., at 203-708-5831.
