Detour Gold Reports Results of Annual and Special Meeting of Shareholders

Detour Gold Corporation (TSX: DGC) (“Detour Gold” or the “Company”) is pleased to announce that, at the Company’s Annual and Special Meeting of Shareholders held today, the shareholders of the Company approved all proposed resolutions, including the resolution approving the Company’s amended and restated share option plan.

At the Shareholders’ Meeting, Mr. Robert E. Doyle and Mr. Alex G. Morrison were elected as new independent directors of the Company. Mr. Philip Olson, a director of the Company since 2007, did not stand for re-election in order to pursue other interests. The Company wishes to thank Mr. Olson for his valuable contributions over the last three years.

About Detour Gold

Detour Gold is a Canadian gold exploration and development company whose primary focus is to advance the development of its flagship Detour Lake gold project located in northeastern Ontario towards production.

Forward-Looking Information

This press release contains certain forward-looking information as defined in applicable securities laws (referred to herein as “forward-looking statements”). Specifically, this press release contains forward-looking statements regarding the advancement of the Detour Lake gold project. Forward-looking statements involve known and unknown risks, uncertainties and other factors which are beyond Detour Gold’s ability to predict or control and may cause Detour Gold’s actual results, performance or achievements to be materially different from any of its future results, performance or achievements expressed or implied by forward-looking statements. These risks, uncertainties and other factors include, but are not limited to, gold price volatility, changes in debt and equity markets, the uncertainties involved in interpreting geological data, increases in costs, environmental compliance and changes in environmental legislation and regulation, interest rate and exchange rate fluctuations, general economic conditions and other risks involved in the gold exploration and development industry, as well as those risk factors discussed in the section entitled “Description of Business - Risk Factors” in Detour Gold’s 2009 annual information form. Such forward-looking statements are also based on a number of assumptions which may prove to be incorrect, including, but not limited to, assumptions about the following: the availability of financing for exploration and development activities; the estimated timeline for the development of the project; the supply and demand for, and the level and volatility of the price of, gold; the accuracy of reserve and resource estimates and the assumptions on which the reserve and resource estimates are based; the receipt of necessary permits; market competition; ongoing relations with employees and local communities; and general business and economic conditions. Accordingly, readers should not place undue reliance on forward-looking statements. Detour Gold undertakes no obligation to update publicly or otherwise revise any forward-looking statements contained herein whether as a result of new information or future events or otherwise, except as may be required by law.
