Mr. Vasington brings 24 years of diverse financial and managerial experience, including nearly 10 years with Honeywell International Inc. He most recently served as Vice President and CFO of Honeywell Aerospace, where he led global financial initiatives, activities and operations for this \$12 billion revenue division. Prior to this role he served as Vice President and CFO of Honeywell Performance Materials & Technologies where he helped drive significant profit and margin growth and as Vice President and CFO of Honeywell Security. Prior to Honeywell, Mr. Vasington held finance leadership roles at Crane Co. and Fortune Brands, Inc. Mr. Vasington is a CPA and began his career at Price Waterhouse.

"I am pleased that Paul has agreed to join us here at Sensata. We have had the opportunity to run a very selective process to find an outstanding CFO. Paul brings very strong operating finance leadership and a breadth of relevant industry and M&A experience," said Martha Sullivan, President and Chief Executive Officer. "I would like to thank Jeff Cote for filling-in as interim CFO and look forward to him being able to focus entirely on his COO responsibilities."
