About NETGEAR, Inc.

NETGEAR (Nasdaq: NTGR) designs innovative, branded technology solutions that address the specific networking, storage, and security needs of small- to medium-sized businesses and home users. The company offers an end-to-end networking product portfolio to enable users to share Internet access, peripherals, files, multimedia content, and applications among multiple computers and other Internet-enabled devices. Products are built on a variety of proven technologies such as wireless, Ethernet and powerline, with a focus on reliability and ease-of-use. NETGEAR products are sold in over 27,000 retail locations around the globe, and via approximately 36,000 value-added resellers. The company's headquarters are in San Jose, Calif., with additional offices in 25 countries. NETGEAR is an ENERGY STAR[®] partner. More information is available by visiting www.netgear.com or calling (408) 907-8000. Follow NETGEAR at <http://twitter.com/NETGEAR> and <http://www.facebook.com/netgear>.
