APTIV PLC

AUDIT COMMITTEE CHARTER

I. Purpose of the Committee

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Aptiv PLC (the “Company”) shall be to assist in Board oversight of:

- a. the integrity of the Company’s financial statements;
- b. the Company’s compliance with legal and regulatory requirements, including satisfying requirements with respect to furnishing quarterly financial statements compliant with United States Generally Accepted Accounting Principles (“GAAP”);
- c. the independent auditors’ qualifications and independence;
- d. the performance of the Company’s independent auditors and internal audit function;
and
- e. the Company’s code of business conduct and ethics (Code of Ethical Business Conduct).

II. Authority and Delegations

The Committee shall have such other powers and perform such other duties as the Board may from time to time delegate to it. The Committee also has authority to take appropriate actions necessary to discharge its responsibilities. Such authority includes but is not limited to the power to:

- a. Retain outside counsel, accountants, outside advisors, consultants, or others to assist in the conduct of an investigation or as it determines appropriate to advise or assist in the performance of the Committee’s functions.
- b. Seek any information it requires from employees or external parties (employees and external parties will be directed to cooperate and comply with the Committee’s requests).

The Committee may delegate its authority to subcommittees or the Chair of the Committee when it deems appropriate and in the best interests of the Company.

III. Membership

The Committee shall be comprised of at least three members, comprised solely of directors determined by the Board to be independent in accordance with the rules and regulations of the Securities and Exchange Commission (“SEC”) and New York Stock Exchange. Each member shall be “financially literate” and at least one member of the Committee shall be an “audit

committee financial expert” as determined by the Board and in accordance with applicable requirements.

The Nominating and Governance Committee shall recommend nominees for appointment to the Committee to the full Board annually and as vacancies or newly created positions occur. Committee members shall be appointed by the members of the Board and may be removed by the Board at any time. The Board shall designate the Chair of the Committee.

IV. Limitations Inherent in the Audit Committee’s Role

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are accurate and are in accordance with GAAP and applicable rules and regulations. These are the responsibilities of management and the independent auditor. The Committee’s function is one of oversight. The Company’s management is responsible for preparing the Company’s financial statements and, along with the internal auditors, for developing and maintaining systems of internal accounting and financial controls, while the independent auditors will assist the Committee and the Board in fulfilling their responsibilities for their review of these financial statements and internal controls. The Committee expects the independent auditors to call to its attention any accounting, auditing, internal control, regulatory or other related matters that it believes warrant consideration or action.

The Committee recognizes that the financial management and the internal and independent auditors have more knowledge and information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee does not provide any expert or special assurance as to the Company’s financial statements or internal controls or any professional certification as to the independent auditors’ work.

V. General Operating Procedures

1. The Committee shall review the adequacy of this Charter on a periodic basis.
2. The Committee shall assess annually the Committee’s performance of the duties specified in this Charter and report its findings to the Board.
3. The Committee shall perform such other functions within the purposes, duties and responsibilities of the Committee, as may be directed by the Board.
4. The Committee shall keep minutes of its meetings and make such minutes available to the Board.
5. Two members of the Committee shall constitute a quorum. When more than two members are present, the act of a majority of the members present at a meeting at which a quorum is present shall be the act of the Committee, and when only two members are present, the unanimous vote of the two members shall constitute the act of the Committee.
6. The Committee shall meet as often as may be deemed necessary or appropriate in its judgment, but not less frequently than quarterly, either in person or telephonically, and at

such times and places as the Committee shall determine. The Committee shall make regular reports to the Board with respect to its activities.

7. At least quarterly, the Committee shall meet with management, the internal auditors and the independent auditors in separate executive sessions.
