# SPECIAL RESOLUTION TO CHANGE THE COMPANY'S NAME

## Special Resolution – Reasons for Name Change

On September 15, 2017, the Board of Directors approved a change in the Company's name from "Delphi Automotive PLC" to "Aptiv PLC" upon completion of our pending spin-off of our Powertrain Systems segment, which will take the Delphi name. In order to legally effect the name change, the Special Resolution, as set out in the Notice of the Extraordinary General Meeting, will be proposed at the Extraordinary General Meeting. Further details of the reasons for the proposed change of the Company's name are set out below.

On May 3, 2017, we announced our intention to separate our Powertrain Systems segment by means of a spin-off of a newly formed company that is expected to be traded on the New York Stock Exchange (the "Separation").

When the Separation is complete, Powertrain Systems will be a global leader with a portfolio of advanced technologies, including engine management, software and electrification solutions that optimize environmental efficiency and vehicle performance. Our Powertrain Systems segment is the only segment that currently serves the retail consumer automotive aftermarket, where our products are sold to consumers under the Delphi brand name. We believe that the Delphi brand name is most closely associated by those consumers with the products produced by our Powertrain Systems segment. Therefore, upon completion of the Separation, the Powertrain System segment will be named Delphi Technologies PLC.

We believe that the name Aptiv PLC will better recognize the platform of the remaining business as a global technology

leader, enabling advancements in vehicle connectivity, active safety, infotainment, user experience, vehicle electrification, autonomous driving, and data services. The new name Aptiv PLC will provide more flexibility to position us for future growth and create additional brand value.

## Effects of Name Change

If the shareholders pass the Special Resolution at the Extraordinary General Meeting, the change of the Company's name will become effective upon completion of the Separation and the issue by the Jersey companies' registry of a new certificate of incorporation on change of name.

While the name change will cause us to incur certain costs, the Board of Directors believes that any potential confusion and costs associated with the name change will be outweighed by the benefits of the name change.

The name change will not have any effect on the rights of our existing shareholders.

In connection with our name change, we will change our ticker symbol on the NYSE from "DLPH" to "APTV".

**The Board of Directors recommends a vote "FOR" the Special Resolution to change the Company's name. If you complete the enclosed proxy card, unless you direct to the contrary on that card, the shares represented by that proxy will be voted FOR the Special Resolution to change the Company's name.**
