## Windstream Enterprise names Adena Handy area vice president of sales

LITTLE ROCK, Ark., March 01, 2018 (GLOBE NEWSWIRE) -- Windstream Enterprise, a leading provider of advanced network communications and technology solutions, today announced that it has named Adena Handy as area vice president of sales for Alabama, Arkansas and Louisiana.

Handly was most recently AT&T's assistant vice president of technical sales and global business solutions for the healthcare industry. She will be based in Little Rock.

"We are pleased to welcome Adena, an accomplished sales executive with comprehensive experience in sales and marketing management, stakeholder engagement and solutions implementation," said Jeff Lowney, regional sales president for Windstream Enterprise. "Adena is skilled at building the kinds of strong, long-term relationships that IT executives value as they confront increasingly complex technology challenges."

Handly has 15 years' experience in telecommunications. At AT&T she held a variety of leadership positions in medical sales. Prior to that, she was chief information officer for Drew Memorial Hospital in Monticello, Ark.

### About Windstream

Windstream Holdings, Inc. (NASDAQ:WIN), a FORTUNE 500 company, is a leading provider of advanced network communications and technology solutions. Windstream provides data networking, core transport, security, unified communications and managed services to mid-market, enterprise and wholesale customers across the U.S. The company also offers broadband, entertainment and security services for consumers and small and medium-sized businesses primarily in rural areas in 18 states. Services are delivered over multiple network platforms including a nationwide IP network, our proprietary cloud core architecture and on a local and long-haul fiber network spanning approximately 150,000 miles.
