

## Windstream Announces Availability of IP Simple Solutions Nationwide

### IP Simple Combines Windstream's Nationwide Network, VoIP, and IP-PBX Phones to Offer Customers an End-to-End Solution

LITTLE ROCK, Ark., June 29, 2012 (GLOBE NEWSWIRE) -- Windstream (Nasdaq:WIN), a leading provider of advanced network communications, today announced that its voice, data, and equipment bundle offering—[IP Simple Solutions](#)—is now available across Windstream's nationwide footprint.

[IP Simple](#) is a Managed Unified Communications solution designed for small and medium-sized businesses (SMBs). It combines an award-winning business phone system from Allworx — a Windstream company — with [Windstream's VoIP and Data solution](#) for a complete end-to-end solution. Windstream's IP Simple bundle gives small and medium business customers an affordable monthly solution accessing the latest technology, without the need for capital investment in equipment.

"We listened to our customers and they told us they wanted a turn-key IP solution from a single provider," said Don Perkins, vice president of Business Marketing at Windstream. "IP Simple offers customers access to Windstream's IP voice and data services as well as the latest in business phone equipment — all designed to work seamlessly together from Windstream."

[IP Simple](#) eliminates the need to combine services from different providers and equipment manufacturers, resulting in better overall support, and quick and easy installation. With [IP Simple](#) business customers can get everything they need from Windstream — for a complete end-to-end solution. Customers may choose from the following equipment to complete their bundles:

- IP Phone PBX Options — Allworx 48x, Allworx 6x, or Allworx 6x12
- IP Phone Handset Options — Allworx 9224, Allworx 9212L, Allworx 9204/9204G, or Allworx 9202E
- Optional Hardware Elements — Allworx Tx 92/24 Expander, Allworx Px 6/2 Expander
- Optional Software Elements — Automatic Call Distribution, Call Assistant, Dual Language Support, Mobile Link
