Windstream Announces Proposed Private Offering of $500 Million of 7.75% Senior Notes Due 2021

LITTLE ROCK, Ark., Aug. 12, 2013 (GLOBE NEWSWIRE) -- Windstream Corp. (Nasdaq:WIN) ("Windstream") announced today that it intends to offer in a private placement $500 million aggregate principal amount of senior unsecured notes that will mature in 2021 and bear interest at a fixed rate of 7.75% per year. The offering is expected to be completed before the end of August 2013, subject to market and other conditions.

If the offering is successfully placed, Windstream intends to use the net proceeds of the offering, together with available cash, if required, to pay the consideration for the tender offer and consent solicitation announced by Windstream today to purchase for cash any and all of its outstanding $500 million aggregate principal amount of 7.0% Senior Notes due 2019 (the "2019 Notes") together with related fees and expenses. To the extent that holders of less than $500 million in aggregate principal amount of the 2019 Notes tender their notes, Windstream intends to use the remaining net proceeds of the notes offering, together with available cash, if required, to redeem all of the remaining outstanding 2019 Notes.

This news release is for informational purposes only and is not an offer to buy or the solicitation of an offer to sell any securities of Windstream. The senior unsecured notes will be sold only to qualified institutional buyers in reliance on Rule 144A, and outside the United States in compliance with Regulation S under the Securities Act of 1933, as amended. The proposed issuance of the senior unsecured notes will not be registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
