## **Forward-Looking Statements**

Statements in this presentation, including certain statements regarding Champion Homes' strategic initiatives, and future market demand are intended to be covered by the safe harbor for "forward-looking statements" provided by the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally can be identified by use of words such as "believe," "expect," "future," "anticipate," "intend," "plan," "foresee," "may," "could," "should," "will," "potential," "continue," or other similar words or phrases. Similarly, statements that describe objectives, plans, or goals also are forward-looking statements. Such forward-looking statements involve inherent risks and uncertainties, many of which are difficult to predict and are generally beyond the control of Champion Homes. We caution readers that a number of important factors could cause actual results to differ materially from those expressed in, implied, or projected by such forward-looking statements. Risks and uncertainties include regional, national and international economic, financial, public health and labor conditions, and the following: supply-related issues, including prices and availability of materials; changes in U.S. trade policies, including tariffs or other trade protection measures; labor-related issues; inflationary pressures in the North American economy; the cyclical and seasonality of the housing industry and its sensitivity to changes in general economic or other business conditions; demand fluctuations in the housing industry, including as a result of actual or anticipated increases in homeowner borrowing rates; the possible unavailability of additional capital when needed; competition and competitive pressures; changes in consumer preferences for our products or our failure to gauge those preferences; quality problems, including the quality of parts sourced from suppliers and related liability and reputational issues; data security breaches, cybersecurity attacks, and other information technology disruptions; the potential disruption of operations caused by the conversion to new information systems; the extensive regulation affecting the production and sale of factory-built housing and the effects of possible changes in laws with which we must comply; the potential impact of natural disasters or geopolitical conflicts on sales and raw material costs; the risks associated with mergers and acquisitions, including integration of operations and information systems; periodic inventory adjustments by, and changes to relationships with, independent retailers; changes in interest and foreign exchange rates; insurance coverage and cost issues; the possibility that all or part of our intangible assets, including goodwill, might become impaired; the possibility that our risk management practices may leave us exposed to unidentified or unanticipated risks; the potential disruption to our business caused by public health issues, such as an epidemic or pandemic, and resulting government actions; and other risks set forth in the "Risk Factors" section, the "Legal Proceedings" section, the "Management's Discussion and Analysis of Financial Condition and Results of Operations" section, and other sections, as applicable, in our Annual Reports on Form 10-K, including our Annual Report on Form 10-K for the fiscal year ended March 28, 2026, previously filed with the Securities and Exchange Commission ("SEC"), as well as in our Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K, filed with or furnished to the SEC.

If any of these risks or uncertainties materializes or if any of the assumptions underlying such forward-looking statements proves to be incorrect, then the developments and future events concerning Champion Homes set forth in this presentation may differ materially from those expressed or implied by these forward-looking statements. You are cautioned not to place undue reliance on these statements, which speak only as of the date of this presentation. We anticipate that subsequent events and developments will cause our expectations and beliefs to change. Champion Homes assumes no obligation to update such forward-looking statements to reflect events or circumstances after the date of this document or to reflect the occurrence of unanticipated events, unless obligated to do so under the federal securities laws.

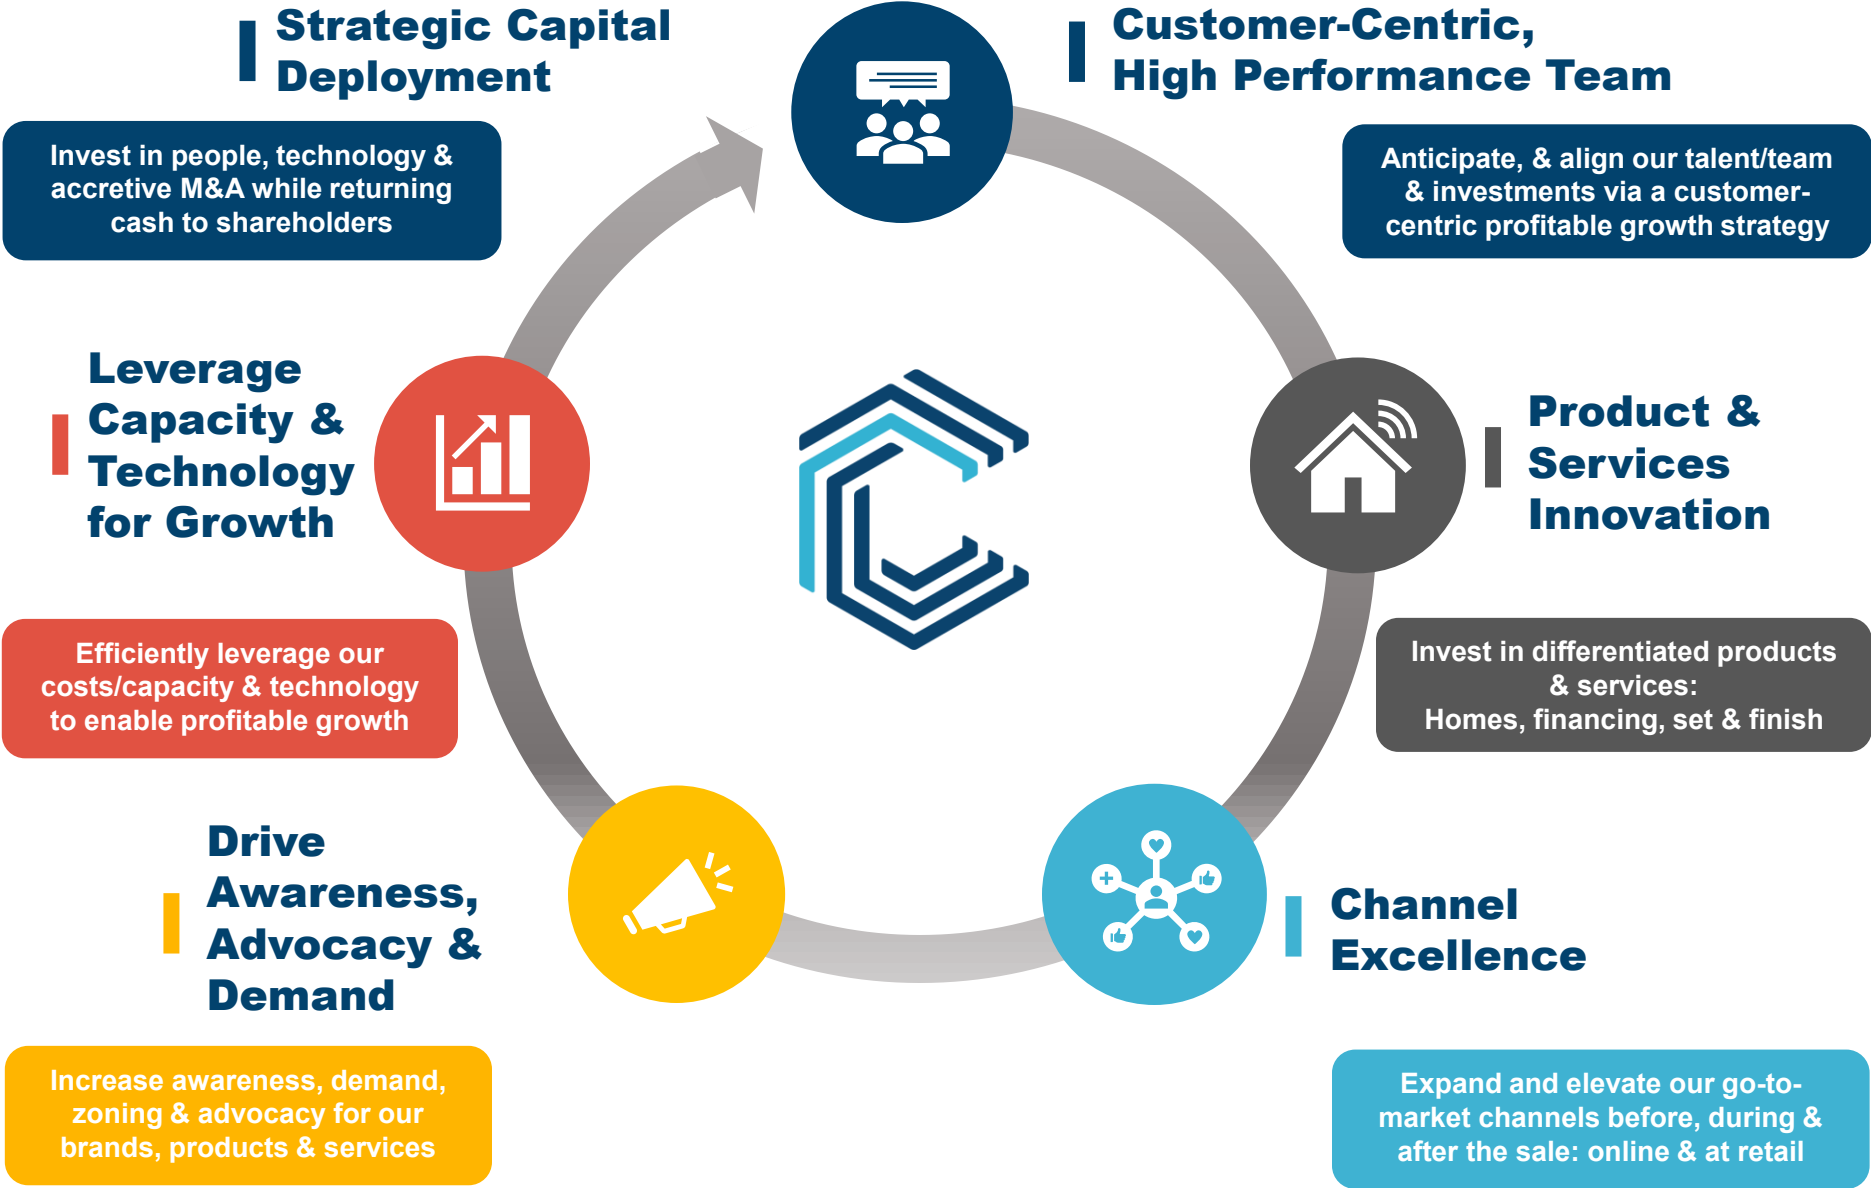

## **Non-GAAP Financial Measures**

In addition to the results provided in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") throughout this presentation, Champion Homes has provided Non-GAAP financial measures, Adjusted EBITDA, Adjusted EBITDA Margin, Adjusted EBITDA less Capex, Adjusted Gross Profit, and Adjusted Gross Profit Margin (collectively the "Non-GAAP Financial Measures") which present operating results on a basis adjusted for certain items. Champion Homes uses these Non-GAAP Financial Measures for business planning purposes and in measuring its performance relative to that of its competitors. Champion Homes believes that these Non-GAAP Financial Measures are useful financial metrics to assess its operating performance from period-to-period by excluding certain items that Champion Homes believes are not representative of its core business. These Non-GAAP Financial Measures are not intended to replace, and should not be considered superior to, the presentation of Champion Homes' financial results in accordance with U.S. GAAP. Champion Homes does not provide a reconciliation of forward-looking measures where Champion Homes is unable to reasonably predict certain items contained in the U.S. GAAP measures without unreasonable efforts. This is due to the inherent difficulty of forecasting the timing or amount of various items that have not yet occurred and are out of the control of Champion Homes or cannot be reasonably predicted. For the same reasons, Champion Homes is unable to address the probable significance of the unavailable information. Forward-looking Non-GAAP Financial Measures provided without the most directly comparable U.S. GAAP financial measures may vary materially from the corresponding U.S. GAAP financial measures.

Company  
Overview

## Homeownership Affordability<sup>1</sup>

- Manufactured housing is the only type of housing Congress recognizes as a key solution to America's affordable homeownership needs
- Manufactured housing is the largest form of unsubsidized affordable housing in the U.S.
- The average price per sq ft of manufactured homes is ~50% less than that of site-built
- Average cost of a new factory-built HUD code home is \$123,300
- Average cost of site-built home is \$406,000, excluding land

## Labor Costs

- Centralized, indoor facilities for home building process
- Training and onboarding completed within weeks
- Skilled trade labor force becoming more scarce
- Increased utilization of advanced power tools and automation to enhance safety, quality, and reduce dependency on manual processes
- Mostly rural locations offering higher availability of labor

## Production Efficiency & Quality

- Standardization of processes and materials
- Rigorous inspection process
- Controlled environment benefits
- Efficient construction process reduces energy usage and material waste
- Turn-key solution that can aid the consumer buying process

## Product Improvement & Innovation

- Designed flexibility
- Advancements in engineering allow for configurable, smart living spaces as well as multi-story structures
- Sustainable materials and improved energy efficiency
- Factory production has less social impact than site-built construction by reducing noise, parking and traffic disruption, and environmental impact
- Incorporates advances in energy efficiency, thereby using resources more responsibly and reducing residents' utility bills

## Product Quality

- Skyline brand named America's Most Trusted brand

★★★★★  
Lifestory Research\*

**AMERICA'S MOST TRUSTED**

Manufactured Home Builder

**2021-2025**

- Homes cost up to 50% less per sq ft than conventional site-built homes

## Health & Safety

- Ongoing behavior-based safety and training programs with a goal of zero injuries
- Investment in tools and equipment with added safety features
- Responsibility for ensuring a safe work environment shared by EHS team, executive management and our Board of Directors

## Community Outreach

- Encourage civic involvement at local community level
- Local teams provide support and assistance to charitable organizations through initiatives such as food and coat drives, tutoring and mentoring programs, blood drives, and other causes

## Governance

- Code of conduct certification required at all levels within the company (Board of Directors, management, and employees)
- Aim to strike a balance between retaining directors with deep knowledge of company and adding directors with a fresh perspective

## Human Capital

- Commitment to equal opportunity in hiring, recruitment, development and training
- Foster a safe, inclusive and respectful workplace free of discrimination and harassment
- Value unique skills and diversity of thought

## Stakeholder Engagement

- Open and transparent communication with all our stakeholders – shareholders, employees, customers, suppliers, and communities we serve
- Social responsibility to homebuyers, customers, employees, and the communities in which they live and work

## Environmental Focus

- Reforestation commitment to plant one tree for every tree used in construction. Planted ~2 million trees since fiscal 2021
- ENERGY STAR® certified homes
- Published our first Sustainability Report for fiscal 2023 - [Champion Homes, Inc. - Sustainability](#)

# ALTITUDE

**Elevated Features & Styling**

The new Altitude national series of homes is packed with elevated standard features that appeal to today's buyer who is looking for a high-quality, innovative, and affordable home.

# GENESIS HOMES

**Builder/Developer**

Genesis Homes provides builder/developers with a turnkey process, delivering innovative factory-built homes that can be delivered months faster than traditional site-built homes.

Financial  
Highlights

(millions)

## Historical Financials<sup>1</sup>

### Revenue

## Commentary

- Manufacturing footprint expansion since FY22 includes organic expansions in Navasota, TX, Pembroke, NC, and Decatur, IN
- Manufacturing acquisitions of Manis in FY23, and Regional in FY24
- Retail acquisition of 12 Factory Expo locations in FY23, 43 Regional locations in FY24, 11 locations in FY26, including 10 from Iseman
- Additional throughput in existing facilities achieved from product streamlining and rationalization
- Retail expansion from 18 sales centers in FY22 to 84 in FY26

### Adj. EBITDA

- FY23 margins positively impacted by Delivery Disaster Relief Order from FEMA and lower input costs
- Covid positively impacted demand from FY21 to FY22 driving up backlogs
- Completed Regional Homes acquisition in second half of FY24
- In FY24 consumers elected fewer or lower priced options in response to rising interest rates and inflation
- Continue investing in people and technology to drive growth

### CapEx

- Maintenance CapEx averaged ~\$200k - \$300k per plant annually
- Modest capital needs, but expanded growth capex to capitalize on investment opportunities
- 2022 - 2025 expansion included beginning production in three previously idle facilities, as well as investments in plant improvements and automation
- 2026 shuttered two manufacturing plants

## Strong Adj. EBITDA less CapEx Conversion Rate<sup>1,2</sup>

## Flexible Balance Sheet

(millions)	3/28/2026
Cash and equivalents	\$ 638
Revolver (\$200)	-
Floor plan payable	95
Notes payable	12
Industrial revenue bonds	12
<b>Total Debt</b>	<b>\$ 119</b>
Net Debt	(519)
Adj. EBITDA	308
Total Debt / Adj. EBITDA	0.4x
Net Debt / Adj. EBITDA	(1.7x)

## Commentary

- Operating leverage drives strong free cash flow
- Minimal capex as a % of sales
- \$200 million revolving credit facility provides liquidity and capital for growth
- Investments in automation in FY 2024 reduced Adjusted EBITDA less Capex conversion rates
- Conservative financial policies and growth-oriented capital allocation strategy
- Capital allocation priorities – balance sheet maintenance, business reinvestment including technology enhancements
- \$200 million of share repurchases in the last twelve months; Board of Directors refreshed repurchase authorization to provide \$150 million of potential future repurchases
- Acquisition potential if investment criteria are met

1. Adj. EBITDA less capex. See reconciliation in Appendix.  
 2. Conversion rate defined as Adj. EBITDA less capex, divided by Adj. EBITDA.  
 3. Industrial revenue bonds are LC collateralized.
