About Carlisle Companies Incorporated

Carlisle Companies Incorporated is a leading supplier of innovative building envelope products and solutions for more energy efficient buildings. Through its building products businesses – Carlisle Construction Materials and Carlisle Weatherproofing Technologies – and family of leading brands, Carlisle delivers innovative, labor-reducing and environmentally responsible products and solutions to customers through the Carlisle Experience. Carlisle is committed to generating superior shareholder returns and maintaining a balanced capital deployment approach, including investments in our businesses, strategic acquisitions, share repurchases and continued dividend increases. Carlisle is also a leading provider of products to the aerospace and medical technologies markets through its Carlisle Interconnect Technologies business segment. Leveraging its culture of continuous improvement as embodied in the Carlisle Operating System, Carlisle has committed to achieving net-zero greenhouse gas emissions by 2050.
