Carlisle Companies Earns “Most Honored Company” Designation from Institutional Investor 2023-24 All-America Executive Team Rankings

The Globally Renowned Journal Awards Carlisle First Place in Seven out of Eight Categories

SCOTTSDALE, ARIZONA, November 15, 2023 - [Carlisle Companies Incorporated](#) (NYSE:CSL), is proud to be recognized among the “Most Honored Companies” in the Institutional Investor’s 2023-24 All-America Executive Team rankings. Carlisle was awarded first place in the Homebuilding & Building Product industry in seven out of the eight polled categories, including “Best Investor Relations”, “Best CEO”, “Best CFO”, “Best IR Professionals”, “Best IR Team”, “Best Board of Directors” and “Best ESG”.

“We thank the investment community for recognizing Carlisle alongside a distinguished group of the Most Honored Companies in America,” commented Chris Koch, Chair, President and Chief Executive Officer. “Earning our industry’s #1 ranking in nearly all categories is a testament to our concerted effort as a team to be transparent and engaging with investors and sell-side analysts. With the planned unveiling of our Vision 2030 value creation strategy next month, we will strive to continue clearly articulating our growth story for the years to come.”

Institutional Investor is a highly-respected publication of industry research rankings, with its annual survey considered the industry benchmark for institutional investors, investment managers and sell-side analysts. A total of 3,755 members of the investment community voted in this year’s America Executive Team survey, nominating a total of 1,429 companies.

About Carlisle Companies Incorporated

Carlisle Companies Incorporated is a leading supplier of innovative building envelope products and solutions for more energy efficient buildings. Through its building products businesses – Carlisle Construction Materials (“CCM”) and Carlisle Weatherproofing Technologies (“CWT”) – and family of leading brands, Carlisle delivers innovative, labor-reducing and environmentally responsible products and solutions to customers through the Carlisle Experience. Carlisle is committed to generating superior shareholder returns and maintaining a balanced capital deployment approach, including investments in our businesses, strategic acquisitions, share repurchases and continued dividend increases. Leveraging its culture of continuous improvement as embodied in the Carlisle Operating System (“COS”), Carlisle has committed to achieving net-zero greenhouse gas emissions by 2050.
