Carlisle Companies Earns “Most Honored Company” Designation from Extel All-America Executive Team Rankings for the Third Straight Year

The Globally Revered Journal Awards Carlisle in Seven out of Eight Categories

SCOTTSDALE, ARIZONA, January 16, 2026 - [Carlisle Companies Incorporated](#) (NYSE:CSL), is proud to be recognized among the “Most Honored Companies” in Extel’s 2025 All-America Executive Team rankings. Carlisle was awarded first place in several categories for the third year in a row, receiving top rankings in 7 out of 8 categories in the Homebuilders & Building Products industry.

“We are pleased to receive recognition from the investment community in the All-America Executive Team rankings among a distinguished group of America’s Most Honored Companies,” said Chris Koch, Chair, President and Chief Executive Officer. “Carlisle is proud of our 109-year legacy of American innovation and manufacturing. Our Vision 2030 value creation strategy clearly articulates Carlisle’s growth strategy, and we appreciate the recognition of our efforts to be transparent and engaging with the investment community.”

Extel is a well-respected source for research rankings among top analysts and portfolio managers. Extel publishes its annual survey which is considered the industry benchmark for institutional investors, investment managers and sell-side analysts. A total of 3,837 members of the investment community voted in this year’s America Executive Team survey, nominating a total of 1,425 companies.

About Carlisle Companies Incorporated

Carlisle Companies Incorporated is a leading supplier of innovative building envelope products and solutions for more energy efficient buildings. Through its building products businesses – Carlisle Construction Materials (“CCM”) and Carlisle Weatherproofing Technologies (“CWT”) – and family of leading brands, Carlisle delivers innovative, labor-reducing and environmentally responsible products and solutions to customers through the Carlisle Experience. Carlisle is committed to generating superior shareholder returns and maintaining a balanced capital deployment approach, including investments in our businesses, strategic acquisitions, share repurchases and continued dividend increases. Leveraging its culture of continuous improvement as embodied in the Carlisle Operating System (“COS”), Carlisle has committed to achieving net-zero greenhouse gas emissions by 2050.
