PRESS RELEASE

Carlisle Companies Increases Dividend for 50th Consecutive Year

Company Achieves Milestone Attained by Fewer Than 60 Currently Listed U.S. Public Companies

SCOTTSDALE, ARIZONA, August 6, 2026 - Carlisle Companies Incorporated (NYSE: CSL) today announced that its Board of Directors approved a 14% increase in the Company's regular quarterly dividend from $1.10 to $1.25 per share, or to $5 per share on an annualized basis. The dividend is payable on September 1, 2026, to shareholders of record at the close of business on August 19, 2026.

With this increase, Carlisle joins the elite group of "Dividend Kings," U.S. public companies that have raised their annual dividend for at least 50 consecutive years, a distinction held by fewer than 60 currently listed U.S. public companies.

"Our 50th consecutive annual dividend increase reflects the durability of Carlisle's business model, and the dedicated management teams that have led this business since 1976," said Chris Koch, Chair, President and Chief Executive Officer. "Carlisle is best understood not merely as a roofing-products company but as a capital-allocation story. For more than five decades, through recessions, market cycles, and the transformation of our portfolio into a pure-play building products company, we have sustained a relentless focus on ROIC, strong cash generation, and consistently returning capital to our shareholders."
