## **Carlisle Authorizes Repurchase of an Additional 4.1 Million Shares**

SCOTTSDALE, ARIZONA, September 13, 2016 – The Board of Directors of Carlisle Companies Incorporated (NYSE:CSL) has authorized Carlisle to repurchase an additional 4.1 million shares, increasing Carlisle’s authorization to approximately 5.0 million shares. The shares will be repurchased at management’s direction from time to time in the open market at prevailing market prices, in privately negotiated transactions or through block trades. The timing and amount of repurchases will depend on the market price of Carlisle’s common stock, general market conditions, applicable legal requirements and other corporate developments.

D. Christian “Chris” Koch, Carlisle’s President and Chief Executive Officer, commented, “In addition to our 17% dividend increase announced in August, we are pleased to continue our share repurchase program as an important part of our strategy to deliver value to shareholders.”

### **Forward-Looking Statements**

**This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally use words such as “expect,” “foresee,” “anticipate,” “believe,” “project,” “should,” “estimate,” “will,” “plans,” “forecast,” and similar expressions, and reflect our expectations concerning the future. It is possible that our future performance may differ materially from current expectations expressed in these forward-looking statements, due to a variety of factors such as: increasing price and product/service competition by foreign and domestic competitors, including new entrants; technological developments and changes; the ability to continue to introduce competitive new products and services on a timely, cost-effective basis; our mix of products/services; increases in raw material costs which cannot be recovered in product pricing; domestic and foreign governmental and public policy changes including environmental and industry regulations; threats associated with and efforts to combat terrorism; protection and validity of patent and other intellectual property rights; the successful integration and identification of our strategic acquisitions; the cyclical nature of our businesses; and the outcome of pending and future litigation and governmental proceedings. In addition, such statements could be affected by general industry and market conditions and growth rates, the condition of the financial and credit markets, and general domestic and international economic conditions including interest rate and currency exchange rate fluctuations. Further, any conflict in the international arena may adversely affect general market conditions and our future performance. We refer you to the documents we file from time to time with the Securities and Exchange Commission, such as our reports on Form 10-K, Form 10-Q and Form 8-K, for a discussion of these and other risks and uncertainties that could cause our actual results to differ materially from our current**

expectations and from the forward-looking statements contained in this press release. We undertake no obligation to update any forward-looking statement.
