## **Carlisle Companies Elects James D. Frias to Board of Directors**

CHARLOTTE, NORTH CAROLINA, February 4, 2015 - Carlisle Companies Incorporated (NYSE:CSL) announced today that James D. Frias, Chief Financial Officer, Treasurer and Executive Vice President of Nucor Corporation (NYSE:NUE), has been elected to its Board of Directors, effective immediately. Nucor is a leading manufacturer of steel products, with operating facilities primarily in the U.S. and Canada, and is North America's largest recycler. Nucor is headquartered in Charlotte, NC, with 2014 net sales of \$21.1 billion.

David A. Roberts, Chairman and CEO, said, "We are very fortunate to have Jim join our board. With his 23 year career at Nucor, Jim's extensive leadership experience and financial expertise will be extremely valuable to Carlisle and its shareholders as we look to future growth and achievement of our long term objectives."

### **Forward-Looking Statements**

**This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally use words such as "expect," "foresee," "anticipate," "believe," "project," "should," "estimate," "will," "plans", "forecast" and similar expressions, and reflect our expectations concerning the future. It is possible that our future performance may differ materially from current expectations expressed in these forward-looking statements, due to a variety of factors such as: increasing price and product/service competition by foreign and domestic competitors, including new entrants; technological developments and changes; the ability to continue to introduce competitive new products and services on a timely, cost-effective basis; our mix of products/services; increases in raw material costs which cannot be recovered in product pricing; domestic and foreign governmental and public policy changes including environmental and industry regulations; threats associated with and efforts to combat terrorism; protection and validity of patent and other intellectual property rights; the successful integration and identification of our strategic acquisitions; the cyclical nature of our businesses; and the outcome of pending and future litigation and governmental proceedings. In addition, such statements could be affected by general industry and market conditions and growth rates, the condition of the financial and credit markets, and general domestic and international economic conditions including interest rate and currency exchange rate fluctuations. Further, any conflict in the international arena may adversely affect general market conditions and our future performance. We refer you to the documents we file from time to time with the Securities and Exchange Commission, such as our reports on Form 10-K, Form 10-Q and Form 8-K, for a discussion of these and other risks and uncertainties that could**

cause our actual results to differ materially from our current expectations and from the forward-looking statements contained in this press release. We undertake no obligation to update any forward-looking statement.
