(CSL) Carlisle Companies Elects New Director

CHARLOTTE, NORTH CAROLINA, September 4, 2002...Carlisle Companies Incorporated (NYSE:CSL) announced today that Lawrence A. Sala, Chairman, President and Chief Executive Officer of Anaren Microwave, Inc., has been elected to its Board of Directors, effective September 4, 2002. Anaren Microwave, a successful manufacturer of microwave-signal processing devices for the satellite communications, defense electronics and wireless industries, is headquartered in Syracuse, NY. Anaren Microwave, Inc. is publicly traded on the NASDAQ.

Larry received a BS in computer engineering, an MS in electrical engineering and an MBA from Syracuse University. Larry's election to the Carlisle Board of Directors fills a vacant board seat created by the resignation of George F. Ohrstrom, who has decided to devote more time to his other business interests.

Richmond McKinnish, Carlisle's President and Chief Executive Officer said, "We are excited that Larry has joined our Board of Directors and welcome his technical and managerial skills."

Carlisle is a diversified global manufacturing company serving the transportation, construction, commercial roofing, automotive, pharmaceutical, foodservice, data transmission, and specialty tire and wheel industries.
