CyberArk Announces Date of Third Quarter 2014 Financial Results Release

October 9, 2014 4:05 PM ET

NEWTON, Mass.--(BUSINESS WIRE)--Oct. 9, 2014-- CyberArk Software Ltd. (NASDAQ: CYBR), a global leader and pioneer of a new layer of IT security solutions that protects organizations from cyber attacks that have made their way inside the network perimeter, today announced that it will report its third quarter 2014 financial results after the U.S. financial markets close on Wednesday, November 12, 2014.

In conjunction with this announcement, CyberArk will host a conference call on Wednesday, November 12, 2014 at 5:00 p.m. Eastern Time (ET) to discuss the company's third quarter financial results and its business outlook. To access this call, dial 888-481-2877 (U.S.) or 719-325-2215 (international). The conference ID is 6537013. Additionally, a live webcast of the conference call will be available in the "Investor Relations" section of the Company's web site at www.cyberark.com.

Following the conference call, a replay will be available for one week at 877-870-5176 (U.S.) or 858-384-5517 (international). The replay pass code is 6537013. An archived webcast of this conference call will also be available in the "Investor Relations" section of the Company's web site at www.cyberark.com.

About CyberArk
CyberArk is a global leader and pioneer of a new layer of IT security solutions that protects organizations from cyber attacks that have made their way inside the network perimeter to strike at the heart of the enterprise. CyberArk's software solution is focused on protecting privileged accounts, which have become a critical target in the lifecycle of today's cyber attacks. CyberArk is a global company headquartered in Petach Tikvah, Israel, with U.S. headquarters located in Newton, MA and offices throughout EMEA and Asia-Pacific.
