

Beneficial Shareholders and Proxyholder Appointments

The following instructions are applicable to non-registered beneficial shareholders (whose CTC shares are held indirectly through an intermediary such as a bank, trust company, securities broker or other intermediary).

Proxyholder Appointments

As in-person attendance at the Meeting will not be possible, shareholders should not appoint a proxyholder, other than the proxyholders named in the voting instruction form (the "Management Proxyholders"), to participate and vote on their behalf at the Meeting.

If you have already appointed a non-Management Proxyholder, please follow the instructions below.

Previously Appointed Non-Management Proxyholders

As in-person attendance at the Meeting will not be possible, we recommend that previous appointments of non-Management Proxyholders be revoked. In order to do so, go to www.proxyvote.com, have your Control Number on your voting instruction form ready and **revote**; this will rescind your previous proxyholder appointment. If you submit your vote and appoint the Management Proxyholders (the default option), they are obligated to vote in accordance with your voting instructions.

If you have appointed a non-Management Proxyholder and do not wish to revoke that appointment, in order for that individual to be able to vote on your behalf during the Meeting, you will need to:

- Revisit www.proxyvote.com prior to the Meeting, have your Control Number on your voting instruction form ready, and enter an "Appointee Name" and designate an 8-character "Appointee Identification Number"; and
- Inform your appointee of the exact "Appointee Name" and 8-character "Appointee Identification Number" selected prior to the Meeting.

Please ensure that you provide your appointee with your instructions on how to vote, unless you wish to let your appointee decide how to vote your shares.

Your appointee may access the Meeting, vote and submit questions by joining the Online Platform as an "Appointee" and entering the "Appointee Name" and 8-character "Appointee Identification Number".
