Synacor Announces Appointments of Executives with Deep Experience in Key Areas of Growth

Synacor grows talent in strategic operations, professional services, and major customer accounts

BUFFALO, N.Y., April 16, 2015 (GLOBE NEWSWIRE) -- [Synacor Inc.](#) (Nasdaq:SYNC), the trusted technology development, multiplatform services and revenue partner for video, internet and communications providers, and device manufacturers, today announced the appointment of highly experienced executives, who will focus on key areas of growth for the company and who were attracted to Synacor's market potential. Anand Subramanian has been named Senior Vice President, Strategic Operations. David Ho has been named Vice President, Professional Services. Singu Srinivas has been named General Manager, Strategic Accounts.

Anand Subramanian is the former CEO of NimbleTV, who joined Synacor through the acquisition earlier this year. At NimbleTV, Subramanian helped to innovate around efficient video streaming and CDN solutions. He was formerly CEO of ContextWeb, providing real-time online ad performance data for businesses and brands, and has an engineering degree from the Indian Institute of Technology. Subramanian will be taking a broader role at Synacor, leading strategic operations and finding areas for efficiency and effectiveness leveraging his video delivery, advertising and data analytics expertise.

David Ho served most recently as VP of Engineering for Synchronoss Technologies, where he had oversight of the engineering teams designing, building, delivering and supporting a portfolio of Commerce and Care solutions to top telecom and MSO clients around the world. Prior to that, Ho led professional service organizations at Nuance Communications and Comverse Network Systems. He holds a degree in Mechanical and Aerospace Engineering from Princeton University. Ho will be leading the Professional Services team at Synacor, responding to the growing customization and integration needs of our customers with solution delivery and project management discipline.

Singu Srinivas has been an advisor to Fortune 500 and high growth technology companies as a management consultant, senior executive and founder. His expertise spans managed services and software-as-a-service businesses in the communications, electronics and software industries. He joins Synacor from management consulting firm, Waterstone Management Group, where he was a partner. Prior to that, Srinivas was a general manager at Radialpoint, and a management consultant with IBM Global Services, Deloitte Consulting and Accenture. He has an MBA from the Wharton School and an M.S. in Industrial Engineering from Stanford University. Srinivas will lead Strategic Accounts at Synacor, helping to deepen relationships and grow revenues with key customers.

"I am delighted to welcome Singu and David to Synacor, and announce Anand's expanded responsibilities. We continue to execute against our strategic plan and are focused on key areas of growth. Singu, David and Anand are highly capable and well known industry executives in managed services, solutions delivery, video streaming, and advertising analytics who see the market opportunity for Synacor and will help drive profitable growth for the company," said Synacor CEO Himesh Bhise.
