Synacor Expands Partnership with Outbrain to Surface and Monetize Relevant Content to Consumers

Synacor to adopt Outbrain solutions to deliver high-quality, personalized content that increases user engagement and revenue

BUFFALO, N.Y., April 8, 2015 (GLOBE NEWSWIRE) -- [Synacor Inc.](#) (Nasdaq:SYNC), the trusted technology development, multiplatform services and revenue partner for video, internet and communications providers and device manufacturers, today announced a multiyear content recommendation and monetization partnership with [Outbrain Inc.](#), the world's largest content discovery platform. The deal brings Outbrain's solutions to the international network of sites Synacor manages for multichannel video programming distributors (MVPDs), internet service providers (ISPs), and consumer electronics manufacturers. It will enable personalized content discovery and provide new revenue opportunities for Synacor and its customers.

"Outbrain's proprietary recommendation algorithms present highly personalized content and increase user engagement," said Ron Bernstein, SVP, Ad Sales & Operations, Synacor. "We anticipate that the partnership will generate additional revenues for Synacor and for our customers."

Outbrain will power modules placed on Synacor's Startpages, which will aggregate Synacor content and links to third-party stories and articles that users might like.

"We are excited to partner with Synacor and use our technology to surface highly personalized content recommendations to the 20 million people who visit its network of sites," said Josh Feller, SVP, Global Business Development, Outbrain.

Further details about the agreement were not disclosed.
