Purpose

The Committee (the “Committee”) was created by the Board of Directors (the “Board”) of Cars.com Inc. (the “Company”) to assist the Board in overseeing and monitoring the following:

- (1) the accounting and financial reporting processes of the Company;
- (2) the integrity of the financial statements of the Company;
- (3) the independent auditor’s qualifications, performance, compensation and independence;
- (4) the design, implementation and performance of the Company’s internal audit function;
- (5) the compliance by the Company with legal and regulatory requirements; and
- (6) Company policies with respect to risk assessment and risk management, including financial, data privacy and security (including cybersecurity), business continuity, and operational risks.

Committee Membership

The Committee shall consist of no fewer than three members, as determined by the Board. The members of the Committee shall meet the independence and experience requirements of the New York Stock Exchange (the “NYSE”), Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the rules and regulations of the Commission. Each member of the Committee will be financially literate, as such qualification is interpreted by the Board in its business judgment. At least one member of the Committee shall be an “Committee financial expert” (as defined by the Commission). Committee members shall not simultaneously serve on the Committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to serve effectively on the Committee.

The members of the Committee shall be appointed by the Board after receiving the recommendation of the Nominating & Governance Committee. The Committee shall be led by a Chair, who shall be elected by the full Board or, in the absence of full Board action, the Committee itself may designate a Chair by majority vote of the full Committee. Committee members may be replaced by the Board, with or without cause, at any time.

Meetings

The Committee shall meet as often as it determines necessary, but not less frequently than quarterly. The Committee shall meet periodically in separate executive sessions with management (including the chief financial officer and chief accounting officer), the internal

auditors (or other personnel responsible for the internal audit function) and the independent auditor, and have such other direct and independent interaction with such persons from time to time as the members of the Committee deem appropriate. The Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Committee Authority and Responsibilities

The Committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Committee.

The Committee shall pre-approve all auditing services, internal control-related services and permitted non-audit services (including the range of fees and terms thereof) to be performed for the Company by the independent auditor, subject to the *de minimis* exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Committee prior to the completion of the audit. The Committee shall review and discuss with the independent auditor any documentation supplied by the independent auditor as to the nature and scope of any tax services to be approved, as well as the potential effects of the provision of such services on the auditor's independence.

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services for the Company and to any advisors employed by the Committee, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

The Committee shall conduct its own annual performance review and evaluation of the Committee.

The Committee shall maintain minutes or other records of meetings and activities of the Committee and make regular reports to the Board.

The Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval.

The Committee may form and delegate authority and duties to subcommittees consisting of one or more members, when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services. Decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.

The Committee, to the extent it deems necessary or appropriate, shall:

Oversight of the Company's Relationship with the Independent Auditor

13. Before the engagement of an independent auditor and at least annually thereafter, review and discuss with the independent auditor the independent auditor's written communications to the Committee regarding the relationships between the auditor and the Company that, in the auditor's professional judgment, may reasonably be thought to bear on its independence and affirm in writing to the Committee that the auditor is independent.

Obtain and review a report from the independent auditor at least annually regarding: (a) the independent auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the independent auditor; (c) any steps taken to deal with any such issues; and (d) all relationships between the independent auditor and the Company. Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the independent auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, taking into account the

opinions of management and internal auditors. The Committee shall present its conclusions with respect to the independent auditor to the Board.

24. Obtain reports from management, the Company's senior internal auditing executive and the independent auditor that the Company and its subsidiaries and foreign affiliated entities are in conformity with applicable legal requirements and the Company's Code of Business Conduct and Ethics.
