Forward-Looking Statements

Certain statements in this news release contain or may suggest "forward-looking" information (as defined in the Private Securities Litigation Reform Act of 1995) that involve risk and uncertainties, including, but not limited to anticipated store openings, fuel margins, merchandise margins, sales of RINs and trends in our operations. Such statements are based upon the current beliefs and expectations of the company's management and are subject to significant risks and uncertainties. Actual future results may differ materially from historical results or current expectations depending upon factors including, but not limited to: our ability to continue to maintain a good business relationship with Walmart; successful execution of our growth strategy, including our ability to realize the anticipated benefits from such growth initiatives, and the timely completion of construction associated with our newly planned stores which may be impacted by the financial health of third parties; our ability to effectively manage our inventory, disruptions in our supply chain and our ability to control costs; the impact of any systems failures, cybersecurity and/or security breaches, including any security breach that results in theft, transfer or unauthorized disclosure of customer, employee or company information or our compliance with information security and privacy laws and regulations in the event of such an incident; successful execution of our information technology strategy; future tobacco or e-cigarette legislation and any other efforts that make purchasing tobacco products more costly or difficult could hurt our revenues and impact gross margins; efficient and proper

allocation of our capital resources; compliance with debt covenants; availability and cost of credit; and changes in interest rates. Our SEC reports, including our Annual Report on our Form 10-K for the year ended December 31, 2014 (filed February 27, 2015) and our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2015 (filed November 5, 2015) contain other information on these and other factors that could affect our financial results and cause actual results to differ materially from any forward-looking information we may provide. The company undertakes no obligation to update or revise any forward-looking statements to reflect subsequent events, new information or future circumstances.

#####

About Murphy USA

Murphy USA (NYSE:MUSA) is a leading retailer of gasoline and convenience merchandise with more than 1,300 stations located primarily in the Southwest, Southeast and Midwest United States. The company and its team of almost 10,000 employees serve an estimated 1.6 million customers each day through its network of retail gasoline stations in 24 states. The majority of Murphy USA's stations are located in close proximity to Walmart stores. The company also markets gasoline and other products at standalone stations under the Murphy Express brand. Ranked 202 among Fortune 500 companies, Murphy USA reported revenue of $15 billion in 2014.
