Choose from any or all of the four main cuisines featured on the Sensi cooking "stages" - Italian, Asian, Grill and Seafood Classics -- all prepared from open kitchens in a minimalist, earthy setting using stone and water design elements.

* DESSERT AT BELLAGIO'S NEW JEAN-PHILIPPE PATISSERIE -- Choose from a wide array of "edible gems" at the first, truly European-style pastry shop in Las Vegas designed with the opulence of a lavish jewelry salon. "Eye-candy" at the patisserie includes the tallest chocolate fountain in the world.
