

MGM Resorts International Announces Launch Of New Investor Relations Website And Investor Presentation

1/12/2018

LAS VEGAS, Jan. 12, 2018 /PRNewswire/ -- MGM Resorts International (NYSE: MGM) ("MGM Resorts" or the "Company") announced today the debut of its new investor relations website. The redesigned website aligns closely in aesthetics and functionality with our corporate website and offers quick and intuitive access to essential information such as company news, financial and stock information, presentations and webcasts, SEC filings, and corporate governance information. Created with the user experience in mind, the new website has been optimized across all digital devices, including desktop and mobile.

Concurrently with the website launch, the Company has also made available a new Investor Presentation which can be found under "Investor Presentation" within the "Overview" section of the website.

"As part of our continued efforts to enhance communications with the investment community, we are excited to start the new year with the launch of our website, which includes our new investor presentation and other valuable information for investors, analysts, media and other stakeholders," said Jim Murren, Chairman & CEO of MGM Resorts. "We believe that our new website and presentation further convey the MGM story, our long-term strategic direction and value proposition, as we continue to work toward maximizing value for our shareholders."

The new investor website can be accessed at <http://investors.mgmresorts.com> or within the "Investors" tab located under the "Company" section of the corporate website at www.mgmresorts.com.

Statements in this release that are not historical facts are "forward-looking" statements and "safe harbor statements" within the meaning of the Private Securities Litigation Reform Act of 1995 that involve risks and/or uncertainties, including those described in the Company's public filings with the SEC. The Company has based forward-looking statements on management's current expectations and assumptions and not on historical facts. Examples of these statements include, but are not limited to, the Company's ability to achieve its strategic goal to maximize shareholder value. Forward-looking statements involve a number of risks and uncertainties. Among the important factors that could cause actual results to differ materially from those indicated in such forward-looking statements include effects of economic conditions and market conditions in the markets in which the Company operates and competition with other destination travel locations throughout the United States and the world, the design, timing and costs of expansion projects, risks relating to international operations, permits, licenses, financings, approvals and other contingencies in connection with growth in new or existing jurisdictions and additional risks and uncertainties described in the Company's Form 10-K, Form 10-Q and Form 8-K reports (including all amendments to those reports). In providing forward-looking statements, the Company is not undertaking any duty or obligation to update these statements publicly as a result of new information, future events or otherwise, except as required by law. If the Company updates one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those other forward-looking statements.
