3/27/2019

LAS VEGAS, March 27, 2019 /PRNewswire/ -- MGM Resorts International (NYSE: MGM) announced today that it has commenced cash tender offers (the "Tender Offers") to purchase up to \$500,000,000 in aggregate principal amount (as it may be increased by MGM, the "Aggregate Maximum Tender Amount") of its outstanding 6.750% Senior Notes due 2020 and 5.250% Senior Notes due 2020 (collectively, the "Notes").

The terms and conditions of the Tender Offers are described in an Offer to Purchase, dated March 27, 2019 (the "Offer to Purchase"). MGM intends to fund the Tender Offers with the net proceeds of its proposed offering of debt securities (the "Debt Financing") and, if necessary, any other sources of available funds, which may include cash on hand or borrowings under the Company's senior secured revolving credit facility.

- (1) As of the date of the Offer to Purchase.
 - (2) Holders will also receive accrued and unpaid interest from the last interest payment with respect to Notes to, but not including, the Early Settlement Date or the Final Settlement Date, as applicable.
 - (3) Includes the Early Tender Premium.

The Tender Offers will expire at midnight, New York City time, at the end of April 23, 2019, unless extended or earlier terminated by MGM (the "Expiration Date"). No tenders submitted after the Expiration Date will be valid.

Holders of Notes that are validly tendered (and not validly withdrawn) at or prior to 5:00 p.m., New York City time, on April 9, 2019 (such date and time, as it may be extended, the "Early Tender Date") and accepted for purchase pursuant to the Tender Offers will receive the applicable Total Consideration for such series, which includes the early tender premium for such series of Notes set forth in the table above (with respect to each series of Notes, the "Early Tender Premium"). Holders of Notes tendering their Notes after the Early Tender Date will only be eligible to receive the applicable tender offer consideration for such series of Notes set forth in the table above (with respect to each series of Notes, the "Tender Offer Consideration"), which is the applicable Total Consideration less the Early Tender Premium.

All Notes validly tendered and accepted for purchase pursuant to the Tender Offers will receive the applicable consideration set forth in the table above, plus accrued and unpaid interest on such Notes from the applicable last interest payment date with respect to those Notes to, but not including, the applicable Settlement Date (as defined below) ("Accrued Interest").

Tendered Notes may be withdrawn at or prior to 5:00 p.m., New York City time, on April 9, 2019, unless extended by MGM (such date and time, as it may be extended, the "Withdrawal Date"). Holders of Notes who tender their Notes after the Withdrawal Date, but prior to the Expiration Date, may not withdraw their tendered Notes unless withdrawal rights are otherwise required by applicable law.

Provided that the conditions to the applicable Tender Offer have been satisfied or waived, and assuming acceptance for purchase by the company of Notes validly tendered pursuant to the Tender Offers, (i) payment for Notes validly tendered at or prior to the applicable Early Tender Date and purchased in the applicable Tender Offer shall be made on the settlement date that is expected to be on or about April 10, 2019, or as promptly as practicable thereafter (with respect to each series of Notes, the "Early Settlement Date") and (ii) payment for any Notes validly tendered after the applicable Early Tender Date, but at or prior to the applicable Expiration Date,

and purchased in the applicable Tender Offer shall be made on the settlement date that is expected to be on or about April 24, 2019 (with respect to each series of Notes, the "Final Settlement Date" and, together with the related Early Settlement Date, the "Settlement Dates").

Subject to the Aggregate Maximum Tender Amount and proration, the Notes accepted on any Settlement Date will be accepted in accordance with their Acceptance Priority Levels set forth in the table above, with 1 being the highest Acceptance Priority Level and 2 being the lowest Acceptance Priority Level, and provided further that Notes tendered at or prior to the Early Tender Date will be accepted for purchase with priority over Notes tendered after the Early Tender Date, but at or prior to the Expiration Date, regardless of the priority of the series of such later tendered Notes.

Acceptance for tenders of any Notes may be subject to proration if the aggregate principal amount for any series of Notes validly tendered and not validly withdrawn would cause the Aggregate Maximum Tender Amount to be exceeded. Furthermore, if the Tender Offers are fully subscribed as of the Early Tender Date, holders who validly tender Notes after the Early Tender Date will not have any of their Notes accepted for purchase and there will be no Final Settlement Date.

The company reserves the right, but is under no obligation, to increase the Aggregate Maximum Tender Amount at any time, subject to compliance with applicable law, which could result in the company purchasing a greater aggregate principal amount of Notes in the Offers. There can be no assurance that the company will increase the Aggregate Maximum Tender Amount. If the company increases the Aggregate Maximum Tender Amount, it does not expect to extend the Withdrawal Date, subject to applicable law. Accordingly, Holders should not tender Notes that they do not wish to have purchased in the Offers.

The consummation of the Tender Offers is not conditioned upon any minimum amount of Notes being tendered. However, the Tender Offers are subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase, including the completion of the Debt Financing.

This press release is neither an offer to purchase nor a solicitation of an offer to sell securities. No offer, solicitation, purchase or sale will be made in any jurisdiction in which such offer, solicitation, or sale would be unlawful. The offer is being made solely pursuant to terms and conditions set forth in the Offer to Purchase. Nothing contained herein shall constitute an offer of the debt securities that are subject of the Debt Financing.
