About SJP by Sarah Jessica Parker

SJP was founded in February 2014 by Sarah Jessica Parker and partner George Malkemus III. The accessories collection stems from Sarah Jessica's love for the single sole and vivid memories of New York City fashion in the latter part of the 70s. The collection showcases the brand's theme of colors acting as neutrals and encourages women to take risks and break away from fashion rules they imagine. In December 2016, SJP will launch its first standalone store at MGM National Harbor.
