

Vegas' Best Rooms For Every Type of Vacationer

4/29/2014

LAS VEGAS, April 29, 2014 /PRNewswire/ -- With more than 120,000 hotel rooms across the Las Vegas Strip, it can be a daunting task for any traveler to choose where to stay for their next Las Vegas escape. But fear not – below is a handy guide to the city's best rooms, based on preferences and desires:

Romantic Retreat

Couples can treat themselves to a romantic view of the Fountains of Bellagio with a [Cypress Suite at Bellagio](#). A whirlpool soaking tub, steam shower and plush bedding make this private suite perfect for lovers looking to spend quality time with their significant other. Those who want an extra-special experience should opt for the Romance Package, allowing them to arrive to a scene straight from a romance novel with a rose-petal covered bed and lush chocolate-dipped strawberries.

Healthy Haven

Vitamin C infused showers, warm white lighting and a water purification system are just a few of the 20 wellness amenities health-conscious travelers will find in the [Stay Well rooms at MGM Grand](#). These first-of-its-kind rooms also feature a unique in-room dining menu designed by leading nutritionists with healthy options such as fresh fruit and steel cut oatmeal. Guests can even "stay well" after their visit by downloading complimentary wellness apps specially developed by the Cleveland Clinic.

Sumptuous Suite

Travelers who enjoy the finer things in life will want to retreat to a Forbes Five-Star [Sky Suite at ARIA](#). Touches of luxury are sprinkled into everyday experiences from Hermes bath amenities to 15 pillow choices. Topping it off with exquisite personalized service, a suite assistant is available 24/7 to fulfill any other need guests may have to make sure their stay is nothing but exceptional.

Desert Oasis

Life's a beach in a [Bay Suite at Mandalay Bay](#) where "Resortists" can enjoy a refreshing view of the world-famous Mandalay Bay Beach. This spacious room also features a soaking tub and plush pillow-top mattress, ideal for resting up after a day of fun in the sun. Resortists will wish they were stranded in this desert oasis which includes complimentary access to Mandalay Bay Beach – an 11-acre paradise featuring 2,700 tons of real California sand, a

1.6-million gallon wave pool and lazy river.

Hidden Hotspot

Have the world at your fingertips with the latest technology in a LOFT at HOTEL32, the boutique hotel atop Monte Carlo. Guests can take advantage of complimentary iPads and MacBooks as well as a mobile concierge app to arrange wake-up calls, book spa appointments or even order flowers. When guests are ready to unplug from the Vegas hustle and bustle, the one-stop Creston remote system closes the drapes, dims the lights and plays a movie on the 50" plasma TV in the entertainment room.

Family-Fun Getaway

More than 1,900 rooms at the Casino and Skyrise Tower at Circus Circus, were renovated to feature vibrant jewel tones and include plush pillow-top mattresses and flat-screen TVs. These refreshed rooms are just steps from entertaining activities for both kids and adults. Families can head over to The Adventuredome, America's largest indoor theme park and ride the newly opened El Loco roller coaster, the second-of-its-kind in the nation, or enjoy new and classic arcade games and daily complimentary circus acts in the Midway.
