Freeport-McMoRan Publishes 2022 Annual Report on Sustainability

PHOENIX, AZ, April 21, 2023 - Freeport-McMoRan Inc. (NYSE: FCX) today announced the publication of its 2022 Annual Report on Sustainability detailing its environmental, social and governance (ESG) performance during the year. This report marks FCX's 22nd year of reporting on its sustainability progress. FCX has a long history of robust ESG programs and strives to embrace evolving stakeholder expectations and best practices.

Richard C. Adkerson, Chairman of the Board and Chief Executive Officer said: "As global decarbonization accelerates, demand for copper is expected to increase. We are committed to meeting the growing demand for copper through our sustainability strategy: *Accelerate the Future, Responsibly*. Our strategy recognizes the vital role we play in global progress – including decarbonization – and our dedication to continuously advance responsible production of our products. I am proud of our Freeport team for their accomplishments during 2022 and ongoing dedication to delivering on our sustainability strategy in alignment with our business objective of being Foremost in Copper."

FCX's 2022 Annual Report on Sustainability was prepared in alignment with the International Financial Reporting Standards Foundation's SASB Standards for the Metals & Mining industry as well as in reference to the GRI Sustainability Report Standards (2021) and the G4 Mining and Metals Sector Supplement and reflects FCX's reporting obligations as a founding member of the International Council on Mining and Metals. FCX's 2022 Annual Report on Sustainability is available on the company website at www.fcx.com/sustainability.

FREEPORT: Foremost in Copper

FCX is a leading international mining company with headquarters in Phoenix, Arizona. FCX operates large, long-lived, geographically diverse assets with significant proven and probable reserves of copper, gold and molybdenum. FCX is one of the world's largest publicly traded copper producers.

FCX's portfolio of assets includes the Grasberg minerals district in Indonesia, one of the world's largest copper and gold deposits; and significant mining operations in North America and South America, including the large-scale Morenci minerals district in Arizona and the Cerro Verde operation in Peru.

By supplying responsibly produced copper, FCX is proud to be a positive contributor to the world well beyond its operational boundaries. Additional information about FCX is available on FCX's website at fcx.com.
