

behalf of itself and derivatively on behalf of Terex Corporation ("Terex" or the "Company");² (ii) Individual Defendants; and (iii) Terex, as nominal defendant. This Stipulation sets forth the terms and conditions of the Settlement of the Action, and is intended by the Parties to fully, finally and forever resolve, discharge and settle all Released Claims as against the Released Parties, subject to the approval of the Court.

WHEREAS:

A. Terex is a global manufacturer of aerial work platforms, cranes, and materials processing machinery. Terex also designs, builds, and supports products used in construction, maintenance, manufacturing, energy, minerals, and materials management applications. Terex's common stock trades on the New York Stock Exchange under the ticker symbol "TEX." Terex is a corporation duly organized and existing under the laws of the State of Delaware and maintains its principal place of business and executive offices at 200 Nyala Farm Road, Westport, Connecticut 06880.

B. Beginning on December 21, 2009, three related actions were filed in the United States District Court for the District of Connecticut against Terex and certain of its officers and directors as putative securities class actions on behalf of purchasers and acquirers of Terex common stock, alleging that the defendants made misleading statements concerning, *inter alia*, Terex's accounting practices and financial condition. These actions were consolidated under the caption, *Sheet Metal Workers Local 32 Pension Fund v. Terex Corporation, et al.*, No. 3:09-cv-02083-RNC (D. Conn.) (the "Securities Class Action").

² In connection with this Stipulation, and solely for purposes of effectuating the Settlement, the Parties agree to the substitution of the Trust as the plaintiff in this derivative litigation, and the Trust shall serve as the representative plaintiff going forward.

C. On April 12, 2010, this derivative action was commenced by Peter Derrer alleging violations of sections 10(b) and 20(a) of the Securities and Exchange Act of 1934, breaches of fiduciary duty, waste of corporate assets, and unjust enrichment against certain directors and officers of Terex. ECF No. 1.

D. On July 1, 2010, pursuant to a stipulation entered into among the parties in furtherance of the interests of efficiency and judicial economy, the Court stayed this Action pending the Court's resolution of a motion to dismiss the Securities Class Action. ECF Nos. 30 and 32.

E. By Ruling and Order dated March 31, 2018, the Court granted in part and denied in part the defendants' motion to dismiss the complaint in the Securities Class Action.

F. On December 4, 2018, Plaintiff's Counsel filed a motion to substitute the Trust as the representative plaintiff in this Action. ECF No. 41. Defendants filed a memorandum in opposition to that motion on January 17, 2019. ECF No. 51.

G. On March 7, 2019, Plaintiff's Counsel sent a letter to the Court on behalf of all Parties to inform the Court that the parties had commenced good faith settlement discussions and to request that the time for filing the Trust's reply brief in support of the motion to substitute be held in abeyance while the parties continued their settlement discussions.

H. Plaintiff's Counsel sent a settlement demand to Defendants' counsel on March 1, 2019, proposing a settlement framework, including various corporate governance reforms. Throughout March and April 2019, counsel for Plaintiff and Defendants negotiated potential settlement terms and conditions. On April 12, 2019, counsel for the parties reached an agreement in principle on the substantive consideration for a proposed settlement of the Action.

I. Following the parties' agreement in principle on the substantive consideration for a proposed settlement, the parties separately negotiated the attorneys' fees that would be payable, subject to the approval of the Court, in consideration of the substantial corporate benefit produced by the Action and the proposed settlement. On July 11, 2019, the Settling Parties reached agreement on an amount of attorneys' fees and expenses. The Settling Parties did not discuss or negotiate the amount of any attorneys' fees and expenses to be paid to Plaintiff's Counsel until after the other material terms of the settlement had been agreed upon on April 12, 2019.

J. Plaintiff has owned shares of Terex common stock since July 14, 2008, and continues to do so. Plaintiff and its counsel, having thoroughly considered the facts and law underlying the Action, and based upon their investigation and prosecution of the Action, and after weighing the substantial benefits this Action and the Settlement have conferred on Terex and the risks of continued litigation, have determined that it is in the best interests of Terex and Terex's stockholders that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation, and that these terms and conditions are fair, reasonable, and adequate to Terex and Terex's stockholders.

K. Defendants have denied and continue to deny each and all of the claims and contentions alleged in the Action, including any and all allegations of wrongdoing, allegations of liability, and the existence of any damages asserted in or arising from the Action. Further, Defendants believe that they have substantial defenses to the claims alleged against them in the Action. Defendants have further asserted that, at all relevant times, they acted in good faith, and in a manner they reasonably believed to be in the best interests of Terex and its stockholders. Nevertheless, Defendants have concluded that further litigation in connection with the Action would be time-consuming and expensive. After weighing the costs, disruption, and distraction of

continued litigation, they have determined that, in order to eliminate the risk, burden, and expense of further litigation, and without admitting any wrongdoing or liability whatsoever, the Action should be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation.

NOW THEREFORE, IT IS STIPULATED AND AGREED, by and among the Parties, by and through their undersigned counsel, and subject to the approval of the Court, that the Action shall be fully and finally compromised and settled, that the Released Claims shall be released as against the Released Parties, and that the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of the Settlement, as follows:

With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date, Plaintiff, former plaintiff Peter Derrer, Defendants, and Terex shall have expressly waived, and each of the other Terex Stockholders shall be deemed to have waived, and by operation of the Final Order and Judgment, shall have expressly waived, and released any and all provisions, rights and benefits conferred by or under California Civil Code § 1542 (and provisions of the laws of the United States or any state or territory thereof, or of the common law, that are equivalent, comparable, or analogous to California Civil Code § 15422). A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiff, Defendants, and Terex acknowledge, and all other Terex Stockholders by operation of law shall be deemed by operation of law to have acknowledged, that they may discover facts in addition to or different from those now known or believed to be true with respect to the Released Claims, but that it is the intention of Plaintiff, Defendants, and Terex, and of all other Terex Stockholders by operation of law, to completely, fully, finally and forever extinguish any and all Released Claims without regard to the subsequent discovery of additional or different facts. Plaintiff, Defendants, and Terex acknowledge, and all other Terex Stockholders by operation of law shall be deemed to have acknowledged, that this waiver and the inclusion of "Unknown Claims" in the definition of "Released Claims" was separately bargained for and was a material element of the Settlement and was relied upon by each and all of the Parties in entering into this Stipulation and agreeing to the Settlement.

ff. "Verified Shareholder Derivative Complaint" means the Verified Shareholder Derivative Complaint For Violations of the Securities Exchange Act of 1934, Breach of Fiduciary Duty, Waste of Corporate Assets, and Unjust Enrichment filed by Peter Derrer on or about April 12, 2010.

SETTLEMENT CONSIDERATION

2. In consideration of the full settlement, satisfaction, compromise and release of the Released Plaintiff's Claims and the dismissal with prejudice of the Action, the Board shall implement the Corporate Governance Measures set forth in Exhibit A, to the extent not previously implemented, within ninety (90) calendar days of the Settlement's Effective Date. Each such provision listed in Exhibit A shall be maintained until at least four (4) years following the Effective Date.

3. The Board, including each of its independent, non-defendant directors, has approved the Settlement and each of its terms as being in the best interests of Terex and its stockholders. The Board, including each of its independent, non-defendant directors, has acknowledged and agrees that the Settlement is fair, reasonable, and adequate, and confers substantial benefits upon Terex and its stockholders.

4. Terex acknowledges that the pendency, prosecution, and settlement of the Action and the litigation efforts of Plaintiff, former plaintiff Peter Derrer, and Plaintiff's Counsel were the primary factor in the Board's decision to adopt, implement, and maintain the Corporate Governance Measures set forth in Exhibit A, Section A. Terex further acknowledges that the pendency, prosecution, and settlement of the Action and the litigation efforts of Plaintiff, former plaintiff Peter Derrer, and Plaintiff's Counsel were a factor in the Board's decision to adopt, implement, and/or maintain the Corporate Governance Measures set forth in Exhibit A, Section B.

5. Within the four (4) year period commencing on the Effective Date, the Board, by a majority vote of the independent directors, after consultation with outside counsel, may, subject to the requirements outlined below, amend or eliminate any one or more of the Corporate Governance Measures if the Board determines in a good faith exercise of its business judgment that a policy, procedure, control, or agreement term conflicts with (i) the law or (ii) its fiduciary duties to Terex:

a. In the event of a majority vote by the independent directors that a policy, procedure, control, or agreement term should be amended or eliminated on either of the above bases, the independent directors shall endeavor in good faith to adopt an amended or substitute reform that addresses the same goals, purposes and/or functions of the original Corporate Governance Measure; provided that, if the independent directors in a good faith exercise of their business judgment determine that it is not possible to adopt an acceptable amended or substitute reform, the Corporate Governance Measure may be eliminated.

6. Nothing in the Stipulation will preclude the Company, the Board, any Board Committee, or any of their respective members, or any executive, director, officer, agent, or employee of the Company or any affiliate, from taking any and all actions they reasonably believe are necessary and/or advisable for the operation of the Company's business in the ordinary course, pending entry of the Final Order and Judgment.

RELEASES

7. Upon the Effective Date, Plaintiff and each and every other Terex Stockholder (or former stockholder), derivatively on behalf of Terex, and Terex directly, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Plaintiff's Claims against the Released Defendants and any and all claims (including Unknown Claims) arising out of, relating to, or in connection with the defense, settlement, or resolution of the Action against the Released Defendants, and shall be

forever enjoined from prosecuting the Released Plaintiff's Claims. Nothing herein shall in any way impair or restrict the rights of any Party to enforce the terms of this Stipulation.

8. Upon the Effective Date, Defendants, Terex, and each of the other Released Defendants shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Defendants' Claims against the Released Plaintiff and any and all claims (including Unknown Claims) arising out of, relating to, or in connection with the prosecution, settlement, or resolution of the Action against the Released Plaintiff, and shall be forever enjoined from prosecuting the Released Defendants' Claims. Nothing herein shall in any way impair or restrict the rights of any Party to enforce the terms of this Stipulation.

PRELIMINARY APPROVAL ORDER

9. Promptly after the execution of this Stipulation, the Parties shall jointly request entry of the Preliminary Approval Order: (i) preliminarily approving the settlement; (ii) approving the form and manner of notice to Terex Stockholders of the pendency of the Action, the Settlement, and their right to object; and (iii) establishing the procedure and schedule for the Court's consideration of the Settlement and dismissal of the Action with prejudice.

NOTICE

10. The Preliminary Approval Order will provide that notice of the Settlement be given in the following manner: (i) disclosure of the terms of the Settlement through the filing by Terex of a Form 8-K with the SEC, which filing shall include a copy of the Notice and this Stipulation; (ii) publishing by Terex of the Summary Notice once in *Investor's Business Daily*; and (iii) posting of the Notice and the Stipulation on Terex's corporate website, which documents shall remain posted on Terex's corporate website through the Effective Date of the Settlement. The Preliminary

Approval Order will also provide that the Notice and this Stipulation be posted on the respective websites maintained by Plaintiff's Counsel.

11. Terex (directly or through its insurers) shall fund all costs and expenses related to providing notice of the Settlement irrespective of whether the Court approves the Settlement, and in no event shall Plaintiff or its counsel be responsible for any notice costs.

CONDITIONS OF SETTLEMENT; TERMINATION

12. The Effective Date of the Settlement shall be deemed to occur on the occurrence or waiver in writing by all Parties of all of the following events:

- a. the Court has entered the Preliminary Approval Order, substantially in the form attached hereto as Exhibit B;
- b. the Court has approved the Settlement, following notice and a hearing;
- c. the Court has entered the Judgment; and
- d. the Judgment has become Final.

13. Plaintiff and Defendants shall each have the right to terminate the Settlement and this Stipulation, by providing written notice of their election to do so ("Termination Notice") to the other Parties within thirty (30) calendar days of: (a) the Court's final refusal to enter the Preliminary Approval Order in any material respect; (b) the Court's final refusal to approve the Settlement or any material part thereof; (c) the Court's final refusal to enter the Judgment in any material respect as to the Settlement; or (d) the date upon which an order vacating, modifying, revising or reversing the Judgment becomes Final. However, any decision or proceeding, whether in this Court or any appellate court, solely with respect to attorneys' fees or litigation expenses shall not be considered material to the Settlement, shall not affect the finality of the Judgment, and shall not be grounds for termination of the Settlement.

14. If Plaintiff or Defendants exercise their right to terminate the Settlement pursuant to paragraph 13 above, then: (a) the Settlement and the relevant portions of this Stipulation shall be canceled; (b) Plaintiff, Defendants, and Terex shall revert to their respective litigation positions in the Action as of April 11, 2019; and (c) the terms and provisions of this Stipulation, with the exception of this paragraph 14 and paragraph 21 below, shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose, and the Parties shall proceed in all respects as if this Stipulation had not been entered.

ATTORNEYS' FEES AND EXPENSES

15. After negotiating the Corporate Governance Measures, Plaintiff's Counsel and Defendants separately negotiated the Fee and Expense Amount to be paid to Plaintiff's Counsel. In recognition of the substantial benefits conferred on Terex and its stockholders as a result of the Action and the Settlement, Defendants have agreed to cause their insurer to pay Plaintiff's Counsel attorneys' fees and expenses in the amount of \$350,000, subject to Court approval.

16. Terex (through its insurers) shall cause to be paid the attorneys' fees and expenses in the amount of \$350,000 within twenty (20) business days after the Court issues an order approving (or otherwise resolving) the agreed-to Fee and Expense Amount, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attacks on the Settlement or any part thereof. The Parties agree that the Fee and Expense Amount, or other fee and expense award approved by the Court, shall fully satisfy any and all claims for an award of attorneys' fees and expenses in connection with this Action.

17. Payment of the Fee and Expense Amount shall constitute final and complete payment for the Plaintiff's Counsel's attorneys' fees and expenses that have been incurred or will be incurred in connection with the filing and prosecution of the Action and the resolution of the claims alleged therein. Defendants and their counsel shall have no responsibility for the allocation

of the Fee and Expense Amount among Plaintiff's Counsel. Defendants and/or their insurers shall have no obligation to make any payment other than as provided in this Stipulation to Plaintiff or any of Plaintiff's Counsel. This Settlement is not contingent upon any particular amount of attorneys' fees and expenses being awarded by the Court.

18. If, after payment of the Fee and Expense Amount, the Settlement is terminated pursuant to the terms of this Stipulation or the award is reversed, vacated, or reduced by Final order, Plaintiff's Counsel shall, within thirty (30) calendar days after (a) receiving from Defendants' counsel notice of the termination of the Settlement; or (b) any order of a court of appropriate jurisdiction reversing, vacating, or reducing the Fee and Expense Amount becomes Final, make appropriate refunds or repayments to Terex or Defendants (or their insurers). Each Plaintiff's Counsel or Plaintiff that receives any portion of the Fee and Expense Amount is subject to the Court's jurisdiction for the purposes of enforcing this paragraph and other provisions related to the Fee and Expense Amount.

19. Except as otherwise provided in this Stipulation, each of the Parties shall bear his, her, or its own costs and attorneys' fees.

COOPERATION

20. In addition to the actions specifically provided for in this Stipulation, the Parties agree to use their best efforts from the date hereof to take, or cause to be taken, all actions, and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable laws, regulations, or agreements, to consummate and make effective this Stipulation and the Settlement. The Parties and their attorneys agree to cooperate fully with one another in seeking the Court's approval of the Settlement and to use their best efforts to effect the consummation of this Stipulation and the Settlement, including, but not limited to, resolving any objections raised with respect to the Settlement.

STIPULATION NOT AN ADMISSION

21. Neither this Stipulation nor any act or omission in connection therewith is intended or shall be deemed to be a presumption, concession or admission by: (i) any of the Defendants or any of the Released Defendants as to the validity of any claims, causes of action or other issues that were, might be, or have been raised in the Action, or in any other litigation, or to be evidence of or constitute an admission of wrongdoing or liability by any of them, and each of them expressly denies any such wrongdoing or liability; or (ii) Plaintiff as to the infirmity of any claim or the validity of any defense, or to the amount of any damages. The existence of this Stipulation, its contents or of any negotiations, statements or proceedings in connection therewith, shall not be offered or admitted in evidence or referred to, interpreted, construed, invoked or otherwise used by any Person for any purpose in the Action or otherwise, except as may be necessary to effectuate the Settlement. Notwithstanding the foregoing, any of the Released Parties may file this Stipulation or any judgment or order of the Court related hereto in any other action that may be brought against them, in order to support any and all defenses or counterclaims based on *res judicata*, collateral estoppel, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

NO WAIVER

22. Any failure by any Party to insist upon the strict performance by any other Party of any of the provisions of this Stipulation shall not be deemed a waiver of any of the provisions hereof, and such Party, notwithstanding such failure, shall have the right thereafter to insist upon the strict performance of any and all of the provisions in this Stipulation by such other Party. All waivers must be in writing and signed by the party against whom the waiver is asserted.

23. No waiver, express or implied, by any Party of any breach or default in the performance by any other Party of its obligations under this Stipulation shall be deemed or

construed to be a waiver of any other breach, whether prior, subsequent or contemporaneous, under this Stipulation.

AUTHORITY

24. This Stipulation will be executed by counsel to the Parties, each of which represents and warrants that he, she, or it has been duly authorized and empowered to execute this Stipulation on behalf of such Party, and that it shall be binding on such Party in accordance with its terms.

SUCCESSORS AND ASSIGNS

25. This Stipulation is, and shall be, binding upon, and inure to the benefit of, the Parties and their respective agents, spouses, heirs, predecessors, successors, personal representatives, representatives and assigns; provided, however, that no Party shall assign or delegate its rights or responsibilities under this Stipulation without the prior written consent of the other Parties.

BREACH

26. The Parties agree that in the event of any breach of this Stipulation, all of the Parties' rights and remedies at law, equity or otherwise, are expressly reserved.

GOVERNING LAW AND FORUM

27. This Stipulation shall be governed by, and construed in accordance with, the laws of the State of Connecticut, without regard to conflict of laws principles. Any action relating to this Stipulation will be filed exclusively in the Court. Each Party: (i) consents to personal jurisdiction in any such action (but no other action) brought in the Court; (ii) consents to service of process by registered mail upon such Party and/or such Party's agent; and (iii) waives any objection to venue in the Court and any claim that Connecticut or the Court is an inconvenient forum.

ENTIRE AGREEMENT

28. This Stipulation and the attached exhibits constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior or contemporaneous oral or written agreements, understandings or representations. All Parties agree that no representations, warranties or inducements have been made to any Party concerning this Stipulation or its exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. All Parties further agree that they are not relying on any representations, warranties or covenants that are not expressly contained and memorialized in this Stipulation or its exhibits. All of the exhibits hereto are material and integral parts hereof and are fully incorporated herein by reference.

INTERPRETATION

29. This Stipulation will be deemed to have been mutually prepared by the Parties and will not be construed against any of them by reason of authorship.

30. Section and/or paragraph titles have been inserted for convenience only and will not be used in interpreting the terms of this Stipulation.

31. The terms and provisions of this Stipulation are intended solely for the benefit of the Parties, and their respective successors and permitted assigns, and it is not the intention of the Parties to confer third-party beneficiary rights or remedies upon any other Person, except with respect to: (i) any attorneys' fees and expenses to be paid to Plaintiff's Counsel pursuant to the terms of this Stipulation; and (ii) the Released Parties who are not signatories hereto, who shall be third-party beneficiaries under this Stipulation and entitled to enforce it in accordance with its terms, but the consent of such third-party beneficiaries shall not be required to amend, modify or terminate this Stipulation.

AMENDMENTS

32. This Stipulation may not be amended, changed, waived, discharged or terminated (except as explicitly provided herein), in whole or in part, except by an instrument in writing signed by counsel to all of the Parties to this Stipulation, on behalf of each such Party.

COUNTERPARTS

33. This Stipulation may be executed in any number of actual, telecopied or electronically mailed counterparts and by each of the different Parties on several counterparts, each of which when so executed and delivered will be an original. This Stipulation will become effective when the actual, telecopied or electronically mailed counterparts have been signed by each of the Parties to this Stipulation and delivered to the other Parties. The executed signature page(s) from each actual, telecopied or electronically mailed counterpart may be joined together and attached and will constitute one and the same instrument.

CONTINUING JURISDICTION

34. The consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain exclusive jurisdiction for the purpose of enforcing the terms of this Stipulation.

b. 2. 4. The October 16, 2015 amendment to the Company's Bylaws, which replaced the requirement that "[t]he Chairman of the Board shall be the Chief Executive Officer of the Corporation," with the following: "The Board of Directors shall elect one of its members as either an Executive Chairman or a Non-Executive Chairman."
