**TEREX TO HOST INVESTMENT ANALYST MEETING
UPDATE – CHANGE IN VENUE TO STAMFORD MARRIOTT**

WESTPORT, CT, August 25, 2008 -- Terex Corporation (NYSE: TEX) is moving its Investment Analyst Meeting, still scheduled for September 4, 2008, from its Headquarters in Westport, Connecticut, to the Stamford Marriott in Stamford, Connecticut. This action is being taken due to the overwhelming response, which exceeds the capacity of the Terex facility.

Ronald M. DeFeo, Terex Chairman and Chief Executive Officer, Tom Riordan, President and Chief Operating Officer, Phil Widman, Chief Financial Officer, Segment Presidents, and other key executives, will provide insight into the Company's longer term strategies and activities that support these strategies. Terex also expects to cover operational and financial topics, as well as provide an update on current market trends impacting the longer term outlook.

Registration and breakfast will begin at 8:30 AM with formal presentations starting at 9:00 AM. The day's events, which include a round table luncheon, will conclude by approximately 4:00 PM.

A live webcast of the presentation, as well as copies of the presentation materials, will be available through the Company's website at <http://www.terex.com> under the Investor Relations section.

Since there is more space to accommodate additional attendees at the Stamford Marriott, we invite investment analysts to include colleagues. If you have not yet registered and plan to attend please send your business contact information to Elizabeth Gaal at elizabeth.gaal@terex.com as soon as possible.

Terex has reserved a block of overnight rooms at the Stamford Marriott for this event. Please contact the hotel directly at 203-977-1216 and reference the Terex Investor Day when making your reservation.

The Stamford Marriott is within walking distance of the Stamford train station and has sufficient parking for those who are driving. Please visit their website at www.stamfordmarriott.com for more information and directions.

Terex Corporation is a diversified global manufacturer with 2007 net sales of more than \$9.1 billion. Terex operates in five business segments: Terex Aerial Work Platforms, Terex Construction, Terex Cranes, Terex Materials Processing & Mining, and Terex Roadbuilding, Utility Products and Other. Terex manufactures a broad range of equipment for use in various industries, including the construction, infrastructure, quarrying, surface mining, shipping, transportation, refining, and utility industries. Terex offers a complete line of financial products and services to assist in the acquisition of Terex equipment through Terex Financial Services. More information on Terex can be found at www.terex.com.
