Vancouver, British Columbia: Trevali Mining Corporation (“Trevali” or the “Company”) (TSX: TV, BVL: TV; OTCQX: TREVF, Frankfurt: 4TI) today announced that it has entered into an underwriting agreement with a syndicate of underwriters in connection with its previously announced marketed offering of units (the “Offering”). RBC Capital Markets and Scotiabank are the lead underwriters in a syndicate that includes HSBC Securities (Canada) Inc., BMO Capital Markets, National Bank Financial Inc. and TD Securities Inc. (the “Underwriters”).

The Underwriters have agreed to purchase 162,162,162 units of the Company (each, a “Unit”) at a price of C\$0.185 (the “Offering Price”) for upsized gross proceeds of approximately C\$30 million. Each Unit is comprised of one common share (each, a “Common Share”) and one-half of one Common Share purchase warrant (each whole warrant, a “Warrant”), with each Warrant entitling the holder thereof to acquire one Common Share for a period of 18 months following the closing of the Offering at a price of C\$0.23. The Offering was made in Canada under a prospectus supplement dated November 25, 2020 (the “Supplement”) to the Company’s short form base shelf prospectus dated November 19, 2020, to be filed with the securities regulatory authorities in each of the provinces and territories of Canada. The Offering was conducted in each of the provinces and territories of Canada, other than Quebec, and in the U.S. by way of a private placement pursuant to exemptions from the registration requirements of the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”), and applicable U.S. state securities laws. Glencore plc, who currently holds 26.3% of the Company’s Common Shares, will exercise its pre-emptive participation rights in the Offering to purchase 42,600,605 Units.

The Company has also granted the Underwriters an over-allotment option (the “Over-Allotment Option”) to purchase up to an additional 24,324,324 Units (the “Additional Units”) at a price of C\$0.185 per Additional Unit to cover over-allotments, if any, and for market stabilization purposes. The Over-Allotment Option may be exercised by the Underwriters to acquire: (i) Additional Units at the Offering Price; (ii) additional Common Shares (the “Additional Shares”) at a price of C\$0.175 per Additional Share; (iii) additional Warrants (the “Additional Warrants”) at a price of C\$0.02 per Additional Warrant; or (iv) any combination of Additional Shares and/or Additional Warrants (so long as the aggregate number of Additional Shares and Additional Warrants which does not exceed 24,324,324 Additional Shares and 12,162,162 Additional Warrants).

The Company intends to use the net proceeds of the Offering for general corporate and working capital purposes, including advancing work on the Rosh Pinah 2.0 expansion study, including funding the feasibility study with respect to same, undertaking additional exploration work, continuing the study and potential restart of the Caribou operation, repaying additional amounts of the Company’s indebtedness and funding the Company’s working capital requirements.

Closing of the Offering is expected to occur on December 2, 2020, and will be subject to a number of conditions, including approval of the Toronto Stock Exchange.

The securities offered have not been and will not be registered under the U.S. Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor

shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Cautionary Note Regarding Forward-Looking Information and Statements

This news release contains "forward-looking information" within the meaning of Canadian securities legislation and "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 (collectively, "forward-looking statements"). Forward-looking statements are based on the beliefs, expectations and opinions of management of the Company as of the date the statements are published, and the Company assumes no obligation to update any forward-looking statement, except as required by law. In certain cases, forward-looking statements can be identified by the use of words such as "plans", "expects", "outlook", "guidance", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might", "will be taken", "occur" or "be achieved" or the negative of these terms or comparable terminology. The Forward-looking statements in this press release include, without limitation, statements with respect to the Offering, including the Company's completion thereof and the use of proceeds therefrom.

Forward-looking statements relate to future events or future performance and reflect management's expectations or beliefs regarding future events including the Company's ability to complete the Offering and the expected use of proceeds therefrom. By their very nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include, among others, risks related to the Offering, including that the Company may not be able to complete the Offering as described in this press release or at all; that the Company may not use the proceeds from the Offering as described in this press release; and other risks of the mining industry including, without limitation, other risks and uncertainties that are more fully described in the "Risks and Uncertainties" section of the Q3 2020 MD&A and the "Risk Factors" section of our most recently filed Annual Information Form. Although the

Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. Trevali provides no assurance that forward-looking statements will prove to be accurate, as actual results and future events may differ from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.
