- (c) The Chairperson shall be a director appointed by the Board for a one year term and may serve any number of consecutive terms.

Stock-based compensation is to be determined by the Board on Committee recommendation.
- (c) The Committee shall have unrestricted access to the Company's personnel and documents and will be provided with the resources necessary, including the engagement and compensation of outside advisors (at the Company's expense), to carry out its responsibilities.

- (h) Succession plans for the officers and for key employees of the Company; and
- (i) Any material changes or trends in human resources policy, procedure, compensation and benefits.

4. Meetings

- (a) The Committee will meet at least twice per year. In addition, the independent directors of the Committee will consider holding regularly scheduled meetings (or holding *in camera* sessions at regular Board meetings) at which members of management are not in attendance. All meetings will be scheduled to permit timely consideration of topics or responsibilities. Additional meetings may be held as deemed necessary by the Chairperson of the Committee or as requested by any member of the Committee.
