About Sidoti & Company

A leading provider of institutional-quality equity research focused on small, publicly-traded companies that meet our proprietary criteria, Sidoti's research coverage universe comprises nearly 300 companies across a range of industries. These companies typically have market capitalizations of less than \$3 billion and a history of profitability, and generally maintain strong balance sheets. Our approach affords institutional investor clients a combination of high-quality research, a small- and micro-cap company focused nationwide sales effort, broad access to corporate management teams and extensive trading support.

The Sidoti 2015 Emerging Growth Conference is a unique forum where emerging growth company management teams with a market cap of \$1 billion or less connect with small and micro-cap institutional investors, research analysts, investment bankers, private equity professionals and select media with the goal of expanding institutional awareness amongst key stakeholders in the investment community. The 2015 Emerging Growth Conference will be held on September 2, 2015 at the Marriott Marquis in Times Square New York. The event is one of the leading small and micro-cap investment conferences of the year featuring presentations by more than 50 public companies, with past attendance exceeding 475 investors.
