PROXY STATEMENT

This Proxy Statement contains information relating to the solicitation of proxies by the Board of Directors (the “Board”) of AutoNation, Inc. (“AutoNation” or the “Company”) for use at our 2019 Annual Meeting of Stockholders or any adjournment or postponement thereof. Our Annual Meeting will be held at AutoNation’s Headquarters, located at 200 SW 1st Ave, Fort Lauderdale, Florida 33301, on Thursday, April 18, 2019, at 8:00 a.m. Eastern Time.

Only stockholders of record as of the close of business on February 20, 2019 (the “record date”) are entitled to receive notice of the Annual Meeting and to vote at the Annual Meeting or any adjournments or postponements of the Annual Meeting. As of the record date, there were 90,058,836 shares of AutoNation common stock issued and outstanding and entitled to vote at the Annual Meeting. We made copies of this proxy statement available to our stockholders beginning on or about March 6, 2019.

Voting Matters

Quorum. The holders of at least 45,029,419 shares (a majority of shares outstanding on the record date) must be present in person or represented by proxy to conduct business at the Annual Meeting. Both abstentions and broker non-votes will be counted for the purpose of determining the presence of a quorum.

Voting by Stockholders of Record. If you are a stockholder of record (your shares are registered directly in your name with our transfer agent), you may vote by proxy via the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials. If you receive printed copies of the proxy materials by mail, you may also vote by proxy via the Internet, by telephone, or by mail by following the instructions provided on the proxy card. Stockholders of record who attend the Annual Meeting may vote in person by obtaining a ballot from the inspector of elections.

Voting by Beneficial Owners. If you are a beneficial owner of shares (your shares are held in the name of a brokerage firm, bank, or other nominee), you may vote by proxy by following the instructions provided in the Notice of Internet Availability of Proxy Materials, vote instruction form, or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. If you do not provide specific voting instructions to the nominee that holds your shares, such nominee will have the authority to vote your shares only with respect to the ratification of the selection of KPMG LLP as our independent registered public accounting firm (such proposal is considered a “routine” matter under NYSE rules), and your shares will not be voted and will be considered “broker non-votes” with respect to the other proposals (such proposals are considered “non-routine” matters under NYSE rules). To vote in person at the Annual Meeting, you must obtain a legal proxy from the brokerage firm, bank, or other nominee that holds your shares.

Changing Your Vote. You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may vote again on a later date via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the meeting will be counted), by signing and returning a new proxy card with a later date, or by attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request in writing that your prior proxy be revoked.

Votes Required to Adopt Proposals. Each share of our common stock outstanding on the record date is entitled to one vote on each of the nine director nominees and one vote on each other matter. To be elected, director nominees must receive a majority of the votes cast (the number of shares voted “for” a director nominee must exceed the number of votes cast “against” that nominee). Approval of each other matter on the agenda requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on the proposal.

Effect of Abstentions and Broker Non-Votes. For the election of directors, broker non-votes (shares held by brokers that do not have discretionary authority to vote on a proposal and have not received voting instructions from their clients) and abstentions will not be counted as having been voted. For Proposals 2 and 3, abstentions will be counted as present and entitled to vote and will have the same effect as negative votes. For Proposal 3, broker non-votes will not be counted as present and entitled to vote. Brokers will have discretionary authority to vote on Proposal 2 since it is considered a routine matter under NYSE rules.

Voting Instructions. If you complete and submit a proxy with voting instructions, the persons named as proxies will follow your instructions. If you are a stockholder of record and submit a proxy without voting instructions, or if your instructions are unclear, the persons named as proxies will vote as the Board recommends on each proposal. With respect to any other matters properly presented at the Annual Meeting, the persons named as proxies will vote as recommended by our Board of Directors, or if no recommendation is given, in their own discretion.

Proxy Solicitation

We will pay for the cost of soliciting proxies, and we have retained Innisfree M&A Incorporated to assist with the solicitation of proxies for an estimated fee of \$15,000 plus reimbursement for expenses. Our directors, officers, and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, email, or otherwise. As is customary, we will reimburse brokerage firms, banks, and other nominees for forwarding our proxy materials to each beneficial owner of common stock held of record by them.

Attending the Annual Meeting

You are entitled to attend the Annual Meeting only if you were an AutoNation stockholder as of the record date or you hold a valid proxy for the Annual Meeting. You may be asked to present valid photo identification and proof of stock ownership as of the record date to be admitted to the Annual Meeting. Directions to the Annual Meeting are provided under “Directions to the 2019 Annual Meeting of Stockholders of AutoNation, Inc.”

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Directors

The Board has nominated the nine persons listed below to stand for election for a term expiring at the 2020 Annual Meeting of Stockholders or until their successors are duly elected and qualified. See “Items To Be Voted On - Proposal 1: Election of Directors.” Tomago Collins, Kaveh Khosrowshahi, and Alison H. Rosenthal will not be seeking re-election to the Board at the Annual Meeting, when their current term is scheduled to expire.

Except for Thomas J. Baltimore, Jr., Steven L. Gerard, and Carl C. Liebert III, all of our director nominees were elected by our stockholders at our 2018 Annual Meeting of Stockholders. Rick L. Burdick, our Lead Independent Director and Chair of our Corporate Governance and Nominating Committee, suggested Messrs. Baltimore and Gerard as director nominees. The Board appointed Mr. Liebert as our Chief Executive Officer and President, and as a member of our Board, effective as of March 11, 2019. In accordance with the terms of his employment agreement with the Company, Mr. Jackson will become our Executive Chairman (including Chairman of the Board) until December 31, 2021, and he will no longer serve as our Chief Executive Officer and President, effective as of March 11, 2019.

Our Board nominees consist of a diverse group of leaders. Many of them have experience serving as executive officers or on boards and board committees of major companies. Many of them also have extensive corporate finance and investment banking experience as well as a broad understanding of capital markets.

We have set forth below information regarding each person nominated to stand for election, including the specific experience, qualifications, attributes, or skills that led the Board to conclude that such person should serve as a director. Our Corporate Governance and Nominating Committee and the Board believe that the experience, qualifications, attributes, and skills of our Board nominees provide the Company with the ability to address the evolving needs of the Company and represent the best interests of our stockholders.

David B. Edelson, age 59, has served as one of our directors since July 2008. Mr. Edelson is Senior Vice President and Chief Financial Officer of Loews Corporation, a diversified holding company with subsidiaries in the property-casualty insurance, offshore drilling, natural gas transmission and storage, packaging, and lodging industries. He served as a director of Joy Global, Inc. from 2001 until 2017, when it was acquired by Komatsu Mining Corp. Mr. Gerard has been recognized as an NACD Board Leadership Fellow. Mr. Gerard's extensive executive experience and service as a director of other public companies led the Board to conclude that he should serve as one of our directors.

Robert R. Grusky, age 61, has served as one of our directors since June 2006. In 2000, Mr. Grusky founded Hope Capital Management, LLC, an investment management firm for which he serves as Managing Member. From August 2014 until February 2019, Mr. Liebert served as the Executive Vice President and Chief Operating Officer of United Services Automobile Association ("USAA"), a Fortune 100 financial services company with over 12.8 million members, where he was responsible for USAA's business operations functions, including USAA's Bank, Investment, Life, Property and Casualty, Real Estate Investment Companies, and member contact functions. Corporate Governance Guidelines and Codes of Ethics

Our Board is committed to sound corporate governance principles and practices. Our Board's core principles of corporate governance are set forth in the AutoNation, Inc. Corporate Governance Guidelines (the "Guidelines"), which were adopted by the Board in March 2003 and most recently amended as of February 15, 2019. The Guidelines serve as a framework within which our Board conducts its operations. The Corporate Governance and Nominating Committee of our Board is charged with reviewing annually, or more frequently as appropriate, the Guidelines and recommending to our Board appropriate changes in light of applicable laws and regulations, the governance standards identified by leading governance authorities, and our Company's evolving needs.

In order to clearly set forth our commitment to conduct our operations in accordance with our high standards of business ethics and applicable laws and regulations, we have a company-wide Business Ethics Program, which includes a Code of Business Ethics applicable to all of our employees. We also maintain a 24-hour Alert-Line for employees to report any Company policy violations under our Business Ethics Program. In addition, our Board has adopted the Code of Ethics for Senior Officers and the Code of Business Ethics for the Board of Directors. These codes comply with NYSE listing standards.

A copy of the Guidelines and the codes referenced above are available on our corporate website at investors.autonation.com. You also may obtain a printed copy of the Guidelines and the codes referenced above by sending a written request to: Investor Relations, AutoNation, Inc., 200 SW 1st Ave, Fort Lauderdale, FL 33301.

Corporate Governance Highlights

- *Independent Board Chairman.* In February 2019, the Board amended our Guidelines to provide that, effective upon termination of Mr. Jackson's employment agreement, the general policy of the Board shall be that the Chairman of the Board should be an independent director. In addition, the Board has appointed Carl C. Liebert III to serve as our Chief Executive Officer and President and Mike Jackson to serve as our Executive Chairman (including Chairman of the Board) of the Board, effective as of March 11, 2019. Consistent with our Guidelines, the Board will continue to elect a Lead Independent Director until an independent Chairman of the Board is elected. See "Role of the Board and Board Structure" below.
- *Proxy Access.* Our bylaws permit a stockholder, or a group of up to 20 stockholders, who has owned 3% or more of our common stock for at least three years to nominate and include in our proxy materials director candidates representing up to the greater of two individuals or 20% of the Board, provided the stockholder(s) and the nominee(s) satisfy the requirements and conditions specified in our bylaws. See "Stockholder Proposals and Nominations for the 2020 Annual Meeting" below.

- *Majority Voting with Resignation Policy for Uncontested Director Elections.* Our Guidelines provide that an incumbent director who fails to receive a majority vote in an uncontested election shall tender his or her written resignation to the Chairman of the Board for consideration by the Corporate Governance and Nominating Committee.
- *Recoupment Policy.* In February 2015, the Board adopted the AutoNation, Inc. Policy Regarding Recoupment of Certain Incentive Compensation. Under the policy, if a covered officer engages in fraud, intentional misconduct, or gross negligence, and as a result, we are required to restate our financial statements due to material noncompliance with any financial reporting requirement, then we may require reimbursement or forfeiture of all or a portion of any excess incentive compensation paid to or received by such officer, during the three-year period preceding the date on which we are required to prepare the restatement, that would not have been paid or received under the specific terms of the applicable incentive award had the financial results been originally reported as set forth in the restatement. See “Compensation Discussion and Analysis - Policy Regarding Recoupment of Certain Incentive Compensation” below.
- *Stock Ownership Guidelines; Holding Requirement.* Our non-employee directors and executive officers are subject to robust stock ownership guidelines. In January 2017, the Board amended our executive stock ownership guidelines to provide that a covered executive is expected to retain 50% of any shares of our common stock, net of applicable tax withholding and the payment of any exercise or purchase price (if applicable), he or she receives upon the vesting or settlement of any equity awards or the exercise of any employee stock options, until the applicable threshold under the guidelines is met. See “Board Compensation - Director Stock Ownership Guidelines” and “Compensation Discussion and Analysis - Executive Stock Ownership Guidelines” below.

Role of the Board and Board Structure

Our business and affairs are managed under the direction of our Board, which is the Company’s ultimate decision-making body, except with respect to those matters reserved to our stockholders. Our Board’s mission is to maximize long-term stockholder value. Our Board establishes our overall corporate policies, selects and evaluates our senior management team, who is charged with the conduct of our business, and acts as an advisor and counselor to senior management. Our Board also oversees our business strategy and planning, as well as the performance of management in executing our business strategy, assessing and managing risks, and managing our day-to-day operations. Our Board reviews and approves the Company’s long-term strategic plan developed by management. Our Board also reviews management’s ongoing and long-term plans for capital allocation.

Our Board’s oversight of our business strategy and planning and management of our day-to-day operations includes a review of risks that could impact our goals, objectives, and financial condition. In addition, our Audit, Compensation, Corporate Governance and Nominating, Finance, and Technology committees assist the Board in overseeing our management of risk. Our Audit Committee reviews with management significant risks related to financial reporting and internal controls, as well as our process for assessing and managing risks. Our Compensation Committee reviews and approves our executive compensation program and also reviews the general compensation structure for our corporate and key field employees. Our Corporate Governance and Nominating Committee oversees our company-wide Business Ethics Program, which includes a Code of Business Ethics applicable to all of our employees. Our Finance Committee is responsible for reviewing and making recommendations to the Board with respect to our capital structure and our capital allocation strategy, as well as financial risk management strategies and policies. Our Technology Committee reviews with management our technology strategies and related risks. While our Board oversees our management of risk as outlined above, management is responsible for identifying and managing risks.

The positions of Chairman of the Board and Chief Executive Officer are both currently held by Mike Jackson. The Board believes that this leadership structure has worked well for several reasons, among them:

- Our Guidelines provide for the selection of a Lead Independent Director whenever the Chairman of the Board is not an independent director.
- We have a super-majority of independent directors and our Guidelines require that the Board include at least a majority of independent directors. Our independent directors meet in regularly scheduled executive sessions led by our Lead Independent Director without management present.

- Our Board has five standing committees: Audit, Compensation, Corporate Governance and Nominating, Finance, and Technology. Each of the Board committees is comprised solely of independent directors and has a separate chair. Our committees also meet in regularly scheduled executive sessions without management present.
- Our Board is stockholder-oriented and focused on the best interests of our stockholders, a significant portion of our director’s compensation is equity-based, and the Board has established strong director stock ownership guidelines requiring each non-employee director to hold shares of our common stock having a fair market value of not less than \$750,000 as discussed below under “Board Compensation.”
- Our Board has adopted strong and effective corporate governance policies and procedures to promote the effective and independent governance of the Company. See “Corporate Governance Guidelines and Codes of Ethics” and “Corporate Governance Highlights” above.

We believe that the current leadership structure of the Board supports its risk oversight functions by providing independent leadership at the committee level, executive sessions of the independent directors, and ultimate oversight by the full Board.

In February 2019, the Board amended our Guidelines to provide that, effective upon termination of Mr. Jackson’s employment agreement, the general policy of the Board shall be that the Chairman of the Board should be an independent director. In addition, the Board has determined to separate the positions of Chief Executive Officer and Chairman of the Board. Effective as of March 11, 2019, Carl C. Liebert III will serve as our Chief Executive Officer and President, and Mike Jackson will serve as our Executive Chairman.

In December 2018, our Board elected Mr. Burdick to serve as our Lead Independent Director in accordance with our Guidelines. The Lead Independent Director’s duties include:

- calling and presiding at executive sessions of the non-management directors and at meetings of the Board at which the Chairman is not present, and communicating feedback from such sessions and meetings to the Chairman and the Chief Executive Officer;
- serving as a liaison between the non-management directors, the Chairman and the Chief Executive Officer, and/or senior management (as applicable);
- reviewing and advising on Board meeting agendas, schedules, and materials;
- working with the Chairman and the Chief Executive Officer to approve the scope, quality, quantity, and timeliness of information sent to the Board;
- being available for communication with major stockholders, in coordination with the Chairman and the Chief Executive Officer; and
- performing such other duties as the Board may from time to time delegate.

In performing the duties described above, the Lead Independent Director is expected to consult with the chairs of the appropriate Board committees and solicit their participation in order to avoid diluting the authority or responsibilities of such committee chairs.

Our Board held thirteen meetings and took no action by unanimous written consent during 2018. In 2018, each person serving as a director attended at least 75% of the total number of meetings of our Board and any Board committee on which he or she served (held during the period for which such person has been a director). Our independent directors held four executive sessions without management present during 2018.

Our directors are expected to attend our Annual Meeting of Stockholders. Any director who is unable to attend our Annual Meeting is expected to notify the Chairman of the Board in advance of the Annual Meeting. Each person then serving as a director (other than Karen C. Francis who did not stand for re-election) attended the 2018 Annual Meeting of Stockholders.

Board Committees

Our Board has established five separately designated standing committees to assist the Board in discharging its responsibilities: the Audit Committee, the Compensation Committee, the Corporate Governance and Nominating Committee, the Finance Committee, and the Technology Committee. The charters for our Board committees are in compliance with applicable SEC rules and NYSE listing standards. These charters are available at investors.autonation.com. You may obtain a printed copy of any of these charters by sending a request to: Investor Relations, AutoNation, Inc., 200 SW 1st Ave, Fort Lauderdale, FL 33301.

Audit Committee

The Audit Committee primarily assists our Board in fulfilling its oversight responsibilities by reviewing our financial reporting and audit processes and our systems of internal control over financial reporting and disclosure controls. Among the Committee's core responsibilities are the following: (i) overseeing the integrity of our consolidated financial statements, for which management is responsible, and reviewing and approving the scope of the annual audit; (ii) selecting, retaining, compensating, overseeing, and evaluating our independent registered public accounting firm; (iii) reviewing the Company's critical accounting policies; (iv) reviewing the Company's quarterly and annual financial statements prior to the filing of such statements with the SEC; (v) preparing the Audit Committee report for inclusion in our proxy statement; and (vi) reviewing with management significant financial risks or exposures and assessing the steps management has taken to minimize, monitor, and control such risks or exposures. For a complete description of our Audit Committee's responsibilities, please refer to the Audit Committee's charter.

Our Board has determined that each Audit Committee member has the requisite independence and other qualifications for audit committee membership under SEC rules, NYSE listing standards, the Audit Committee's charter, and the independence standards set forth in the Guidelines (as discussed below under "Director Independence"). Our Board has also determined that each of Mr. Grusky and Mr. Edelson is an "audit committee financial expert" within the meaning of Item 407(d)(5) of Regulation S-K under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). See "Directors" above for a description of the business experience of each of Mr. Grusky and Mr. Edelson.

The Audit Committee held six meetings and took no action by unanimous written consent during 2018. The Audit Committee Report for 2018, which contains a description of the Audit Committee's responsibilities and its recommendation with respect to our audited consolidated financial statements for the year ended December 31, 2018, is set forth below under "Audit Committee Report."

Compensation Committee

The Compensation Committee primarily assists our Board in fulfilling its compensation oversight responsibilities by, among other things: (i) reviewing our director compensation program and suggesting changes in director compensation to the Board, if appropriate; (ii) reviewing and approving the compensation of our CEO and other senior executive officers and setting annual and long-term performance goals for these individuals; (iii) reviewing and approving the compensation of all of our corporate officers; (iv) reviewing the Company's program for management

development and succession planning; (v) reviewing and approving performance-based compensation of executive officers, including incentive awards and stock-based awards; and (vi) administering our equity compensation plans.

Pursuant to the Compensation Committee's charter, the Compensation Committee may form subcommittees and may delegate to such subcommittees any or all power and authority of the Compensation Committee as the Compensation Committee deems appropriate, provided that no subcommittee may consist of fewer than two members, and provided further that the Compensation Committee may not delegate to a subcommittee any power or authority required by any applicable laws, regulations, or listing standards to be exercised by the Compensation Committee as a whole.

The Compensation Committee reviews executive compensation at its meetings throughout the year and sets executive compensation. The Compensation Committee also reviews director compensation annually and recommends to the full Board the compensation for non-employee directors. Our CEO reviews the performance of other named executive officers and makes recommendations, if any, to the Compensation Committee with respect to compensation adjustments for such officers. However, the Compensation Committee determines in its sole discretion whether to make any adjustments to the compensation paid to such executive officers.

Since 2013, the Compensation Committee has engaged Pearl Meyer ("PM"), an independent compensation consulting firm, to provide research and analysis and to make recommendations as to the form and amount of executive and director compensation. The Compensation Committee sought input from PM on executive and director compensation matters for 2018, including the design and competitive positioning of our executive and director compensation programs, our peer group, appropriate compensation levels, and evolving compensation trends. While the Compensation Committee considered input from PM, the Compensation Committee's decisions reflect many factors and considerations.

PM does not provide any other services to the Company or its subsidiaries. The Compensation Committee assessed the independence of PM pursuant to SEC and NYSE rules and concluded that no conflict of interest exists that would prevent PM from serving as an independent consultant to the Compensation Committee. The Compensation Committee reviews the appointment of its independent compensation consulting firm annually. As part of the review process, the Compensation Committee considers the independence of the firm in accordance with applicable SEC rules and NYSE listing standards.

For more information on the responsibilities and activities of the Compensation Committee, including the Committee's processes for determining executive compensation, see "Executive Compensation" below, as well as the Compensation Committee's charter.

Our Board has determined that each Compensation Committee member has the requisite independence for Compensation Committee membership under NYSE listing standards and the independence standards set forth in the Guidelines. Our Board has also determined that each Compensation Committee member qualifies as a "non-employee director" within the meaning of Rule 16b-3 under the Exchange Act and as an "outside director" under Section 162(m) of the Code. The Compensation Committee held four meetings and took one action by unanimous written consent during 2018.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee assists our Board in fulfilling its oversight responsibilities by performing the following duties: (i) reviewing annually, or more frequently as appropriate, the corporate governance principles and practices set forth in the Guidelines, in comparison to the governance standards identified by leading governance authorities and our evolving needs, and making recommendations to the Board with respect to any appropriate amendment to the Guidelines; (ii) considering and advising the Board with respect to other corporate governance issues; (iii) periodically reviewing our codes of ethics and conduct for directors, officers, and employees; (iv) leading annual evaluations of Board and Board committee performance; (v) assessing periodically our Board's needs in terms of skills and qualifications and recommending to our Board candidates for nomination and election to our Board; (vi) reviewing Board candidates recommended by our stockholders; and (vii) recommending to our Board assignments to committees.

Our Board has determined that each Corporate Governance and Nominating Committee member is independent under NYSE listing standards and the independence standards set forth in the Guidelines. In 2018, the Corporate Governance and Nominating Committee held four meetings and took no action by unanimous written consent.

The Corporate Governance and Nominating Committee has a policy with regard to the consideration of director candidates recommended by stockholders. For information regarding this policy, refer to “Stockholder Communications - Stockholder Director Recommendations” below.

Finance Committee

The duties and responsibilities of the Finance Committee include reviewing and, where appropriate, making recommendations to the Board with respect to: (i) the Company’s capital structure and any material changes thereto, including potential issuances of debt or equity securities; (ii) the Company’s capital allocation strategy, processes and plans, including the Company’s cost of capital; (iii) share repurchase programs and debt repurchases; (iv) financial risk management strategies and policies, including hedging and the use of derivatives; and (v) the Company’s short-term investment policy.

Our Board has determined that each Finance Committee member is independent under NYSE listing standards and the independence standards set forth in the Guidelines. In 2018, the Finance Committee held five meetings and took no action by unanimous written consent.

Technology Committee

The duties and responsibilities of the Technology Committee include reviewing and, where appropriate, making recommendations to the Board with respect to: (i) the financial, strategic, and operational benefits of proposed technology-related projects, (ii) our technology strategies, including our existing capabilities, infrastructure, and systems, (iii) the quality and effectiveness of our technology security systems, and (iv) existing trends in information technology and new technologies, applications, and systems.

Our Board has determined that each Technology Committee member is independent under NYSE listing standards and the independence standards set forth in the Guidelines. The Technology Committee held five meetings and took no action by unanimous written consent during 2018.

Director Independence

Under our Guidelines, our Board must consist of a substantial majority of directors who qualify as independent directors under the listing standards of the NYSE. To be considered independent:

- our Board must affirmatively determine that a director has no material relationship with the Company (either directly or as a partner, stockholder, or officer of an organization that has a relationship with the Company); and
- a director must not have a disqualifying relationship, as set forth in the NYSE listing standards.

To assist the Board in determining whether a director is independent, our Board has established director independence standards, which are part of our Guidelines available at investors.autonation.com. Under our director independence standards, none of our non-employee directors or director nominees has a material relationship with the Company that impairs his or her independence, and our Board has affirmatively determined that all of our directors and director nominees, except for Mr. Jackson, our current Chairman, Chief Executive Officer and President, and Mr. Liebert, who has been appointed as our Chief Executive Officer and President (effective as of March 11, 2019), are “independent” under our director independence standards and the listing standards of the NYSE.

In addition to our independence standards, the directors who serve on our Audit Committee each satisfy standards established by the SEC providing that to qualify as “independent” for the purposes of membership on that committee, members of audit committees may not:

- accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any of its subsidiaries other than their director compensation, or
- be an affiliated person of the Company or any of its subsidiaries.

In accordance with the listing standards of the NYSE, in affirmatively determining the independence of each director who serves on our Compensation Committee, our Board also considered all factors specifically relevant to determining whether each such director has a relationship to the Company which is material to his or her ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to:

- the source of compensation of each such director, including any consulting, advisory, or other compensatory fee paid by the Company to him or her, and
- whether he or she is affiliated with the Company, a subsidiary of the Company, or an affiliate of a subsidiary of the Company.

Director Selection Process

The Corporate Governance and Nominating Committee is responsible for identifying, evaluating, and recommending candidates to the Board for nomination and election to the Board. The Committee is also responsible for assessing the appropriate balance of skills and characteristics required of our Board members. The Committee considers candidates suggested by its members and other Board members, as well as management and stockholders.

In accordance with the Guidelines, candidates, including candidates recommended by stockholders, are selected on the basis of, among other things, broad experience, financial expertise, wisdom, integrity, ability to make independent analytical inquiries, understanding of our business environment, the candidate's ownership interest in the Company, and willingness and ability to devote adequate time to Board duties, all in the context of assessing the needs of our Board at that point in time and with the objective of ensuring diversity in the background, experience, and viewpoints of our Board members. The Guidelines provide that the number of directors should permit diversity of experience without hindering effective discussion, diminishing individual accountability, or exceeding a number that can function efficiently as a body.

The Board periodically reviews the size of the Board to determine the size that will be most effective for the Company. In addition, the Board completes an annual self-evaluation, which includes a self-assessment questionnaire for each Board member. The self-assessment questionnaire addresses topics such as the structure of the Board, the skills and backgrounds of the current directors, the size of the Board, and the Board's committee structure. Each of the Audit, Compensation, Corporate Governance and Nominating, Finance, and Technology committees also completes an annual self-evaluation, which includes a self-assessment questionnaire tailored specifically for each committee.

Candidates recommended by our stockholders are considered on the same basis as if such candidates were recommended by one of our Board members or other persons. See "Stockholder Communications - Stockholder Director Recommendations" below.

Certain Relationships and Related Party Transactions

Our Board has adopted a written policy which requires that transactions with related parties must be entered into in good faith on fair and reasonable terms that are no less favorable to us than those that would be available in a comparable transaction in arm's-length dealings with an unrelated third party. Our Board, by a vote of the disinterested directors, must approve all related party transactions valued over \$500,000, while our Audit Committee must approve all related party transactions valued between \$100,000 and \$500,000 and review with management all other related party transactions. Under SEC rules, a related party is defined as any director, executive officer, nominee for director, or greater than 5% stockholder of the Company, and their immediate family members. Since the beginning of 2018, the Company has not participated in any related party transaction in which any related party had or will have a direct or indirect material interest.

Board Compensation

Our non-employee director compensation program is designed to:

- ensure alignment with long-term stockholder interests;
- ensure we can attract and retain outstanding directors who meet the criteria outlined under "Director Selection Process" above; and
- recognize the time commitments necessary to oversee the Company.

Summary

For 2018, our non-employee director compensation program consisted of the following:

- annual Board retainer of \$50,000 for each non-employee director;
- annual retainer of \$25,000 for the Lead Independent Director;
- annual committee retainers of \$20,000 for the Chair of the Audit Committee and \$10,000 for the Chair of each of the Compensation, Corporate Governance and Nominating, Finance, and Technology Committees;
- annual award of restricted stock units based on a fixed dollar value of \$250,000 as described further below; and
- expense reimbursement in connection with Board and committee meeting attendance.

On January 2, 2018, each of our non-employee directors received a grant of 4,764 (calculated by dividing \$250,000 by the closing price of our common stock on the grant date and rounding down to the nearest whole number) vested restricted stock units (“RSUs”) under the AutoNation, Inc. 2014 Non-Employee Director Equity Plan (as amended, the “2014 Director Plan”), which was approved by our stockholders at our 2014 Annual Meeting of Stockholders. The RSUs will settle in shares of the Company’s common stock on the first trading day of February in the third year following the date of grant, except to the extent a recipient elected to defer settlement of the RSUs beyond such date in accordance with the terms of the award and the 2014 Director Plan. Settlement of the RSUs will be accelerated in certain circumstances as provided in the terms of the award and the 2014 Director Plan, including in the event the recipient ceases to serve as a non-employee director of the Company. If the Company pays a dividend with respect to its common stock, each RSU award will be credited with a number of additional RSUs equal to (i) the aggregate amount or value of the dividends paid with respect to the number of shares subject to the award on the dividend record date divided by (ii) the fair market value per share on the payment date for such dividend. Any such additional RSUs will be subject to the same terms and conditions of the award, and the shares subject to such additional RSUs will be distributed only upon the distribution of the underlying shares with respect to which the dividend equivalents were granted.

Our non-employee directors became eligible to defer all or a portion of their annual and committee retainers under the AutoNation, Inc. Deferred Compensation Plan (the “DCP”) beginning in January 2011. Please refer to “Executive Compensation - Compensation Tables - Non-Qualified Deferred Compensation in Fiscal 2018” for additional information regarding the DCP.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our directors, certain of our officers, and persons who beneficially own more than 10% of our stock file with the SEC initial reports of ownership and reports of changes in ownership of our stock and our other equity securities. Based solely on a review of the copies of such reports furnished to us during the year ended December 31, 2018, and written representations that no reports on Form 5 were required, our directors, executive officers, and greater than 10% beneficial owners complied with all such applicable filing requirements.

EXECUTIVE COMPENSATION
COMPENSATION COMMITTEE REPORT

The following statement made by our Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such statement by reference.

The Compensation Committee of the Company has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and, based on such review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

Our compensation programs are administered by the Compensation Committee (referred to as the “Committee” in this section) of the Board. The Committee primarily assists our Board in fulfilling its compensation oversight responsibilities by, among other things:

- reviewing our director compensation program and suggesting changes in director compensation to the Board, if appropriate;
- reviewing and approving the compensation of our CEO and other senior executive officers and setting annual and long-term performance goals for these individuals;
- reviewing and approving the compensation of all of our corporate officers;
- reviewing the Company’s program for management development and succession planning;
- reviewing and approving performance-based compensation of executive officers, including incentive awards and stock-based awards; and
- administering our equity compensation plans.

From January 1, 2018 through December 16, 2018, the Committee consisted of Messrs. Larson, Burdick, and Mikan, with Mr. Larson serving as Chair of the Committee. Since December 17, 2018, the Committee has consisted of Messrs. Burdick and Mikan, with Mr. Mikan serving as Chair of the Committee.

This section discusses the Company’s compensation policies and programs as it relates to the following “named executive officers” whose compensation information is presented in the tables that follow:

Mike Jackson	Chairman of the Board, Chief Executive Officer and President
Cheryl Miller	Executive Vice President and Chief Financial Officer
Lance Iserman	Former Executive Vice President, Sales and Chief Operating Officer
Dennis G. Berger	Former Executive Vice President and Chief Human Resources Officer
Thomas M. Conophy	Former Executive Vice President and Chief Technology Officer

Messrs. Iserman and Conophy left the Company effective as of January 7, 2019. Mr. Berger joined the Company on March 31, 2018 and left the Company effective as of January 31, 2019. See “Potential Payments Upon Termination or Change in Control - Named Executive Officer Departures” for a description of the separation agreements we entered into with Messrs. Iserman, Berger, and Conophy in connection with their separations of employment.

Compensation Philosophy and Objectives

The Committee’s fundamental philosophy is to closely link executive compensation with the achievement of performance goals, which are reviewed by our Board, and to create an owner-oriented culture. The Committee’s objectives in administering our compensation program for executive officers are to ensure that we are able to attract and retain highly-skilled executives and to provide a compensation program that incentivizes management to optimize business performance, deploy capital productively, and increase long-term stockholder value. The Committee also believes that overall compensation should be fair for the services rendered and that the compensation structure should be transparent, which is why the key components of executive compensation are limited to a base salary, an annual performance incentive award based solely on the achievement of a pre-established performance goal, and long-term incentive awards in the form of stock-based awards. The Committee strives to ensure executive compensation aligns management with the Company’s annual and long-term plans and strategy.

Setting Compensation Levels of Executive Officers

The Committee reviews executive compensation at its meetings throughout the year and sets executive compensation based primarily on our financial and operating performance and on executive management’s performance in executing the Company’s business strategy, optimizing the Company’s business performance and productivity of its business operations, and increasing long-term stockholder value. The Committee also considers the scope of an

executive's duties and responsibilities and individual executive performance. Our CEO reviews the performance of other named executive officers and makes recommendations, if any, to the Committee with respect to compensation adjustments for such officers. However, the Committee determines in its sole discretion whether to make any adjustments to the compensation paid to such executive officers.

For 2018, as in prior years, a significant portion of each named executive officer's total compensation was allocated to compensation in the form of an annual performance-based incentive award and stock-based awards in order to provide incentives to create and maintain long-term stockholder value. The Committee also reviewed and considered total compensation in setting each element of compensation for our named executive officers.

The Role of the Compensation Consultant. Since 2013, the Committee has engaged PM, an independent compensation consulting firm, to provide research and analysis and to make recommendations as to the form and level of executive compensation. The Committee sought input from PM on executive compensation matters for 2018, including the design and competitive positioning of our executive compensation program, our peer group, appropriate compensation levels, and evolving compensation trends. See "Board of Directors and Corporate Governance - Board Committees - Compensation Committee" above for more information regarding the Committee's engagement of PM.

The Role of Peer Companies and Benchmarking. As part of its review of executive compensation for 2018, the Committee reviewed the executive compensation arrangements at peer group companies. Our peer group includes comparable specialty retail companies based on specific financial measures, including, but not limited to, revenue, total assets, market capitalization, and net income. For purposes of 2018 executive compensation decisions, the Committee undertook a review of the peer group used for 2017 with the assistance of PM. The Committee determined, in consultation with PM, that, for 2018, Staples, Inc. should be removed from the peer group since it is no longer publicly-traded. For 2018, our peer group consisted of the following companies:

AutoZone, Inc.	GameStop Corp.	Nordstrom, Inc.
Bed Bath & Beyond Inc.	The Gap, Inc.	Ross Stores, Inc.
Best Buy Co., Inc.	Genuine Parts Company	Tiffany & Co.
CarMax, Inc.	Kohl's Corporation	The TJX Companies, Inc.
Dollar General Corporation	L Brands, Inc.	
Dollar Tree, Inc.	Macy's Inc.	

The Committee reviewed the executive compensation benchmark data, including a report prepared by PM containing its findings, data, and recommendations, in order to evaluate and confirm whether our executive compensation was within a reasonably competitive range and to set executive compensation for 2018. The Committee, however, did not set executive compensation at a specific target percentile within the peer group. The Committee focuses on providing compensation that is fair for the services rendered and reflects an executive's experience, performance, and scope of responsibilities, closely linking executive compensation with the achievement of Company performance goals, and creating an owner-oriented culture, where the interests of our executive officers are aligned with the long-term interests of our stockholders.

2018 Executive Compensation Elements

The key elements of our executive compensation program for the year ended December 31, 2018 were:

- base salary;
- an annual incentive award; and
- long-term incentive compensation in the form of performance-based restricted stock units ("RSUs").

Executive officers are also entitled to limited perquisites and other benefits as outlined below under "Perquisites and Other Benefits." The following is a summary of the considerations underlying each component of compensation paid to our named executive officers for 2018.

Base Salary

We provide our named executive officers and other officers with a base salary to compensate them for services rendered during the fiscal year. The Committee reviews and, as appropriate, adjusts the base salaries for our named

executive officers. The factors that the Committee considers in setting salaries include the scope of job responsibilities, individual contributions to our success, company-wide performance, and market compensation.

For 2018, the Committee, advised by PM and based on a review of the factors set forth above, adjusted the annual base salaries for each of our named executive officers other than Mr. Berger. Effective as of February 16, 2018, the annual base salary for Mr. Jackson, Ms. Miller, Mr. Iserman, and Mr. Conophy was \$1,300,000, \$700,000, \$775,000, and \$620,000, respectively.

Annual Incentive Awards

2018 Incentive Awards

A core component of our compensation program is the AutoNation Operating Performance incentive plan (the “AOP”), the annual incentive compensation program in which incentive award-eligible, corporate-level employees participate. The AOP is designed to incentivize management to continually improve our operating performance and to use capital to maximize returns. In February 2018, the Committee established a performance goal under the AOP for 2018 based upon a specified level of adjusted operating income per basic share, taking into consideration our 2017 financial results, planned capital investments, anticipated corporate transactions, macroeconomic factors, payout opportunities, and pay-for-performance alignment.

The following table sets forth the 2018 threshold, target, and maximum payout levels established under the AOP based on the adjusted operating income per basic share performance metric:

2018 Incentive Awards			
Performance		Payout	
Threshold	\$7.52		50%
Target	\$8.36		100%
Maximum	\$10.03		200%

In calculating the level of our performance under the AOP, certain adjustments are made to operating income per basic share to ensure that operating performance is fairly measured to incentivize management appropriately. For example, floorplan interest expense is charged against operating income to ensure management manages this expense. On a U.S. generally accepted accounting principles basis, floorplan interest expense is not included in operating income. Operating income per basic share is also adjusted for acquisitions and to reflect a capital charge for the repurchase of shares of our common stock. The capital charge is designed to encourage more productive uses of capital and to discourage less productive uses of capital. The Committee also has the authority to make, and from time to time makes, appropriate equitable adjustments to reflect the impact of unusual or infrequently occurring items.

At the same time that the Committee established a performance goal under the AOP, the Committee established an incentive compensation program for 2018 under the AutoNation, Inc. 2017 Employee Equity and Incentive Plan (the “2017 Plan”), which was approved by our stockholders at our 2017 Annual Meeting of Stockholders, using the same performance goal established under the AOP, for each person then serving as an executive officer of the Company, including each of our named executive officers. The participants under the 2017 Plan for 2018 incentive award-purposes did not participate in the AOP.

One hundred percent of the target incentive award for each participant in the AOP and the 2017 Plan was based upon achievement of the predetermined performance goal. Incentive awards under the AOP and the 2017 Plan were payable on a sliding scale based on the Company’s actual achievement relative to the predetermined goal, with the possibility that awards earned may exceed or be less than the targeted payout level. The Committee had absolute “negative discretion” to eliminate or reduce the amount of any award under the AOP and the 2017 Plan.

In 2016, as part of its retention efforts with respect to Mr. Jackson, the Committee established a three-year deferred incentive compensation program for Mr. Jackson (referred to as the “Deferred Bonus Program”), which provided that a portion of the incentive compensation earned by Mr. Jackson (equal to the amount earned in respect of 33 1/3% of his base salary) for each of 2016, 2017, and 2018 would be paid to him on a deferred basis in February 2019 (without interest), subject to certain terms and conditions.

The following table sets forth the 2018 threshold, target, and maximum awards, expressed as a percentage of salary, established by the Committee for each named executive officer under the 2017 Plan.

Participant	Threshold	Target	Maximum
Mike Jackson	100.00%	200%	400%
Cheryl Miller	35.00%	70%	140%
Lance Iserman	35.00%	70%	140%
Dennis G. Berger	35.00%	70%	140%
Thomas J. Conophy	35.00%	70%	140%

Actual results for 2018 were above the threshold level of performance and below the performance target set by the Committee, and, as a result, the annual cash incentive payouts to our named executive officers (and all other eligible employees) were below target. Based on our financial performance against the performance target, incentive awards under the AOP and the 2017 Plan were paid at 75.5% of the targeted levels. The following table sets forth our performance under the AOP and the 2017 Plan for 2018:

2018 Performance Metric	Target	Attainment	Payout
Adjusted Operating Income Per Basic Share	\$8.36	\$7.95	75.5%

Actual payouts to our named executive officers are shown in the table titled “Summary Compensation Table” below. The portion of the 2016, 2017, and 2018 incentive compensation earned by Mr. Jackson that was subject to the Deferred Bonus Program (total of \$1,110,375) was paid to Mr. Jackson during the first quarter of 2019.

Long-Term Incentive Awards

The Committee grants stock-based awards to our named executive officers in order to provide long-term incentives, which align the long-term interests of management with the long-term interests of our stockholders. The Committee believes that stock-based awards motivate our named executive officers to focus on optimizing our long-term business performance and stockholder value and create an owner-oriented culture. For 2018, the Committee administered our equity compensation plans and approved all stock-based awards under the 2017 Plan.

Stock-based awards are approved on an annual basis in amounts determined by the Committee, while carefully considering the cost to us and our stockholders, including common stock dilution. For 2018, the sum of all stock-based awards granted to AutoNation employees represented potential share issuances equal to approximately 0.7% of our outstanding shares of common stock, based on the number of shares of our common stock outstanding at the beginning of 2018.

In January 2018, the Committee, advised by PM and based on a review of peer group and market data, approved the 2018 long-term incentive plan under the 2017 Plan, which included performance-based RSU awards (the “2018 RSU Awards”). The 2018 RSU Awards were granted to Messrs. Jackson, Iserman, and Conophy and Ms. Miller on March 1, 2018, and to Mr. Berger on April 2, 2018.

For 2018, each of our named executive officers received four awards of performance-based RSUs. Each award was granted subject to the achievement by the Company of not less than \$400 million of “EBIT” (defined as gross profit, less selling, general, and administrative expenses, floorplan interest expense, and depreciation and amortization) for fiscal year 2018 (the “2018 Performance Goal”).

The first grant, representing approximately two-thirds of the total number of RSUs granted to each named executive officer in 2018, is subject only to the 2018 Performance Goal and a four-year vesting schedule pursuant to which 25% of the grant vests on each of the first four anniversaries of March 1, 2018. The second, third, and fourth grants (collectively, the “2018-2020 RSUs”), together representing approximately one-third of the total number of RSUs granted to each named executive officer in 2018, are each subject to a three-year performance period (fiscal years 2018-2020) based on an additional measure of earnings for the second grant (referred to as “EBITDA” below), a measure of return on invested capital for the third grant (referred to as “ROIC” below), and certain customer satisfaction indices for the fourth grant (referred to as “CSI” below). The second, third, and fourth grants represented 40%, 40%, and 20%, respectively, of the total number of 2018-2020 RSUs granted to our named executive officers in 2018.

The 2018-2020 RSUs will cliff vest following the three-year performance period, with zero to 150% of the target number of shares vesting depending on the Company's performance relative to the applicable performance goal. Target levels of EBITDA, ROIC, and CSI were established by the Committee in February 2018 after consultation with PM and a review of the strategic plan for fiscal years 2018-2020. The Committee chose EBITDA as a performance measure because they believe that it is a strong indicator of overall financial performance and a key indicator used by industry analysts to evaluate operating performance and that it motivates our executives to drive company growth and profitability. The ROIC measure is intended to hold executives accountable for returns on capital investments. The CSI measure is intended to increase customer satisfaction and retention. The Committee believes that these performance measures appropriately align the interests of our executive officers with the interests of our stockholders, incentivize our executives to strive for continuously improving performance, and provide variable compensation based on performance achieved against pre-established goals.

In addition to the 2018 RSU Awards described above, in connection with his recruitment to the Company, Mr. Berger received an award of 22,021 restricted stock units on April 2, 2018, subject to a three-year vesting schedule pursuant to which one-third of the grant is scheduled to vest on each of the first three anniversaries of April 2, 2018.

Perquisites and Other Benefits

Our compensation program for named executive officers also includes limited perquisites and other benefits, including participation in the Company's life and health insurance and similar benefit programs (including the AutoNation 401(k) Plan and the AutoNation, Inc. Deferred Compensation Plan) on the same general terms as other participants in these programs, participation in Company car programs entitling the executives to a demonstrator vehicle and/or a vehicle allowance, use of an on-site fitness facility, personal use of sporting or entertainment events, and occasional use of secretarial services with respect to personal matters. In addition, Mr. Jackson's employment agreement provides for personal use of corporate aircraft of up to 70 hours per year.

Employment Agreement with CEO

In September 2018, we entered into an amended employment agreement with Mike Jackson, pursuant to which Mr. Jackson will continue to serve as Chairman, Chief Executive Officer and President of the Company until March 11, 2019. The Committee believes that entering into the amended employment agreement with Mr. Jackson furthered our efforts to retain him and ensured a smooth transition in executive leadership. As disclosed in a Current Report on Form 8-K filed with the SEC on February 22, 2019, the Board appointed Carl C. Liebert III as our Chief Executive Officer and President, and as a member of our Board, effective as of March 11, 2019. In accordance with the terms of his employment agreement with the Company, Mr. Jackson will become our Executive Chairman until December 31, 2021, and he will no longer serve as our Chief Executive Officer and President, effective as of March 11, 2019. See "Summary Compensation Table" below for more information.

Severance and Change in Control Policy and Agreements for Post-Termination Payments

We have a policy governing severance and change in control agreements with the Company's named executive officers, which is set forth in our Corporate Governance Guidelines. Generally, the policy provides that we will not enter into any severance agreements with senior executives that provide specified benefits in an amount exceeding 299% of the sum of such executive's base salary plus bonus unless such severance agreement has been submitted to a stockholder vote. Further, unless such severance agreement has been submitted to a stockholder vote, we will not enter into a severance agreement that provides for the payment of specified benefits to an executive triggered by (i) a change in control of our Company that is approved by stockholders but not completed, or (ii) a completed change in control of the Company in which the named executive officer remains employed in a substantially similar capacity by the successor entity. We have not entered into any change in control agreements with any of our named executive officers.

Our employment agreement with Mr. Jackson provides for payments or benefits to him at, following, or in connection with, termination under certain circumstances. We do not have employment agreements with the other named executive officers covered by this Proxy Statement. The 2017 Plan, which is our active equity compensation plan, provides for vesting of unvested awards if they are not continued, assumed, or substituted, or in the event a qualifying termination of employment occurs within 24 months, following a change in control. The AutoNation, Inc. 2008 Employee Equity and Incentive Plan provides for accelerated vesting of unvested awards in the event of a change in control. These provisions are designed to promote stability and continuity of senior management.

In April 2018, the Board adopted the AutoNation, Inc. Executive Severance Plan (the “Severance Plan”) to help retain key employees and maintain a stable work environment by providing severance benefits to covered employees in the event of certain terminations of employment. Under the Severance Plan, in the event a covered employee is terminated without cause, or a covered employee terminates his or her employment for good reason, as long as such person (a) is not in material breach of any restrictive covenant agreement with the Company, (b) does not breach any such restrictive covenant agreement as if it had been in effect through the 18-month period following the applicable termination date, and (c) signs a waiver and release of claims, then such person will be entitled to receive:

- in equal installments over 18 months, 1.5 times the sum of such person’s annual base salary and target annual bonus,
- in a lump sum at the same time bonuses are paid to active employees generally, an amount equal to such person’s annual bonus as determined by the Committee, pro-rated for the number of days the person was employed during the calendar year through the applicable termination date, and
- a payment equal to the cost of health insurance coverage, grossed up for taxes, based on such person’s then-current elections for an 18-month period.

Each of our named executive officers, other than Mr. Jackson, was covered by the Severance Plan as of December 31, 2018. See also “Potential Payments Upon Termination or Change in Control” below.

Policy Regarding Recoupment of Certain Incentive Compensation

In February 2015, the Board adopted the AutoNation, Inc. Policy Regarding Recoupment of Certain Incentive Compensation (the “Recoupment Policy”). Under the Recoupment Policy, if an officer (as defined for purposes of Section 16 of the Securities Exchange Act of 1934, as amended) of the Company engages in fraud, intentional misconduct, or gross negligence, and as a result, we are required to restate our financial statements due to material noncompliance with any financial reporting requirement, then we may require reimbursement or forfeiture of all or a portion of any excess incentive compensation paid to or received by such officer, during the three-year period preceding the date on which we are required to prepare the restatement, that would not have been paid or received under the specific terms of the applicable incentive award had the financial results been originally reported as set forth in the restatement. Each of our named executive officers is covered by the Recoupment Policy. A copy of the Recoupment Policy is available at investors.autonation.com.

Consideration of the Company’s Stockholder Vote on Executive Compensation

At both our 2011 and 2017 Annual Meetings of Stockholders, our stockholders voted, on an advisory basis, to approve a triennial holding of the advisory vote on executive compensation. In addition, at our 2011, 2014, and 2017 Annual Meetings of Stockholders, our executive compensation program was approved by our stockholders, on an advisory basis, by more than 96%, 98%, and 98% of the votes cast, respectively. The Committee believes that the positive outcomes of the “say-on-pay” votes demonstrate strong stockholder support for the compensation programs established by the Committee for our named executive officers, and accordingly, it has not changed its overall approach.

Tax Policies

To maintain flexibility and the ability to pay competitive compensation, we do not require all compensation to be deductible. Prior to 2018, Section 162(m) of the Code generally limited to \$1.0 million the amount of non-performance-based remuneration that the Company could deduct in any calendar year for certain executive officers. We structured our annual incentive awards and long-term incentive awards with the intention of meeting the exception to this limitation for “performance-based” compensation, as defined in Section 162(m) of the Code, so that these amounts could be fully deductible for income tax purposes.

Effective January 1, 2018, the exemption from the Section 162(m) deduction limit for performance-based compensation has been repealed, such that compensation paid to our named executive officers in excess of \$1.0 million will not be deductible unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017. We will continue to maintain flexibility and the ability to pay competitive compensation by not requiring all compensation to be deductible.

Executive Stock Ownership Guidelines

In order to further align the long-term interests of management and stockholders and to ensure an owner-oriented culture, the Board has established stock ownership guidelines for our Chief Executive Officer and President and each Executive Vice President. These guidelines provide that the Board expects that the person(s) holding the offices of Chief Executive Officer and/or President will hold shares of our common stock having a fair market value of not less than four times his or her annual base salary and that each Executive Vice President will hold shares of our common stock having a fair market value of not less than two times his or her annual base salary. In January 2017, the Board amended these guidelines to provide that a covered executive is expected to retain 50% of any shares of our common stock, net of applicable tax withholding and the payment of any exercise or purchase price (if applicable), he or she receives upon the vesting or settlement of any equity awards or the exercise of any employee stock options, until the applicable threshold under the guidelines is met. In addition, the amended guidelines provide that each covered executive is expected to satisfy the guidelines by the later of January 31, 2022 or five years after he or she became a covered executive.

The following table sets forth information regarding the number and dollar value of shares held by each of our executive officers as of February 20, 2019, and lists the specific ownership requirements under the ownership guidelines. Each of our executive officers has satisfied such guidelines or has time remaining to do so.

- (2) The value of the shares is based on the closing price of our common stock on February 20, 2019 (\$39.11).

Conclusion

The Committee believes that our compensation programs appropriately reward executive performance and align the interests of our named executive officers and key employees with the long-term interests of our stockholders, while also enabling the Company to attract and retain talented executives. The Committee will continue to evolve and administer our compensation program in a manner that the Committee believes will be in the best interests of our Company and our stockholders.

For additional information regarding the calculation of these amounts, see Note 13 of the Notes to Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended December 31, 2018.

Assuming the highest level of performance is achieved under the applicable performance conditions, the maximum possible value of the performance-based RSUs granted to our named executive officers in 2018 as of the grant date would be as follows:

Mr. Jackson	Ms. Miller	Mr. Iserman	Mr. Berger	Mr. Conophy

- (2) The amounts reported for personal usage by Mr. Jackson of corporate aircraft are calculated based on the aggregate incremental cost to the Company. Such incremental cost to the Company is calculated based on the direct operating costs to the Company, including fuel costs, crew fees and travel expenses, trip-related repairs and maintenance, landing fees, and other direct operating costs. The amounts reported for personal usage of cars are based on imputed income attributable to each named executive officer calculated in accordance with Treasury regulations, which amounts we believe are equal to or greater than our incremental costs of providing such usage. In addition to the perquisites and other benefits identified in the footnotes below, our named executive officers also are eligible to use our on-site fitness facility, and from time to time, use our tickets for sporting and entertainment events for personal purposes, and receive occasional secretarial support with respect to personal matters. These items do not represent incremental costs to the Company.

Employment Agreement with Mr. Jackson. In September 2018, we entered into an amended employment agreement with Mr. Jackson, pursuant to which he will continue to serve as Chairman, Chief Executive Officer and President of the Company until March 11, 2019. As disclosed in a Current Report on Form 8-K filed with the SEC on February 22, 2019, the Board appointed Carl C. Liebert III as our Chief Executive Officer and President, and as a member of our Board, effective as of March 11, 2019. In accordance with the terms of his employment agreement with the Company, Mr. Jackson will become our Executive Chairman until December 31, 2021, and he will no longer serve as our Chief Executive Officer and President, effective as of March 11, 2019.

Mr. Jackson's amended employment agreement provides that, through December 31, 2020, his annual base salary will be \$1.3 million and his target annual incentive award will be 200% of his annual base salary. From January 1, 2021 through December 31, 2021, his annual base salary will be \$1.0 million, and his target annual incentive award will be 150% of his annual base salary. In addition, Mr. Jackson will be granted equity-based awards with an aggregate grant date fair value equal to \$9.1 million, \$5.0 million, and \$3.0 million in 2019, 2020, and 2021, respectively. See "Potential Payments Upon Termination or Change in Control" for a description of certain provisions in his employment agreement that provide for payments or benefits to him at, following, or in connection with, termination under certain circumstances. The agreement also contains certain restrictive covenants and provides that Mr. Jackson is entitled to certain benefits during his employment, including limited personal use of our corporate aircraft.

Employment Agreement with Mr. Liebert. As disclosed in a Current Report on Form 8-K filed with the SEC on February 22, 2019, we entered into an employment agreement with Mr. Liebert on February 18, 2019, pursuant to which he will serve as our Chief Executive Officer and President. Under the employment agreement, the employment period will commence on March 11, 2019 and continue until March 10, 2022.

The employment agreement provides that Mr. Liebert's annual base salary will be \$1,000,000, subject to annual review and adjustment by the Compensation Committee, provided that his annual base salary may not be reduced during the employment period. The employment agreement also provides that, during the employment period, Mr. Liebert will participate in the Company's annual bonus plan at such target award levels and upon such terms and conditions as may be established by the Compensation Committee, provided that the target award level will be no less than 150% of his then-current annual base salary. Mr. Liebert will be eligible to receive an annual grant of equity-based awards during the employment period at an appropriate level as determined by the Committee, with a grant date value of no less than \$5,000,000. For 2019, Mr. Liebert will be granted, as soon as reasonably practicable following his commencement date, (i) RSUs subject to a four-year installment vesting schedule with an aggregate grant date fair value of \$3,333,330 and (ii) RSUs subject to a three-year cliff vesting schedule with an aggregate grant date fair value of \$1,666,670. In addition, as soon as reasonably practicable following the commencement date, Mr. Liebert will be granted, in the form of a sign-on award, RSUs subject to a three-year installment vesting schedule with an aggregate grant date fair value of \$7,500,000 (the "Sign-On Award"). Mr. Liebert will be required to hold the shares of Company common stock issuable pursuant to the Sign-On Award until the date he is in compliance with the Company's Executive Stock Ownership Guidelines.

If the Company terminates Mr. Liebert's employment without "cause" or if he resigns for "good reason" (in each case, as defined in his employment agreement), then, provided he is in compliance with all applicable restrictive covenants and he signs a mutually acceptable severance agreement, Mr. Liebert will be entitled to receive: (i) in equal installments over 18 months, 1.5 times the sum of his annual base salary and target annual bonus, and (ii) in a lump sum at the same time bonuses are paid to active employees generally, an amount equal to his annual bonus as determined by the Committee, pro-rated for the number of days he was employed during the calendar year through the applicable termination date.

Non-Qualified Deferred Compensation in Fiscal 2018

The AutoNation, Inc. Deferred Compensation Plan (“DCP”) affords the named executive officers and certain other employees the opportunity to defer up to 75% of base salary and 90% of bonuses and/or commissions on a pre-tax basis. For 2018, we provided matching contributions for both the DCP and the AutoNation 401(k) Plan. Participants eligible for a matching contribution under the DCP were not eligible for the matching contribution in the AutoNation 401(k) Plan.

For 2018, we provided eligible participants under the DCP a matching contribution of 100% on the first \$5,500 deferred. The 2018 matching contributions were credited by the Company as of January 2, 2019. One-third of the 2018 matching contributions vested as of January 2, 2019, and an additional one-third will vest in January 2020 and 2021, provided, however, that a participant’s matching contribution will immediately vest in the event of the death of such participant while actively employed, the disability of such participant, or the attainment of age sixty with at least six years of service by such participant. Our non-employee directors are also eligible to defer all or a portion of their annual and committee retainers under the DCP. We do not provide matching contributions to non-employee directors that participate in the DCP.

Earnings on deferrals are based on “deemed” investments in funds selected for inclusion in the DCP by us. Additionally, the DCP provides for payment of vested deferrals and earnings upon separation from service, death, and disability as well as upon specified payment dates selected by the participants. Participants may elect to receive payments upon specified in-service dates (in the form of a lump sum payment or up to five annual installments) or upon separation from service (in the form of a lump sum payment or up to 15 annual installments). The DCP is intended to meet the requirements of Section 409A of the Code and other relevant provisions thereunder and related Treasury regulations.

The following table sets forth the non-qualified deferred compensation activity for each named executive officer during 2018.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The tables below reflect the amount of compensation that would have been payable to each of our named executive officers under any contract, agreement, plan, or arrangement with us that provides for any payment to such executive in the event of termination of such executive’s employment or a change in control of the Company, in each case assuming the termination or change in control occurred effective as of December 31, 2018, the last business day of our last completed fiscal year. See “Named Executive Officer Departures” below for information regarding certain separation agreements we entered into with Messrs. Iserman, Berger, and Conophy in the first quarter of 2019. The amount of compensation payable to each named executive officer serving on December 31, 2018 upon “termination for cause,” “voluntary termination” (or “voluntary termination for good reason” and “voluntary termination without good reason”), “death or disability,” “retirement,” “involuntary termination without cause,” and “change in control,” as applicable, is shown below. We have prepared the tables based on the assumptions set forth below under “General Assumptions,” and the tables should be considered in conjunction with those assumptions and the disclosures below the tables.

In April 2018, the Board adopted the AutoNation, Inc. Executive Severance Plan to help retain key employees and maintain a stable work environment by providing severance benefits to covered employees in the event of certain terminations of employment. Under the Severance Plan, in the event a covered employee is terminated without cause, or a covered employee terminates his or her employment for good reason, as long as such person (a) is not in material breach of any restrictive covenant agreement with the Company, (b) does not breach any such restrictive covenant agreement as if it had been in effect through the 18-month period following the applicable termination date, and (c) signs a waiver and release of claims, then such person will be entitled to receive:

- in equal installments over 18 months, 1.5 times the sum of such person’s annual base salary and target annual bonus,
- in a lump sum at the same time bonuses are paid to active employees generally, an amount equal to such person’s annual bonus as determined by the Committee, pro-rated for the number of days the person was employed during the calendar year through the applicable termination date, and
- a payment equal to the cost of health insurance coverage, grossed up for taxes, based on such person’s then-current elections for an 18-month period.

Each of our named executive officers, other than Mr. Jackson, was covered by the Severance Plan as of December 31, 2018.

General Assumptions

Stock-Based Awards

In certain cases upon a termination of employment, the vesting of unvested stock options and shares of restricted stock would be accelerated. In the event of a participant's death, the vesting of RSUs would be accelerated or would continue on a prorated basis, subject to the satisfaction of applicable performance goals. In certain cases upon a termination of employment (other than as a result of death), the vesting of RSUs would continue in full or on a prorated basis, subject to the satisfaction of applicable performance goals, following the termination of employment.

To determine the value of each unvested stock option that would accelerate in the applicable cases, we calculated the difference, if positive, between (1) the closing price per share of our common stock on December 31, 2018, which was \$35.70, and (2) the exercise price of such stock option, and multiplied such difference by the number of shares underlying such stock option. Since vested stock options are already exercisable upon termination (except in the case of a termination for "cause"), no value is attributable in the tables to the extension of the exercise period for such vested options. All unvested stock options held by our named executive officers as of December 31, 2018 had a higher exercise price than the closing price per share of our common stock on such date. Accordingly, no value is shown for the acceleration of such unvested stock options in the tables below.

To determine the market value of unvested shares of restricted stock and RSUs that would accelerate, and the market value of unvested RSUs that would continue to vest in the applicable cases, we multiplied (x) the number of unvested shares of restricted stock and RSUs that would accelerate or continue to vest by (y) \$35.70. In addition, in the case of unvested RSUs that would continue to vest on a prorated basis subject to the satisfaction of applicable performance goals, we assumed that the target level of performance would be achieved.

Change in Control

We have not entered into any change in control agreements with any of our named executive officers. Under the 2008 Plan, in the event of a "change in control" (as defined in the 2008 Plan and related agreements), all outstanding stock options held by a named executive officer shall become immediately exercisable in full and, unless waived in advance of such change in control by our Board, such executive shall have the right to require us to pay, in cancellation of options, an amount equal to the product of (i) the excess of (a) the fair market value per share of the stock over (b) the option price times (ii) the number of shares of stock specified by such executive in a written notice to us. In addition, in the event of a change in control, all unvested shares of restricted stock held by a named executive officer shall immediately vest.

Under the 2017 Plan, if an outstanding award is continued, assumed, or substituted in connection with a "change in control" (as defined in the 2017 Plan and related agreements), then, in the case of awards subject to performance goals:

- the performance goals will be deemed to be achieved at the target level of performance, and the awards will vest in full at the end of the applicable performance period, subject to the participant's continued employment, and
- if within 24 months following such change in control, a participant's employment or service is terminated without cause or the participant resigns with good reason (as defined in the 2017 Plan and related agreements), all of the participant's outstanding equity awards that have not yet vested will immediately vest and become exercisable and all restrictions on such awards will immediately lapse.

Under the 2017 Plan, if an outstanding award is not continued, assumed, or substituted in connection with a change in control, then such award will immediately vest and become exercisable and all restrictions on such awards will immediately lapse (if applicable, assuming achievement at the target level of performance goals).

The following tables disclose the value of unvested stock options, shares of restricted stock, and restricted stock units held by our named executive officers that would have accelerated if a change in control had taken place on December 31, 2018, the last business day of 2018. To determine such value, we used the formula and assumptions described above under "Stock-Based Awards." With respect to awards granted under the 2017 Plan, we assumed that such awards were not continued, assumed, or substituted in connection with the change in control.

Restrictive Covenant Agreements

Our named executive officers have entered into restrictive covenants and other obligations as contained in various stock-based award agreements, confidentiality, non-solicitation/no-hire and non-compete agreements, and other similar agreements with us in connection with employment or the grant of stock-based awards. Generally, these restrictive covenants provide a restriction of one year in which the named executive officer may not perform certain activities within specified geographic regions. The competitive activities include generally (i) participating or owning an interest in an entity engaged in the auto business (as defined in the applicable agreement) or any other business of the type and character engaged in by us, (ii) employing any person that was employed by us within the prior six months or seeking to induce any such person to leave his or her employment, (iii) soliciting any customer to patronize any business in competition with our business, or (iv) requesting or advising our customers or vendors to withdraw, curtail, or cancel their business with us. In certain cases, the receipt of post-termination payments by our named executive officers is conditioned upon their compliance with these restrictive covenants. In addition, if a named executive officer violates these restrictive covenants or other Company policy, (x) all vested and unvested employee stock options held by him or her would terminate immediately, and he or she would be required to pay to the Company an amount equal to the gain on any exercise of any stock option exercised by him or her during the preceding 12 months and (y) all unvested shares of restricted stock held by him or her would be immediately forfeited, and he or she would be required to pay to the Company an amount equal to the value of any restricted stock that vested during the preceding 12 months. The following tables assume that each of our named executive officers would have complied with these agreements.

Receipt of Benefits

To the extent required in order to comply with Section 409A of the Code, certain payments that would otherwise be made during the six-month period immediately following the executive's termination of employment may instead be paid on the first business day after the date that is six months following the executive's "separation from service" within the meaning of Section 409A.

Description of Triggering Events

Termination for Cause

Under the Severance Plan, termination for "cause" generally means that a covered employee has (i) breached his or her restrictive covenants set forth in any agreement with the Company, (ii) failed or refused to perform his or her assigned duties and responsibilities to the Company in any material respect, after notice and a reasonable opportunity to cure, (iii) willfully engaged in illegal conduct or gross misconduct in the performance of his or her duties to the Company, (iv) committed an act of fraud or dishonesty affecting the Company or committed an act constituting a felony, or (v) willfully violated any material Company policies in any material respect.

Under our employment agreement with Mr. Jackson, termination for "cause" generally means termination because of (i) the executive's breach of any of his covenants contained in the employment agreement, (ii) the executive's failure or refusal to perform the duties and responsibilities required to be performed by the executive under the terms of the employment agreement, (iii) the executive's willfully engaging in illegal conduct or gross misconduct in the performance of his duties hereunder (provided that no act or failure to act shall be deemed "willful" if done, or omitted to be done, in good faith and with the reasonable belief that such action or omission was in our best interest), (iv) the executive's commission of an act of fraud or dishonesty affecting us or the commission of an act constituting a felony, or (v) the executive's violation of our policies in any material respect.

Under our equity compensation plans, termination for "cause" generally means termination because of (i) the executive's conviction for commission of a felony or other crime, (ii) the commission by the executive of any act against us constituting willful misconduct, dishonesty, fraud, theft, or embezzlement, (iii) the executive's failure, inability, or refusal to perform any of the material services, duties, or responsibilities required of him by us or to materially comply with the policies or procedures established from time to time by us, for any reason other than his illness or physical or mental incapacity, (iv) the executive's dependence, as determined in good faith by us, on any addictive substance, including, but not limited to, alcohol or any illegal or narcotic drugs, (v) the destruction of or material damage to our property caused by the executive's willful or grossly negligent conduct, and (vi) the willful engaging by the executive in any other conduct which is demonstrably injurious to us or our subsidiaries, monetarily or otherwise.

Termination for Good Reason

Under the Severance Plan, “good reason” generally means the occurrence of (i) the assignment to a covered employee of any duties inconsistent with such employee’s status or a substantial adverse alteration in the nature or status of such employee’s responsibilities, (ii) a reduction by the Company in a covered employee’s annual base salary, (iii) the relocation of a covered employee’s principal place of employment by more than 50 miles, (iv) the failure by the Company to pay to a covered employee any portion of such employee’s current compensation, or to pay to a covered employee any portion of an installment of deferred compensation under any deferred compensation program, or (v) the failure by the Company to continue in effect any compensation plan in which a covered employee participates which is material to such employee’s total compensation, unless a comparable arrangement has been made with respect to such plan, or an adverse change in a covered employee’s participation therein either in terms of the amount or timing of payment of benefits provided or the level of such employee’s participation relative to other participants.

Under our employment agreement with Mr. Jackson, “good reason” generally means the occurrence of (i) a material change by us in the executive’s duties or responsibilities which would cause the executive’s position to become of materially and substantially less responsibility and importance than those associated with his duties or responsibilities as of the date of the employment agreement, or (ii) a material breach of the employment agreement by us, which breach is not cured within ten days after written notice is received by us.

Retirement

Retirement (as defined in our equity compensation plans) generally means the named executive officer’s termination of employment or other service from us or a subsidiary of ours after attainment of age 55 and completion of at least six years of service with us or a subsidiary of ours (disregarding any service with an entity prior to becoming a subsidiary or after ceasing to be a subsidiary). As of December 31, 2018, Mr. Jackson was, but Ms. Miller and Messrs. Iserman, Berger, and Conophy were not, retirement-eligible under our equity compensation plans.

Termination for Cause

If we had terminated Mr. Jackson’s employment for “cause,” he would not have been entitled to any payments triggered by the termination, and options held by Mr. Jackson on the date of termination, whether vested or unvested, would have been canceled.

Voluntary Termination for Good Reason

If Mr. Jackson had terminated his employment with us for “good reason,” as long as he remained in compliance with the restrictive covenants and confidentiality provisions of his employment agreement and signed a reasonable and mutually acceptable severance agreement (including a release and a covenant of reasonable cooperation), he would have been entitled to receive an amount equal to (i) the sum of his remaining salary to be paid through December 31, 2021 plus the target annual bonus(es) for each year of the remaining employment period that has not commenced as of the date of termination, as well as (ii) an amount equal to the annual bonus to which he would have been entitled for the year of such termination had he not been terminated, to the extent applicable performance targets are met. Payment of the amount due under clause (i) above would have been made by us within 30 days following the termination (or at a later date, to the extent required to comply with Section 409A of the Code), and payment of the amount due under clause

(ii) above would have been made by us at the same time as the annual bonuses were paid to other bonus-eligible employees (or at a later date, to the extent required to comply with Section 409A of the Code). Since the assumed date of termination is year-end, payment of the amount due under clause (ii) above (which was \$1,963,000 for 2018, a portion of which was subject to the terms of the Deferred Bonus Program discussed below) is reflected under the “Non-Equity Incentive Plan Compensation” column in the “Summary Compensation Table,” and not as “Cash Severance” in the table above. Mr. Jackson also would have been entitled to receive the remaining target equity awards set forth in his employment agreement that had not yet been granted as of the date of termination.

In addition, in accordance with the terms of his employment agreement, unless he had elected retirement treatment under our equity compensation plans, (i) all vested stock options held by Mr. Jackson would have remained exercisable for the remainder of their initial ten-year term, and (ii) all unvested stock options or other stock-based awards held by him would have immediately vested, and such stock options or other stock-based awards carrying a right to exercise would have remained exercisable until the first anniversary of such termination.

Mr. Jackson and his dependents also would have been entitled to continue to participate in our group health and welfare benefit plans for a period of 18 months following the termination at the same cost to Mr. Jackson as provided to him prior to termination. The table above reflects our estimated expense based on the applicable premiums as of January 1, 2019.

The Deferred Bonus Program established for Mr. Jackson in 2016 provided that he is entitled to the amounts deferred thereunder in the event of his death or disability (as defined in Section 409A of the Code), if his employment is terminated without “cause” (as defined in his employment agreement), or if he terminates his employment for “good reason” (as defined in his employment agreement). See “Compensation Discussion and Analysis - Annual Incentive Awards.”

Voluntary Termination Without Good Reason

If Mr. Jackson had terminated his employment with us without “good reason,” he would not have been entitled to any payments triggered by the termination. Since Mr. Jackson is eligible for “retirement” (as defined in our equity compensation plans), he would have been entitled to the benefit described in the “Retirement” paragraph below.

Termination Due to Death or Disability

If Mr. Jackson’s employment had terminated due to death or disability (as defined in our equity compensation plans), all options held by Mr. Jackson at the time of termination would have immediately vested and remained exercisable until the earlier of the expiration date of the option or the third anniversary of the date of termination.

With respect to RSUs granted under the 2017 Plan, if Mr. Jackson’s employment had terminated due to death, the RSUs that were granted subject solely to a one-year performance goal would have immediately vested, and the RSUs that were granted subject to a three-year performance goal would have continued to vest on a pro-rated basis (with the payout level determined based on actual performance). If Mr. Jackson’s employment had terminated due to disability, then he would have continued to vest in any RSUs that were granted subject solely to a one-year performance goal and in a pro-rated portion of any RSUs that were granted subject to a three-year performance goal (with the payout level determined based on actual performance), only if he fully complied with any non-compete, non-disparagement, confidentiality and other restrictive covenants set forth in any agreement entered into between him and the Company determined, notwithstanding the time periods set forth therein, as if all such restrictive covenants applied at all times while any such awards were outstanding.

As noted above, if Mr. Jackson’s employment had terminated due to death or disability, he would have been entitled to all amounts deferred under the Deferred Bonus Program established for Mr. Jackson in 2016.

Retirement

If Mr. Jackson had retired, all stock options held by him at the time of termination would have immediately vested and remained exercisable until the earlier of the expiration date of the option or the third anniversary of the date of termination. In addition, he would have continued to vest in any RSUs that were granted subject solely to a one-year performance goal and in a pro-rated portion of any RSUs that were granted subject to a three-year performance goal (with the payout level determined based on actual performance), only if he fully complied with any non-compete, non-

disparagement, confidentiality and other restrictive covenants set forth in any agreement entered into between him and the Company determined, notwithstanding the time periods set forth therein, as if all such restrictive covenants applied at all times while any such awards were outstanding.

Involuntary Termination Without Cause

If we had terminated Mr. Jackson’s employment without “cause,” as long as he remained in compliance with the restrictive covenants and confidentiality provisions of his employment agreement and signed a reasonable and mutually acceptable severance agreement (including a release and a covenant of reasonable cooperation), he would have been entitled to receive the same payments and other benefits as described in the first paragraph under “Voluntary Termination for Good Reason” above. In addition, as noted above, if we had terminated Mr. Jackson’s employment without “cause,” he would have been entitled to all amounts deferred under the Deferred Bonus Program established for Mr. Jackson in 2016.

Messrs. Iserman and Conophy left the Company effective as of January 7, 2019, and Mr. Berger left the Company effective as of January 31, 2019. See “Named Executive Officer Departures” below for a description of the separation agreements we entered into with Messrs. Iserman, Berger, and Conophy in connection with their separations of employment.

Termination for Cause

If we had terminated Ms. Miller's or Messrs. Iserman's, Berger's, or Conophy's employment for "cause," they would not have been entitled to any payments triggered by the termination, and all equity awards held by them on the date of termination would have been canceled.

Voluntary Termination for Good Reason

If Ms. Miller or Messrs. Iserman, Berger, or Conophy had voluntarily terminated their employment for "good reason," as long as (a) she or he was not in material breach of any restrictive covenant agreement with the Company, (b) she or he did not breach any such restrictive covenant agreement as if it had been in effect through the 18-month period following the applicable termination date, and (c) she or he signed a waiver and release of claims, then she or he would have been entitled to receive:

- in equal installments over 18 months, 1.5 times the sum of (i) her or his annual base salary and (ii) her or his target annual bonus,
- in a lump sum at the same time bonuses are paid to active employees generally, an amount equal to her or his annual bonus as determined by the Committee, pro-rated for the number of days she or he was employed during the calendar year through the termination date, and
- a payment equal to the cost of health insurance coverage, grossed up for taxes, based on such person's then-current elections for an 18-month period.

Any options held by Ms. Miller or Messrs. Iserman, Berger, or Conophy, to the extent exercisable on the date of termination, would remain exercisable until the earlier of the expiration date of the options or 60 days following the date of termination, and any unvested equity awards held by her or him on the date of termination would be canceled.

Termination Due to Death or Disability

If Ms. Miller's or Messrs. Iserman's, Berger's, or Conophy's employment had terminated because of death or disability (as defined in our equity compensation plans), she or he would not have been entitled to any payments triggered by the termination. With respect to options and shares of restricted stock granted under the 2008 Plan, any unvested options and any unvested shares of restricted stock held by such executive would immediately vest, and all such options and all vested options held by such executive would remain exercisable until the earlier of the expiration date of the option or the third anniversary of the date of termination.

If Ms. Miller's or Messrs. Iserman's, Berger's, or Conophy's employment had terminated because of death, any RSUs that were granted subject solely to a one-year performance goal would immediately vest, and any RSUs that were granted subject to a three-year performance goal would continue to vest on a prorated basis (with the payout level determined based on actual performance). If Ms. Miller's or Messrs. Iserman's, Berger's, or Conophy's employment had terminated due to disability, then she or he would continue to vest in any RSUs that were granted subject solely to a one-year performance goal and in a prorated portion of any RSUs that were granted subject to a three-year performance goal (with the payout level determined based on actual performance), only if such executive fully complied with any non-compete, non-disparagement, confidentiality and other restrictive covenants set forth in any agreement entered into between him or her and the Company determined, notwithstanding the time periods set forth therein, as if all such restrictive covenants applied at all times while any such awards are outstanding.

Involuntary Termination Without Cause

If we had terminated Ms. Miller's or Messrs. Iserman's, Berger's, or Conophy's employment without "cause," she or he would have been entitled to receive the same payments and other benefits as described under the section "Voluntary Termination for Good Reason" above.

In accordance with the terms of the Company's equity plans, all unvested equity awards held by Mr. Conophy at the time of his separation were canceled.

PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, the Compensation Committee determined that the total annual compensation paid to our Chief Executive Officer in respect of 2018 was approximately 222 times the median of the total annual compensation of all of our employees (other than our Chief Executive Officer) in respect of 2018.

Under the disclosure instructions to Item 402(u), the median-paid employee may be identified once every three years if there is no significant impact to the pay ratio disclosure. As there were no significant changes in our employee population or to the median-paid employee's compensation arrangements in 2018 that would significantly affect the pay ratio disclosure, the employee representing the median-paid employee is the same employee selected for the 2018 Proxy Statement. The annual total compensation of the median-paid employee was \$56,259. The annual total compensation of our Chief Executive Officer is set forth in the "Summary Compensation Table" above under the heading "Total."

As previously reported in our 2018 Proxy Statement, we identified the median employee by examining 2017 total compensation for all individuals, excluding our Chief Executive Officer, who were employed by us on December 31, 2017. We included all employees, whether employed on a full-time or part-time basis, excluding contingent and outsourced employees and contractors. We calculated annual total compensation for all employees using the same methodology we use for our named executive officers as set forth in the "Summary Compensation Table" above.

AUDIT COMMITTEE REPORT

The following statement made by our Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such statement by reference.

The Board has determined that each Audit Committee member has the requisite independence and other qualifications for audit committee membership under SEC rules, the listing standards of the NYSE, our Audit Committee Charter, and the independence standards set forth in our Corporate Governance Guidelines. The Board has also determined that each of Mr. Grusky and Mr. Edelson is an “audit committee financial expert” as defined under Item 407(d)(5) of Regulation S-K under the Securities Exchange Act of 1934, as amended.

As more fully described below, in carrying out its responsibilities, the Audit Committee looks to management and AutoNation’s independent registered public accounting firm. The Audit Committee members are not professionally engaged in the practice of accounting or auditing. The Audit Committee operates under a written charter that is reviewed annually and is available at investors.autonation.com.

Our primary function is to assist the Board in fulfilling its oversight responsibilities by reviewing AutoNation’s financial reporting, audit processes, internal control over financial reporting, and disclosure controls. Management is responsible for the Company’s consolidated financial statements and the financial reporting process, including internal control over financial reporting. We also monitor the preparation by management of the Company’s quarterly and annual consolidated financial statements. KPMG LLP (“KPMG”), AutoNation’s independent registered public accounting firm, is accountable to us and is responsible for expressing an opinion as to whether the consolidated financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows of AutoNation in conformity with U.S. generally accepted accounting principles. KPMG also is responsible for auditing and reporting on internal control over financial reporting. We are solely responsible for selecting and reviewing the performance of AutoNation’s independent registered public accounting firm and, if we deem appropriate in our sole discretion, terminating and replacing the independent registered public accounting firm. We also are responsible for reviewing and approving the terms of the annual engagement of AutoNation’s independent registered public accounting firm, including the scope of audit and non-audit services to be provided by the independent registered public accounting firm and the fees to be paid for such services, and discussing with the independent registered public accounting firm any relationships or services that may impact the objectivity and independence of the independent registered public accounting firm.

In fulfilling our oversight role, we met and held discussions, both together and separately, with the Company’s management and KPMG. Management advised us that the Company’s consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, and we reviewed and discussed the consolidated financial statements and key accounting and reporting issues with management and KPMG, both together and separately, in advance of the public release of operating results and filing of annual or quarterly reports with the SEC. We discussed significant matters with KPMG, including those matters required to be discussed pursuant to Auditing Standard No. 1301, *Communications with Audit Committees*, adopted by the Public Company Accounting Oversight Board (“PCAOB”), and the rules of the SEC, and reviewed a letter from KPMG disclosing such matters.

KPMG also provided us with the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, and we discussed with KPMG matters relating to their independence and considered whether their provision of certain non-audit services is compatible with maintaining their independence. In the letter, KPMG confirmed its independence, and we determined that KPMG’s provision of non-audit services to AutoNation is compatible with maintaining their independence. We also reviewed a report by KPMG describing the firm’s internal quality-control procedures and any material issues raised in the most recent internal quality-control review or external peer review or inspection performed by the PCAOB.

Based on our review with management and KPMG of AutoNation's audited consolidated financial statements and KPMG's report on such consolidated financial statements, and based on the discussions and written disclosures described above and our business judgment, we recommended to the Board of Directors that the audited consolidated financial statements be included in AutoNation's Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

ITEMS TO BE VOTED ON

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board has nominated each of the following nine persons to stand for election for a term expiring at the 2020 Annual Meeting of Stockholders or until their successors are duly elected and qualified: Mike Jackson, Thomas J. Baltimore, Jr., Rick L. Burdick, David B. Edelson, Steven L. Gerard, Robert R. Grusky, Carl C. Liebert III, G. Mike Mikan, and Jacqueline A. Travisano. Each of the nominees is willing and able to serve as a director of AutoNation. See “Board of Directors and Corporate Governance - Directors” for information regarding each of the director nominees. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

Recommendation of the Board

The Board recommends that you vote “FOR” the election of each of the persons nominated by the Board.

PROPOSAL 2: RATIFICATION OF THE SELECTION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors is directly responsible for the appointment, compensation, retention, and oversight of the Company’s independent registered public accounting firm. To fulfill this responsibility, the Committee engages in a comprehensive annual evaluation of the independent registered public accounting firm’s qualifications, performance, and independence and considers whether the independent registered public accounting firm should be rotated and the advisability and potential impact of selecting a different independent registered public accounting firm.

The Audit Committee has selected KPMG LLP (“KPMG”) as our independent registered public accounting firm for the year ending December 31, 2019. KPMG has served in this capacity since May 6, 2003. In accordance with SEC rules and KPMG policies, audit partners are subject to rotation requirements to limit the number of consecutive years an individual partner may provide audit services to our Company. For the lead audit engagement partner and the engagement quality control reviewing partner, the maximum number of consecutive years of service in that capacity is five years. The process for selection of the Company’s lead audit engagement partner pursuant to this rotation policy involves a meeting between the Chair of the Audit Committee and the candidate for the role, as well as a discussion by the full Committee and with management.

The Audit Committee and the Board of Directors believe that the continued retention of KPMG as our independent registered public accounting firm is in the best interest of the Company and our stockholders, and we are asking our stockholders to ratify the selection of KPMG as our independent registered public accounting firm for 2019. Although not required by our organizational documents or applicable law, our Board is submitting the selection of KPMG to our stockholders for ratification because we value our stockholders’ views on the Company’s independent registered public accounting firm, and we believe doing so is consistent with good corporate governance. If the selection of KPMG as our independent registered public accounting firm is not ratified by our stockholders, the Audit Committee will re-evaluate its selection, taking into consideration the stockholder vote on the ratification. However, the Audit Committee is solely responsible for selecting and terminating our independent registered public accounting firm and may do so at any time at its discretion. A representative of KPMG is expected to attend the Annual Meeting and be available to respond to appropriate questions. The representative also will be afforded an opportunity to make a statement, if he or she desires to do so.

Auditor Fees and Services

The Audit Committee is responsible for the compensation of the Company’s independent registered public accounting firm and oversees the audit fee negotiations associated with the Company’s retention of KPMG. The following table shows the fees for audit and other services provided by KPMG for fiscal years 2017 and 2018.

Fee Category	2017	2018
Audit Fees	\$ 2,992,700	\$ 2,712,662
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	1,780	1,780
Total Fees	\$ 2,994,480	\$ 2,714,442

Audit Fees. This category includes fees billed for professional services rendered by KPMG for the audit of our consolidated financial statements, audit of our internal control over financial reporting, review of the consolidated financial statements included in our Form 10-Q quarterly reports, and services that are normally provided by the independent registered public accounting firm in connection with acquisitions, new accounting standards, and statutory or regulatory filings or engagements, including comfort letters and consents issued in connection with SEC filings.

Audit-Related Fees. No audit-related fees were billed by KPMG in 2017 or 2018.

Tax Fees. No tax fees were billed by KPMG in 2017 or 2018.

All Other Fees. This category consists of fees billed for our use of KPMG’s online technical research service.

Policy for Approval of Audit and Permitted Non-Audit Services

Our Audit Committee’s policies require pre-approval of all audit and permissible non-audit services provided by our independent registered public accounting firm other than services permitted under the de minimis exception under applicable SEC rules (which are approved by our Audit Committee prior to our independent registered public accounting firm’s completion of its annual audit). Under our Audit Committee’s policies, pre-approval generally is detailed as to the particular service or category of services and is subject to a specific budget. Under our Audit Committee’s policies, all tax planning services and services that do not constitute audit, audit-related, or tax-compliance services are subject to a formal bidding process and may not be provided by our independent registered public accounting firm unless our Audit Committee concludes that such services may be provided most effectively or economically by our independent registered public accounting firm and that the independence of our registered public accounting firm would not be affected adversely by the provision of such services. Our Audit Committee has delegated to its Chair the authority to approve, within guidelines and limits established by the Committee, specific services to be provided by our independent registered public accounting firm and the fees to be paid. Any such approval must be reported to the Audit Committee at the next scheduled meeting. As required by Section 10A of the Exchange Act, our Audit Committee pre-approved all audit and non-audit services provided by our independent registered public accounting firm during 2017 and 2018, and the fees paid for such services.

Recommendation of the Board

The Board recommends that you vote “FOR” the ratification of the selection of KPMG as our independent registered public accounting firm for us and our subsidiaries for 2019.

PROPOSAL 3: STOCKHOLDER PROPOSAL

The stockholder proposal set forth below was submitted to the Company by John Chevedden, 2215 Nelson Avenue, No. 205, Redondo Beach, California 90278, a purported owner of “no fewer than” 100 shares of our common stock, or approximately 0.0001% of our outstanding shares. Mr. Chevedden’s proposal is printed below verbatim, and we have not endeavored to correct any inaccurate statements that may be contained therein. The Company is not responsible for the contents of this proposal or the supporting statement. Our Board has recommended a vote against the proposal for the reasons set forth following the proposal.

“3 - Independent Board Chairman

Shareholders request our Board of Directors to adopt as a policy, and amend our governing documents as necessary, to require henceforth that the Chair of the Board of Directors, whenever possible, to be an independent member of the Board. The Board would have the discretion to phase in this policy for the next Chief Executive Officer transition, implemented so it does not violate any existing agreement.

If the Board determines that a Chairman, who was independent when selected is no longer independent, the Board shall select a new Chairman who satisfies the requirements of the policy within a reasonable amount of time. Compliance with this policy is waived if no independent director is available and willing to serve as Chairman. This proposal requests that all the necessary steps be taken to accomplish the above.

This proposal topic won 50%-plus support at 5 major U.S. companies in 2013 including 73%-support at Netflix. These 5 majority votes would have been still higher if all shareholders had access to independent proxy voting advice.

An independent Board Chairman would have more time and incentive to focus on the wisdom of stock repurchases:

Additional AutoNation share repurchase authorization of common stock of up to \$250 Million
May 2018

Additional AutoNation share repurchase authorization of up to \$250 Million
August 2017

There is a concern about share repurchases like the above. Share repurchases can be a sign of short-termism for executives - sometimes boosting share price without boosting the underlying value, profitability, or ingenuity of the company. A dollar spent repurchasing a share is a dollar that cannot be spent on new equipment, an acquisition, entry into a new market or anything else.

This proposal topic is of increased importance this year since AutoNation announced the transition of Mike Jackson to executive chairman in 2019, a position he is expected to hold through 2021. Most often a departing Chairman will not remain at a company or will remain for a maximum of few months.

When considering a shareholder proposal such as this is good to remember the positive role that shareholder proposals have. For instance a 2017 shareholder proposal resulted in AutoNation adopting a proxy access right for shareholders. Another example is a 2015 shareholder proposal by William Steiner to Sonoco that resulted in Sonoco adopting one-year terms for directors - replacing 3-year terms.

An independent Chairman is best positioned to build up the oversight capabilities of our directors while our CEO addresses the challenging day-to-day issues facing the company. The roles of Chairman and CEO are fundamentally different and should be held by 2 directors, a CEO and a Chairman who is completely independent of the CEO and our company.

Please vote yes:
Independent Board Chairman - Proposal 3”

Board of Directors' Response

The Board opposes this proposal because the Company has already adopted a policy regarding an independent Chairman of the Board. As discussed above under "Board of Directors and Corporate Governance - Role of the Board and Board Structure," effective upon the termination of Mr. Jackson's employment agreement with the Company pursuant to the terms thereof, the general policy of the Board shall be that the Chairman should be an independent director. In addition, the Board has appointed Carl C. Liebert III to serve as our Chief Executive Officer and President and Mike Jackson to serve as our Executive Chairman (including Chairman of the Board) of the Board, effective as of March 11, 2019. Consistent with our corporate governance guidelines, the Board will continue to elect a Lead Independent Director until an independent Chairman of the Board is elected. The Board believes that the adopted policy suitably addresses the concerns raised by the proposal in a practicable and enforceable manner, rendering the policy sought by the proposal unnecessary.

Recommendation of the Board

The Board recommends that you vote "AGAINST" this stockholder proposal.

OTHER MATTERS

We are not aware of any other matters that will be properly brought before the Annual Meeting. However, if any additional matters are properly brought before the Annual Meeting, Messrs. Jackson and Edmunds will vote as recommended by our Board of Directors or, if no recommendation is given, in accordance with their judgment. Messrs. Jackson and Edmunds were designated to be your proxies by our Board of Directors.

HOUSEHOLDING; AVAILABILITY OF ANNUAL REPORT AND PROXY STATEMENT

Certain of our stockholders whose shares are held in street name and who have consented to householding will receive only one Notice or set of proxy materials per household. If you would like to receive a separate Notice or set of proxy materials in the future, or if your household is currently receiving multiple copies of the same items and you would like to receive only a single copy at your address in the future, please contact Household Department by mail at 51 Mercedes Way, Edgewood, NY 11717 or by telephone at 866-540-7095 and indicate your name, the name of each of your brokerage firms or banks where your shares are held, and your account numbers.
