

Used Oil Release Contained By Titan Tire Corporation Of Bryan

QUINCY, Ill., Jan. 6, 2015 /PRNewswire/ -- On January 3, 2015, Titan Tire Corporation of Bryan, a subsidiary of Titan International, Inc., experienced a used lubricating oil release from an above-ground storage tank at its facility in Bryan, Williams County, Ohio. The used lubricating oil entered the storm water system and flowed into the Prairie Creek. Several ducks were affected by the release. An outside company has been retained by Titan Tire Corporation of Bryan to revitalize the affected wildlife. The release has been contained and the company is actively addressing the incident.

Titan International, Inc., a holding company, owns subsidiaries that supply wheels, tires, assemblies and undercarriage product for off-highway equipment used in agricultural, earthmoving/construction and consumer applications. For more information, visit www.titan-intl.com.
