

**CHARTER OF THE
AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS OF
ALTERYX, INC.**

As adopted on February 7, 2017

I. PURPOSE

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Alteryx, Inc. (the “*Company*”) is to assist the Board in fulfilling its oversight responsibilities relating to the Company’s financial accounting, reporting and internal controls. The Committee’s principal functions are to assist the Board in its oversight of:

- the Company’s accounting and financial reporting processes, including its audits and the integrity of the Company’s financial statements;
- compliance by the Company with legal and regulatory requirements;
- the qualifications, independence and performance of the Company’s independent auditors (the “*Independent Auditors*”); and
- the performance of the Company’s internal audit function.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee. In fulfilling its responsibilities, it is recognized that members of the Committee are neither employees of the Company nor professional accountants or auditors. The functions of the Committee are not intended to duplicate or substitute for the activities of management and the Independent Auditors, and the Committee members cannot provide any expert or special assurance as to the Company’s financial statements, internal controls or management of risk or any professional certifications as to the work of the Independent Auditors.

It is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with U.S. generally accepted accounting principles. This is the responsibility of the Company’s management and the Independent Auditors. In addition, the Company’s management is responsible for managing its risk function and for reporting on its processes and assessments with respect to the Company’s management of risk.

Each member of the Committee can rely on (a) the integrity of those persons and organizations within and outside of the Company from which it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (c) representations made by management as to any audit and non-audit services provided by the Independent Auditors or other registered public accounting firms.

The Board has formed the Committee to assist the Board in directing the Company’s affairs and this Charter has been adopted in furtherance of this purpose. While this Charter should be interpreted in the context of all applicable laws, regulations and listing requirements, as well as in the context of the Company’s Certificate of Incorporation and Bylaws, it is not intended to establish by its own force any legally binding obligations.

II. MEMBERSHIP

The Committee will consist of three or more members of the Board (provided that the Committee may consist of a lesser number of members as permitted by the Exchange Rules, as defined below), with the exact number determined by the Board. Each member of the Committee will:

- have the ability to read and understand financial statements and meet the financial sophistication and experience requirements of the Exchange Act, the Commission Rules and the Exchange Rules;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a member of the Committee; and
- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

In addition, at least one member of the Committee will have prior experience in accounting, financial management or financial oversight, as required by the Exchange Rules, and be an “audit committee financial expert” as defined in Item 407 of Regulation S-K promulgated by the Commission. A person who satisfies this definition of “audit committee financial expert” will also be presumed to have accounting, financial management or financial oversight expertise.

Each member of the Committee will be appointed by the Board and will serve until the earliest of such member’s resignation, removal or death. The Board may remove any member from the Committee at any time with or without cause. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the “*Chair*”) or, if the Board does not appoint a Chair, the Committee members may designate a Chair by a majority vote.
