Forward-looking statements and other information

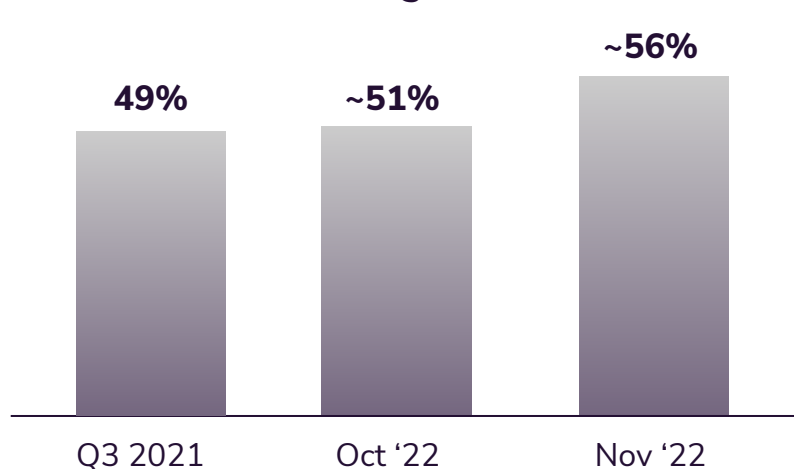

The statements contained in this presentation that refer to plans and expectations for the next quarter, the full year or the future are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including statements regarding our future results of operations and financial position, business strategy and plans and our objectives for future operations. The words "may," "will," "should," "could," "expect," "anticipate," "believe," "estimate," "intend," "continue" and other similar expressions are intended to identify forward-looking statements. We have based these forward-looking statements largely on current expectations and projections about future events and financial trends that we believe may affect our financial condition, results of operations, business strategy, short-term and long-term business operations and objectives, and financial needs. These forward-looking statements involve risks and uncertainties that could cause our actual results to differ materially from those expressed or implied in our forward-looking statements. Such risks and uncertainties include, but are not limited to, effects of the ongoing COVID-19 pandemic or other pandemics or disease outbreaks on our business; our ability to execute, and achieve the expected benefits of, our go-forward strategy; execution of our business and marketing strategies; volatility in our operating results; challenges arising from our international operations, including fluctuations in currency exchange rates, legal and regulatory developments in the jurisdictions in which we operate and geopolitical instability resulting from the conflict in Ukraine; global economic uncertainty, including as a result of the inflationary environment; retaining and adding high quality merchants and third-party business partners; retaining existing customers and adding new customers; competing successfully in our industry; providing a strong mobile experience for our customers; managing refund risks; retaining and attracting members of our executive team and other qualified personnel; customer and merchant fraud; payment-related risks; our reliance on email, internet search engines and mobile application marketplaces to drive traffic to our marketplace; cybersecurity breaches; maintaining and improving our information technology infrastructure; reliance on cloud-based computing platforms; completing and realizing the anticipated benefits from acquisitions, dispositions, joint ventures and strategic investments; lack of control over minority investments; managing inventory and order fulfillment risks; claims related to product and service offerings; protecting our intellectual property; maintaining a strong brand; the impact of future and pending litigation; compliance with domestic and foreign laws and regulations, including the CARD Act, GDPR and regulation of the Internet and e-commerce; classification of our independent contractors or employees; risks relating to information or content published or made available on our websites or service offerings we make available; exposure to greater than anticipated tax liabilities; adoption of tax legislation; impacts if we become subject to the Bank Secrecy Act or other anti-money laundering or money transmission laws or regulations; our ability to raise capital if necessary; risks related to our access to capital and outstanding indebtedness, including our convertible senior notes; our common stock, including volatility in our stock price; our ability to realize the anticipated benefits from the capped call transactions relating to our convertible senior notes; difficulties, delays or our inability to successfully complete all or part of the announced restructuring actions or to realize the operating efficiencies and other benefits of such restructuring actions; higher than anticipated restructuring charges or changes in the timing of such restructuring charges; and those risks and other factors discussed in Part I, Item 1A. Risk Factors of our Annual Report on Form 10-K for the year ended December 31, 2021 and Part II, Item 1A. Risk Factors of our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2022, June 30, 2022, and September 30, 2022, and our other filings with the Securities and Exchange Commission (the "SEC"), copies of which may be obtained by visiting the company's Investor Relations web site at investor.groupon.com or the SEC's web site at www.sec.gov. Groupon's actual results could differ materially from those predicted or implied and reported results should not be considered an indication of future performance.

You should not rely upon forward-looking statements as predictions of future events. Although Groupon believes that the expectations reflected in the forward-looking statements are reasonable, it cannot guarantee that the future results, levels of activity, performance or events and circumstances reflected in the forward-looking statements will be achieved or occur. Moreover, neither Groupon nor any other person assumes responsibility for the accuracy and completeness of the forward-looking statements. The forward-looking statements reflect our expectations as of the date made. We undertake no obligation to update publicly any forward-looking statements for any reason after the date of this presentation to conform these statements to actual results or to changes in our expectations.

This presentation contains non-GAAP financial measures. See our Q3 2022 earnings release press release posted on our Investor Relations website for additional information regarding non-GAAP financial measures.

Global Local Billings Update

Global Local Billings as a % of 2019¹

- Improvement in November Local Billings recovery levels driven primarily by North America
- Expect December recovery levels to be similar to October

4Q22 Factors to Consider ²

- **Cash Flow:** Expect to generate free cash flow in Q4, but less than Q4 2021
- **Marketing:** Marketing as % of GP to be higher than Q3 led by more investment in mid to upper-funnel channels
- **SG&A:** Expect Q4 SG&A to be relatively in line with Q3
- **Consolidated Local Margins:** Expect to be relatively in-line with Q3
