Equitrans Midstream Announces Quarterly Dividends

Release Date:
10/18/2021

CANONSBURG, Pa.--(BUSINESS WIRE)-- Equitrans Midstream Corporation (NYSE: ETRN) today declared quarterly cash dividends of \$0.15 per common share and \$0.4873 per share of Series A Perpetual Convertible Preferred Stock for the third quarter 2021. The dividends will be paid on November 12, 2021 to all applicable ETRN shareholders of record at the close of business on November 2, 2021.

About Equitrans Midstream Corporation:

Equitrans Midstream Corporation (ETRN) has a premier asset footprint in the Appalachian Basin and, as the parent company of EQM Midstream Partners, is one of the largest natural gas gatherers in the United States. Through its strategically located assets in the Marcellus and Utica regions, ETRN has an operational focus on gas transmission and storage systems, gas gathering systems, and water services that support natural gas development and production across the Basin. With a rich 135-year history in the energy industry, ETRN was launched as a standalone company in 2018 with the vision to be the premier midstream services provider in North America. ETRN is helping to meet America's growing need for clean-burning energy, while also providing a rewarding workplace and enriching the communities where its employees live and work.
