At the Annual Meeting, we will ask you to elect the nine director nominees listed in the proxy statement, consider a non-binding, advisory vote to approve the compensation of our named executive officers, consider a non-binding, advisory vote to recommend the frequency of the non-binding, advisory vote on the compensation of our named executive officers and ratify the appointment of our independent registered public accounting firm for 2014. We will also discuss any other business matters properly brought before the Annual Meeting. The attached proxy statement explains our voting procedures, describes the business we will conduct and provides information about Houghton Mifflin Harcourt Company that you should consider when you vote your shares.

PROXY VOTING METHODS

If, at the close of business on March 20, 2014, you were a stockholder of record, you may vote your shares by proxy on the Internet, by telephone or by mail, or you may also vote in person at the Annual Meeting. For shares held through a broker or nominee, you may vote by submitting voting instructions to your broker or nominee. To reduce our administrative and postage costs, we ask that you vote on the Internet or by telephone, both of which are available 24 hours a day. You may revoke your proxies or change your vote at the times and as described in the “General Information” section of this proxy statement.

If you are a stockholder of record and are voting by proxy, your vote must be received by 11:59 p.m. (Eastern Time) on May 12, 2014 to be counted.

To vote by proxy:

BY INTERNET

- Go to the website indicated on the Notice of Internet Availability of Proxy Materials (the “**Notice**”) and follow the instructions, 24 hours a day, seven days a week.
- You will need the control number included on your Notice or on your proxy card.

BY TELEPHONE

- From a touch-tone telephone, dial the toll-free number on your proxy card and follow the recorded instructions, 24 hours a day, seven days a week.
- You will need the control number included on your Notice or on your proxy card.

BY MAIL

- If you have not already received a proxy card, you may request a proxy card from us by following the instructions on your Notice.
- When you receive the proxy card, mark your selections on the proxy card.
- Date and sign your name exactly as it appears on your proxy card.
- Mail the proxy card in the postage-paid envelope that will be provided to you.

If your Houghton Mifflin Harcourt Company shares are held by your broker as your nominee (that is, in “street name”), you will need to obtain a proxy card from the institution that holds your shares and follow the instructions included on that proxy card regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items but not with respect to “non-discretionary” items. Proposals 1, 2 and 3 (Election of Directors; Advisory Vote on Executive Compensation; and Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation) are non-discretionary items. Proposal 4 (Ratification of the Appointment of the Company’s Independent Registered Public Accounting Firm) is a discretionary item. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes.

YOUR VOTE IS IMPORTANT. THANK YOU FOR VOTING.

**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TUESDAY, MAY 13, 2014, 8:00 A.M. (EASTERN TIME)**

The 2014 Annual Meeting of Stockholders (the “**Annual Meeting**”) of Houghton Mifflin Harcourt Company (the “**Company**”) will be held at the John Hancock Back Bay Events Center, located at 180 Berkeley Street, Boston, Massachusetts 02116, on Tuesday, May 13, 2014, at 8:00 a.m., Eastern Time, or at any subsequent time that may be necessary by any adjournment or postponement of the Annual Meeting. The purposes of the Annual Meeting are for the stockholders to:

- (1) elect nine (9) directors to the board of directors (the “**Board**”), each to serve until the Company’s next annual meeting of stockholders or until their successors are elected and qualified, or until such director’s earlier death, resignation, retirement, disqualification or removal;
- (2) approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers;
- (3) recommend, on a non-binding, advisory basis, the frequency of the non-binding, advisory vote regarding the compensation of the Company’s named executive officers;
- (4) ratify the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2014; and
- (5) transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

The Board has fixed the close of business on March 20, 2014 as the record date for determining the stockholders of the Company entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. Representation of at least a majority of the voting power represented by all outstanding shares of the Company’s common stock entitled to vote at the Annual Meeting is required to constitute a quorum to transact business at the Annual Meeting. Accordingly, it is important that your shares be represented at the Annual Meeting.

We will be using the Securities and Exchange Commission’s Notice and Access model (“**Notice and Access**”), which allows us to deliver proxy materials via the Internet, as the primary means of furnishing proxy materials. We believe Notice and Access provides stockholders with a convenient method to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about March 31, 2014, we will mail to stockholders holding shares in “street name” a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement and our Annual Report for the fiscal year ended December 31, 2013 (our “**2013 Annual Report**”) online and how to vote via the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how to receive a paper copy of the proxy materials and our 2013 Annual Report.

March 27, 2014:

By Order of the Board of Directors,

William F. Bayers
*Executive Vice President, Secretary and General Counsel
Boston, Massachusetts*

YOUR VOTE IS IMPORTANT

We urge you to vote using telephone or Internet voting, if available to you, or if you received these proxy materials by mail, by completing, signing, dating, and returning the enclosed proxy card promptly. Please note that if your shares are held by a bank, broker or other recordholder and you wish to vote them at the Annual Meeting, you must obtain a legal proxy from that recordholder.

**Important Notice Regarding the Availability of
Proxy Materials for the 2014 Annual Meeting of Stockholders
To Be Held on May 13, 2014.**

The Notice of Annual Meeting, proxy statement and the 2013 Annual Report are available at www.hmhco.com.

HOUGHTON MIFFLIN HARCOURT COMPANY

PROXY STATEMENT

GENERAL INFORMATION

As used in this proxy statement, the terms “we,” “us,” “our,” “HMH” and the “Company” refer to Houghton Mifflin Harcourt Company, formerly known as HMH Holdings (Delaware), Inc., and its consolidated subsidiaries, unless otherwise expressly stated or the context otherwise requires.

1. When and where is the Annual Meeting?

Our 2014 Annual Meeting of Stockholders (the “**Annual Meeting**”) will be held at the John Hancock Back Bay Events Center, located at 180 Berkeley Street, Boston, Massachusetts 02116, on Tuesday, May 13, 2014, at 8:00 a.m. Eastern Time, or at any subsequent time that may be necessary by any adjournment or postponement of the Annual Meeting.

2. What is “Notice and Access” and why did the Company elect to use it?

We are making the proxy solicitation materials available to stockholders who hold shares in “street name” electronically via the Internet under the Notice and Access rules and regulations of the U.S. Securities and Exchange Commission (the “**SEC**”). On or about March 31, 2014, we will mail to such stockholders a Notice of Internet Availability of Proxy Materials (“**Notice**”) in lieu of mailing a full set of proxy materials. Accordingly, our proxy materials are first being made available to our stockholders on or about March 31, 2014. The Notice includes information on how to access and review the proxy materials and how to vote via the Internet. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We believe this method of delivery will decrease costs, expedite distribution of proxy materials to you and reduce our environmental impact. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our Annual Meeting. Stockholders who received the Notice but would like to receive a printed copy of the proxy materials in the mail should follow the instructions in the Notice for requesting such materials.

3. Why am I receiving these proxy materials?

We are furnishing you these proxy materials in connection with the solicitation of proxies on behalf of our Board of Directors (the “**Board**”) for use at the Annual Meeting. This proxy statement includes information that we are required to provide under SEC rules and is designed to assist you in voting your shares.

Proxies in proper form received by us at or before the time of the Annual Meeting will be voted as specified. Stockholders may specify their choices by marking the appropriate boxes on your proxy card. If a proxy card is dated, signed and returned without specifying choices, the proxies will be voted in accordance with the recommendations of the Board set forth in this proxy statement, and, in their discretion, upon such other business as may properly come before the Annual Meeting. Business transacted at the Annual Meeting will be confined to the purposes stated in the Notice of Annual Meeting. Shares of our common stock cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy.

4. How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to (1) view on the Internet our proxy materials for the Annual Meeting; and (2) instruct us to send proxy materials to you by email. The proxy materials are also

available on our website at www.hmhco.com in the “Investor Relations” section. Choosing to receive proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment.

5. What is included in the proxy materials?

The proxy materials include:

- our Notice of Annual Meeting of Stockholders;
- this proxy statement; and
- our Annual Report for the year ended December 31, 2013 (the “**2013 Annual Report**”).

If you receive a paper copy of these materials by mail, the proxy materials also include a proxy card.

6. What does it mean if I receive more than one Notice or proxy card on or about the same time?

It generally means you hold shares registered in more than one account. To ensure that all your shares are voted, please sign and return each proxy card or, if you vote by Internet or telephone, vote once for each Notice or proxy card you receive.

7. Who pays the cost of soliciting proxies for the Annual Meeting?

Proxies will be solicited on behalf of the Board by mail, telephone, email or other electronic means or in person, and we will pay the solicitation costs. We will supply our proxy materials, including our 2013 Annual Report, to brokers, dealers, banks and voting trustees, or their nominees for the purpose of soliciting proxies from beneficial owners, and we will reimburse such recordholders for their reasonable expenses.

8. Who is entitled to vote at the Annual Meeting?

In accordance with our Amended and Restated By-Laws (the “**By-Laws**”), the Board has fixed the close of business on March 20, 2014 as the record date (the “**Record Date**”) for determining the stockholders entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. At the close of business on the Record Date, the outstanding number of our voting securities was 139,994,391 shares. Each stockholder is entitled to one vote for each share of common stock he or she held as of the Record Date. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy.

9. What matters will be voted on at the Annual Meeting?

The following matters will be voted on at the Annual Meeting:

- Proposal 1: To elect the nine (9) director nominees who are named in this proxy statement to the Board;
- Proposal 2: To approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers;
- Proposal 3: To recommend, on a non-binding, advisory basis, the frequency of the non-binding, advisory vote regarding the compensation of the Company’s named executive officers;
- Proposal 4: To ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014; and
- Such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

10. What is the vote required for each proposal and what are my voting choices?

Proposal	Vote Required	Broker Discretionary Voting Allowed?
Proposal 1 – Election of nine directors	Plurality of the votes cast	No
Proposal 2 – Advisory vote on executive compensation	Majority of the shares entitled to vote and present or represented by proxy	No
Proposal 3 – Advisory vote on frequency of advisory vote on executive compensation	Plurality of the votes cast	No
Proposal 4 – Ratification of auditors for fiscal year 2014	Majority of the shares entitled to vote and present or represented by proxy	Yes

With respect to Proposal 1, the election of directors, you may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to each nominee for director. A “plurality of the votes cast” means that the nine director nominees that receive the most number of votes cast “FOR” will be elected. If you “ABSTAIN” from voting on Proposal 1, the abstention will have an effect on the outcome of the vote (only because the outcome is determined by the number of affirmative votes for each director).

With respect to Proposals 2 and 4 (or on any other matter to be voted on at the Annual Meeting), you may vote “FOR,” “AGAINST” or “ABSTAIN.” If you “ABSTAIN” from voting on either Proposal 2 or 4, the abstention will have the same effect as an “AGAINST” vote.

With respect to Proposal 3, you may vote “EVERY YEAR,” “EVERY TWO YEARS,” “EVERY THREE YEARS” or “ABSTAIN.” If you “ABSTAIN” from voting on Proposal 3, the abstention will have an effect on the outcome of the vote (only because the outcome is determined by the number of affirmative votes for each option).

11. Could other matters be decided at the Annual Meeting?

At the date this proxy statement went to press, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Annual Meeting for consideration and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

12. How does the Board recommend that I vote?

The Board recommends that you vote:

- **FOR** the election of the nine (9) director nominees who are named in this proxy statement to the Board;
- **FOR** the approval, on a non-binding, advisory basis, of the compensation of the Company’s named executive officers;
- **FOR** the recommendation, on a non-binding, advisory basis, of the frequency of the non-binding, advisory vote regarding the compensation of the Company’s named executive officers as “**EVERY YEAR**” (an annual vote); and
- **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

13. How do I vote my shares?

How to vote your shares depends on whether you hold your shares as a “stockholder of record” or as a “beneficial owner,” which terms we explain in Question 14 below. If you are a stockholder of record, you can vote in the following ways:

- *By Internet:* by following the Internet voting instructions included in the proxy package sent you (or by going to www.envisionreports.com/HMHC and following the instructions) at any time up until 11:59 p.m., Eastern Time, on May 12, 2014.
- *By Telephone:* by following the telephone voting instructions included in the proxy package sent to you (i.e., by calling 1-800-652-VOTE (8683) and following the instructions) at any time up until 11:59 p.m., Eastern Time, on May 12, 2014.
- *By Mail:* if you have received a printed copy of the proxy materials from us by mail, you may vote by mail by marking, dating, and signing your proxy card in accordance with the instructions on it and returning it by mail in the pre-addressed reply envelope provided with the proxy materials. The proxy card must be received prior to 11:59 p.m., Eastern Time, on May 12, 2014.
- *In Person:* First, you must satisfy the requirements for admission to the Annual Meeting (see below). Then, if you are a stockholder of record and prefer to vote your shares at the Annual Meeting, you must bring proof of identification along with your Notice, proxy card or proof of ownership. You may then vote your shares in person at the meeting. Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you are a beneficial owner, you should follow the instructions in the Notice or your broker should give you instructions for voting your shares. In these cases, you may vote by Internet, telephone or mail, as applicable. You may vote your shares beneficially held through your broker in person if you attend the Annual Meeting and you obtain a valid proxy from your broker giving you the legal right to vote the shares at the Annual Meeting.

14. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. You are a stockholder of record if, at the close of business on the Record Date, your shares were registered directly in your name with Computershare Trust Company, N.A., our transfer agent and registrar.

Beneficial Owner. You are a beneficial owner if, at the close of business on the Record Date, your shares were held by a brokerage firm or other nominee and not in your name. Being a beneficial owner means that, like most of our stockholders, your shares are held in “street name.” As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will be able to vote your shares as described below.

15. What do I need to be admitted to the Annual Meeting?

You will need *a form of personal identification (such as a driver’s license or passport) along with either your Notice, proxy card or proof of stock ownership* to enter the Annual Meeting. If your shares are held beneficially in the name of a bank, broker or other holder of record and you wish to be admitted to the Annual Meeting, you must present proof of your ownership of Houghton Mifflin Harcourt Company stock, such as a bank or brokerage account statement.

16. Are there other things I should know if I intend to attend the Annual Meeting?

Please note that no cell phones, PDAs, computers, pagers, cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Annual Meeting.

17. What will happen if I do not vote my shares?

Stockholders of Record. If you are the stockholder of record and you do not vote by proxy card, by telephone, via the Internet or in person at the Annual Meeting, your shares will not be voted at the Annual Meeting.

Beneficial Owners. If you are the beneficial owner and you do not direct your broker or nominee how to vote your shares, your broker or nominee may vote your shares only on those proposals for which it has discretion to vote. Under the rules of The NASDAQ Stock Market LLC (“**NASDAQ**”), your broker or nominee generally does not have discretion to vote your shares on significant matters, such as the election of directors and executive compensation proposals, and as such, does not have discretion to vote your shares with regard to Proposals 1, 2 or 3. We believe that Proposal 4 — ratification of our independent auditor — is a routine matter on which brokers and nominees can vote on behalf of their clients, if clients do not furnish voting instructions.

18. What is the effect of a broker non-vote?

Subject to applicable NASDAQ and SEC rules, brokers or other nominees who hold shares for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to certain proposals. Accordingly, a broker non-vote will not impact our ability to obtain a quorum, nor will it impact the outcome of voting on Proposals 1, 2 or 3. Because brokers are entitled to vote on Proposal 4, we do not anticipate any broker non-votes with regard to this proposal.

19. May I revoke my proxy or change my vote?

Yes, our By-Laws provide that you may revoke a proxy you have given at any time before it is voted at the Annual Meeting by: (1) delivering to our Secretary a letter revoking the proxy, which our Secretary must receive prior to the Annual Meeting; (2) delivering to our Secretary a new proxy, bearing a later date than the previous proxy, which our Secretary must receive prior to the Annual Meeting; or (3) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting does not, standing alone, constitute your revocation of a proxy. You may change your vote at any time prior to the voting of your shares at the Annual Meeting by: (1) casting a new vote by telephone or over the Internet by the time and date set forth in Question 13 above; or (2) sending a new proxy card with a later date that is received prior to the Annual Meeting.

20. Where do I send a stockholder proposal for consideration at the Company’s 2015 Annual Meeting of Stockholders?

If you wish to propose a matter for consideration at our 2015 Annual Meeting of Stockholders, the proposal should be mailed by certified mail, return receipt requested, to our Secretary, at the Company’s principal executive office, 222 Berkeley Street, Boston, Massachusetts 02116. To be eligible under the SEC stockholder proposal rule (Rule 14a-8(e) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”)) for inclusion in our proxy statement for the 2015 Annual Meeting of Stockholders and form of proxy expected to be made available in March 2015, a proposal must be received by our Secretary at our principal executive office on or before November 27, 2014 at 5:00 p.m., Eastern Time. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. For additional requirements, see “Stockholder Proposals for the 2015 Annual Meeting” below in this proxy statement.

21. How can I find the results of the Annual Meeting?

We will announce preliminary results at the Annual Meeting. We will publish final results in a current report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

THE BOARD RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NINE DIRECTOR NOMINEES NAMED ABOVE.

CORPORATE GOVERNANCE

Code of Conduct

We have adopted a code of conduct policy (the “**Code of Conduct**”) which applies to all directors, officers and employees of the Company. The Code of Conduct is the foundation of our ethics and compliance program and covers a wide range of areas. Many of our policies are summarized in the Code of Conduct, including our policies regarding conflict of interest, honest and ethical conduct, discrimination and harassment, confidentiality and compliance with laws and regulations applicable to the conduct of our business. All employees are required to comply with the Code of Conduct and are subject to disciplinary action, including termination, for violations. The Code of Conduct is published on our website at www.hmhco.com under the heading “Investor Relations” and is also available in print to any person who requests it by writing to: Houghton Mifflin Harcourt Company, Investor Relations, 222 Berkeley Street, Boston, Massachusetts 02116. Any amendments to the Code of Conduct or the grant of a waiver from a provision of the Code of Conduct requiring disclosure under applicable SEC rules will be disclosed on our website. Under our Code of Conduct all employees have a duty to report any violation or suspected violation of the policy or the law to the appropriate personnel as identified in the policy.

Director Independence

A majority of our directors must be “independent” as such term is defined by the applicable rules and regulations of NASDAQ and the federal securities laws. We have determined that Lawrence K. Fish, John R. McKernan, Jr., John F. Killian, L. Gordon Crovitz, Sheru Chowdhry, Jill A. Greenthal, E. Rogers Novak, Jr., and Jonathan F. Miller are independent, but Sheru Chowdhry does not meet the independence requirements of NASDAQ and Rule 10A-3 of the Exchange Act applicable to members of the Audit Committee.

We also comply with the independence requirements of the federal securities laws and NASDAQ rules relating to the composition of our committees. Under these rules, we are permitted to phase in the independence of our Audit Committee by having a fully independent committee within one year of the listing of our common stock on NASDAQ, which will occur on November 14, 2014. We have a majority of independent members on our Audit Committee and intend to have our Audit Committee to be comprised entirely of independent directors within one year of our initial listing on NASDAQ, as permitted by the applicable rules. Our Compensation Committee and Nominating, Ethics and Governance Committee are comprised entirely of independent directors.

Board Meetings and Annual Meeting Attendance by Board Members

We expect each of our Board members to attend each meeting of the Board and of the committees on which he or she serves. We expect our directors to attend our annual meeting of stockholders. During 2013, the Board met thirteen times and took two actions by unanimous written consent. In 2013, no member of the Board attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board (held during the period for which he or she has been a director) and (ii) the number of meetings held by all committees of the Board (during the periods that he or she served on such committees). All of our directors attended our 2013 Annual Meeting of Stockholders.

Board Policy on Conflicts of Interest and Related Party Transactions

Our corporate governance guidelines establish directors’ duties to adhere to our Code of Conduct, including our policies on conflicts of interest, and to avoid any activity, investment, interest, or association that creates or appears to create a conflict of interest between their personal interests and the best interests of the Company as a whole. We have a compliance committee (the “**Compliance Committee**”), of which the permanent members are our Compliance Officer, who chairs the Compliance Committee, our head of Human Resources, our Corporate Controller, and the head of our Internal Audit function. The Compliance Committee administers the program for ensuring compliance with our Code of Conduct. We require directors to report any potential conflicts of interest

promptly to the Compliance Officer, Compliance Committee or the Legal Department. We do not, without approval of the Audit Committee of the Board, permit a director or executive officer, or his or her immediate family member (i.e., spouse, parent, step-parent, child, step-child, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law or anyone (other than a tenant or employee) who shares that person's home) or any other person meeting the definition of "related person" under Item 404 of Regulation S-K promulgated under the Exchange Act (each, a "**related person**"), to enter into a transaction in which we are a participant if: (a) the amount involved exceeds \$120,000; and (b) the related person has or will have a direct or indirect material interest. We annually solicit information from directors and executive officers to monitor potential conflicts of interest and comply with SEC requirements regarding approval or disclosure of "related person transactions."

Investor Rights Agreement

In connection with our restructuring, on June 22, 2012, we entered into an investor rights agreement (the "**Investor Rights Agreement**") with our new stockholders. The Investor Rights Agreements contains, among others, provisions granting our stockholders party thereto from time to time certain registration rights as described in further detail below and provisions related to confidentiality, holdback agreements and our public reporting obligations.

Registration Rights

The Investor Rights Agreement provides our stockholders party thereto from time to time with certain registration rights.

Under the Investor Rights Agreement, we are required to use commercially reasonable efforts to file and cause to become effective, a shelf registration statement (on Form S-3 if permitted) for the benefit of all stockholders party to the Investor Rights Agreement, and any individual holder or holders of 15% or more of our outstanding common stock can demand an unlimited number of "shelf takedowns," so long as the total offering size exceeds \$100 million.

Each holder or holders who own at least 15% of our outstanding common stock have: (i) one Form S-1 demand registration right per annum, which may be conducted in an underwritten offering as long as the total offering price is at least \$100 million; and (ii) unlimited Form S-3 demand registration rights, which may be conducted in underwritten offerings as long as the total offering price is at least \$100 million, each subject to customary cutback provisions.

Each stockholder party to the Investor Rights Agreement has unlimited piggyback registration rights with respect to underwritten offerings, subject to certain exceptions and limitations.

The foregoing registration rights are subject to certain cutback provisions and customary suspension/blackout provisions. We have agreed to pay all registration expenses under the Investor Rights Agreement, except that the selling stockholders may be responsible for their pro rata shares of underwriters' fees, commissions and discounts (subject to the exception described below), stock transfer and certain legal expenses. We will pay the registration expenses for our shelf registration statement we intend to file on or about March 28, 2014 and will be required to pay certain expenses of the selling stockholders, including one firm of counsel for the selling stockholders, for any shelf takedown under the shelf registration statement. Under the Investor Rights Agreement, we have agreed to pay all underwriting discounts and commissions applicable to the sale of the common stock in connection with the first underwritten demand registration or shelf takedown by stockholders under the shelf registration statement. In connection with the registrations described above, we have agreed to indemnify the stockholders against certain liabilities. In addition, pursuant to the terms of the Investor Rights Agreement, in November of 2013, we paid the underwriting discounts and commissions applicable to the selling stockholders' sale of our common stock in our initial public offering, which were \$0.72 per share, for a total of approximately \$15.1 million.

The Investor Rights Agreement also contains certain holdback agreements that apply to each stockholder party to the Investor Rights Agreement. Generally, without our prior consent and subject to limited exceptions, the stockholders party to the Investor Rights Agreement have agreed not to publicly sell or distribute our equity securities for the 180-day period beginning on the date of pricing of our initial public offering and, if participating in a future shelf takedown or other underwritten public offering, during the seven days prior to the pricing of that offering and for the 90-day period beginning on such date.

Indebtedness

Affiliates of certain of our stockholders, including the stockholders holding 5% or more of our common stock, also currently own a portion of our indebtedness, including indebtedness outstanding under our term loan facility.

Indemnification Arrangements

We have entered into agreements with our executive officers and directors to provide contractual indemnification in addition to the indemnification provided for in our charter documents. We believe that these provisions and agreements are necessary to attract qualified executive officers and directors. We have purchased a policy of directors' and officers' liability insurance that insures our officers and directors against the cost of defense, settlement or payment of a judgment in some circumstances and insures us against our obligations to indemnify our officers and directors.

Other

Ms. Jill Greenthal, one of our directors, is a senior advisor to The Blackstone Group L.P. An affiliate of The Blackstone Group L.P. was an underwriter in our initial public offering.

A company controlled by Jason Lee Rhodes, an immediate family member of the Company's Chief Executive Officer, performed web-site design services for the Company in 2013. For the year ended December 31, 2013, the Company was billed \$124,771 for such services.

Board Leadership Structure

We currently separate the roles of Chairman of the Board and the Chief Executive Officer. Our President and CEO, Linda Zecher, is responsible for setting our strategic direction and our day-to-day leadership and performance, while the Chairman of the Board, Lawrence Fish, provides guidance to our CEO and presides over meetings of the Board. The Board believes that the separation of the two roles appropriately balances the need for our CEO to run our day-to-day operations, with significant involvement and authority vested in an outside independent director.

Board Role in Risk Oversight

The Board is responsible for reviewing and approving the risk management strategy and framework consistent with its duty to direct the management of the business and affairs of the Company. The Audit Committee, under powers delegated to it by the Board, is responsible for discussing with the Company's management the major financial, operational, legal, compliance and other significant risks, as well as the Company's risk assessment and risk management policies and practices in place. The Audit Committee works directly with members of senior management and the Company's internal audit team to review and assess our risk management initiatives, including the Company's compliance programs, and reports as appropriate to the Board. In addition, the Audit Committee meets as appropriate: (i) as a committee to discuss the Company's risk management policies and exposures; and (ii) with the Company's independent auditors to review our internal control environment and potential significant risk exposures.

The Compensation Committee oversees the management of risks relating to our executive compensation programs and employee benefit plans. In fulfillment of its duties, the Compensation Committee has direct responsibility for reviewing and approving the compensation of our executive officers and other compensation matters. The Compensation Committee meets regularly with senior management to understand the financial, human resources and stockholder implications of compensation decisions and reports these matters to the Board.

The Nominating, Ethics and Governance Committee oversees risk related to the Company's corporate governance structure and director selection process.

The Board engages in the oversight of risk in various ways. The Board sets goals and standards for the Company's employees, officers and directors. Implicit in this philosophy is the importance of sound corporate governance. It is the duty of the Board to serve as a prudent fiduciary for stockholders and to oversee the management of the Company. During the course of each year, the Board reviews the structure and operation of various departments and functions of the Company. In these reviews, the Board discusses with management, material risks affecting those departments and functions and management's approach to mitigating those risks. The Board reviews and approves management's operating plans and any risks that could affect the results of those operating plans. In its review and approval of annual reports on Form 10-K, the Board reviews the Company's business and related risks, including as described in the "Business," "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of the reports. The Audit Committee updates these risks quarterly in connection with the preparation of quarterly reports on Form 10-Q. When the Board reviews particular transactions and initiatives that require Board approval, or that otherwise merit Board involvement, the Board generally includes related analysis and risk mitigation plans among the matters addressed with senior management. The day-to-day identification and management of risk is the responsibility of the Company's management. As the market environment, industry practices, regulatory requirements and the Company's business evolve, it is expected that senior management and the Board will respond with appropriate risk mitigation strategies and oversight.

Committees of the Board

Our Board has an Audit Committee, a Compensation Committee, and a Nominating, Ethics and Governance Committee. The Board committees are chaired by independent directors, each of whom reports to the Board at Board meetings on the activities and decisions made by their respective committees. The Board makes committee assignments and designates committee chairs based on a director's independence, knowledge and areas of expertise. We believe this structure helps facilitate efficient decision-making and communication among our directors and fosters efficient Board functioning at Board meetings. The Board conducts an annual self-evaluation to determine whether it and its committees are functioning effectively. We describe the current functions and members of each committee below. More detailed descriptions of the functions, duties and responsibilities of the Audit Committee, the Compensation Committee and the Nominating, Ethics and Governance Committee are included in each committee's respective charter, which are each available in the link entitled "Corporate Governance" located within the "Investor Relations" section of our website at www.hmhco.com.

- (1) *The Board has determined that all Audit Committee members: (A) are financially literate; and (B) meet the criteria for independence set forth in Rule 10A-3 under the Exchange Act and Rule 5605 of the NASDAQ rules, except Mr. Chowdhry does not meet the independence requirements of NASDAQ and Rule 10A-3 of the Exchange Act applicable to members of the Audit Committee. As permitted by applicable NASDAQ and SEC rules, we intend to have an Audit Committee comprised entirely of directors meeting the independence requirements set forth in Rule 10A-3 under the Exchange Act and Rule 5605 of the NASDAQ rules applicable to members of the Audit Committee within one year of our initial listing. We believe Mr. Chowdhry's participation on the Audit Committee has been useful during our transition from a private to a public company and has not affected the ability of our Audit Committee to act independently or satisfy our obligations under Rule 10A-3 of the Exchange Act.*
- (2) *All members of the Compensation Committee meet the standards for independence required by NASDAQ.*
- (3) *All members of the Nominating, Ethics and Governance Committee meet the standards for independence required by NASDAQ.*

Audit Committee

Our Audit Committee Charter, effective in November 2013, sets forth the duties of the Audit Committee. The Audit Committee oversees and meets with management, the internal auditors and the independent auditors to review internal accounting controls and accounting, auditing, and financial reporting matters. Our Audit Committee recommends to the Board the appointment of our independent auditors, reviews and approves the scope of the annual audits of our financial statements, reviews our internal controls over financial reporting, reviews and approves any non-audit services performed by the independent auditors, reviews the findings and recommendations of the internal and independent auditors and periodically reviews major accounting policies. Mr. Killian is the chair of the Audit Committee and is an "audit committee financial expert" under the rules of the SEC implementing Section 407 of the Sarbanes-Oxley Act of 2002.

Compensation Committee

Our Compensation Committee Charter, effective in November 2013, sets forth the duties of the Compensation Committee. The Compensation Committee approves the compensation of our executive officers, executive bonus allocations and other compensation matters. Our Compensation Committee reviews our compensation philosophy and strategy and considers the material risks that face us in evaluating compensation, administers

incentive compensation and equity incentive plans, reviews the CEO's performance and compensation and reviews other special compensation matters, such as executive employment agreements and severance arrangements. Mr. McKernan is the chair of the Compensation Committee.

Compensation Committee Interlocks and Insider Participation. None of the members of the Compensation Committee have ever served as an officer or employee of the Company. During 2013, none of the members of the Compensation Committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of our executive officers served as a member of the board of directors or compensation committee, or similar committee, of any other company whose executive officer(s) served as a member of our board of directors or our Compensation Committee.

The Compensation Committee retained an independent consultant to assist it in fulfilling its responsibilities. Since January 2011, the Compensation Committee has utilized Frederic W. Cook & Co., Inc. as its compensation consultant. Frederic W. Cook & Co. advises the Compensation Committee on a variety of topics, including, among others, our equity compensation program, the evaluation of the alignment of our compensation program with our stockholders' interests, the risks presented by our executive compensation program structure, the assessment of the program compared to our peers and director and executive compensation trends. In retaining and utilizing Frederic W. Cook & Co., the Compensation Committee considered, among other factors, the independence of Frederic W. Cook & Co. according to the factors that it is required to consider under Rule 10C-1 of the Exchange Act and Rule 5605 of the NASDAQ rules. Frederic W. Cook & Co. does not have any other relationship with or provide any other services to us and the Compensation Committee has determined that it is independent and has no conflicts of interest with us.

Nominating, Ethics and Governance Committee

Our Nominating, Ethics and Governance Committee Charter, effective in November 2013, sets forth the duties of the Nominating, Ethics and Governance Committee. The Nominating, Ethics and Governance Committee identifies individuals qualified to become members of the Board, develops and recommends corporate governance guidelines and oversees the evaluation of the Board and management. Ms. Greenthal is the chair of the Nominating, Ethics and Governance Committee.

With respect to director nominee procedures, the Nominating, Ethics and Governance Committee utilizes a broad approach for identification of director nominees and may seek recommendations from our directors, officers, stockholders or it may choose to engage a search firm. In evaluating and determining whether to ultimately recommend a person as a candidate for election as a director, the Nominating, Ethics and Governance Committee considers the qualifications set forth in our corporate governance guidelines, including the highest personal and professional ethics, integrity and values, demonstrated business acumen, experience and ability to use sound judgment to contribute to effective oversight of the business or financial affairs of the Company, strategic planning, diversity and independence from management. It also takes into account specific characteristics and expertise that it believes will enhance the diversity of knowledge, expertise, background and personal characteristics of the Board. The Nominating, Ethics and Governance Committee may engage a third party to conduct or assist with the evaluation. Ultimately, the Nominating, Ethics and Governance Committee seeks to recommend to the Board those nominees whose specific qualities, experience and expertise will augment the current Board's composition and whose past experience evidences that they will: (1) dedicate sufficient time, energy and attention to ensure the diligent performance of Board duties; (2) comply with the duties and responsibilities set forth in our corporate governance guidelines and in the By-Laws of the Company; (3) comply with all duties of care, loyalty and confidentiality applicable to them as directors of publicly-traded corporations organized in our jurisdiction of incorporation; and (4) adhere to our Code of Conduct including, but not limited to, the policies on conflicts of interest expressed therein. The Company encourages director and executive officer stock ownership but does not currently have formal guidelines in place regarding the stock ownership of its directors. The Nominating, Ethics and Governance Committee periodically monitors director stock ownership levels to determine whether formal guidelines are warranted.

The Nominating, Ethics and Governance Committee considers stockholder recommendations of qualified nominees when such recommendations are submitted in accordance with the procedures described in the By-Laws. To have a nominee considered by the Nominating, Ethics and Governance Committee for election at the 2015 Annual Meeting of Stockholders, a stockholder must submit the recommendation in writing to the attention of our Secretary at our corporate headquarters no later than February 12, 2015 and no sooner than January 13, 2015. Any such recommendation must include the information required under our By-Laws. Once we receive the recommendation, we will deliver to the stockholder nominee a questionnaire that requests additional information about his or her independence, qualifications and other matters that would assist the Nominating, Ethics and Governance Committee in evaluating the stockholder nominee, as well as certain information that must be disclosed about him or her in our proxy statement or other regulatory filings, if nominated. Stockholder nominees must complete and return the questionnaire within the timeframe provided to be considered for nomination by the Nominating, Ethics and Governance Committee.

Other than Mr. Chowdhry, the Nominating, Ethics and Governance Committee received no recommendation for a director nominee from any stockholder for the director election to be held at the Annual Meeting.

Director Nomination Agreement

We are party to the Director Nomination Agreement with investment funds and managed accounts affiliated with Paulson. Under the Director Nomination Agreement, Paulson has the right to nominate a director to our Board (the “**Holder Director**”). Paulson’s right to nominate the Holder Director to our Board will continue so long as Paulson holds at least 15% of our issued and outstanding common stock. The current Holder Director and current nominee for Holder Director at the Annual Meeting is Mr. Chowdhry.

Under the Director Nomination Agreement, we have agreed to take all actions reasonably necessary to ensure that Paulson’s nominee is included in the Board’s slate of nominees for each election of directors, the nominee is included in our proxy statement for each stockholder meeting to elect directors and each replacement nominee is elected by our Board to fill a vacancy created by the Holder Director or as a replacement. If requested by Paulson, we have also agreed to cause the Holder Director to be designated as a member of each committee of our Board unless the designation would violate legal restrictions or the rules and regulations of the national securities exchange on which our common stock is listed. If the Holder Director is not Mr. Chowdhry, the nominee must be selected in consultation with our Nominating, Ethics and Governance Committee. Under the Director Nomination Agreement, if Paulson transfers at least 15% of our issued and outstanding common stock to a transferee, the nominating rights with respect to the Holder Director (and any successor in the event of a vacancy) may be assigned to that transferee, subject to our consent (which may not be unreasonably withheld) but may not be assigned to any subsequent transferees.

Executive Sessions of Non-Management Directors

The Board has regularly scheduled executive sessions during the year at which non-management directors are not present and over which the Chairman presides.

Communications with the Board of Directors

The Board has established the following procedure for stockholders to communicate with members of the Board and for all interested parties to communicate with the presiding director or the non-management directors as a group. All such communications should be addressed to the attention of our Secretary at our corporate headquarters located at 222 Berkeley Street, Boston, Massachusetts 02116. The Secretary collects and maintains a log of each such communication and forwards any that the Secretary believes requires immediate attention to the appropriate member or group of members of the Board, who then determines how such communication should be addressed.

DIRECTOR COMPENSATION

The Nominating, Ethics and Governance Committee of our board of directors is responsible for reviewing and recommending non-employee director compensation to the full board for its approval. We pay our non-employee directors a mix of cash and equity-based compensation. We do not provide any perquisites or retirement benefits to our non-employee directors. We do not provide any additional compensation to our employee directors for serving as board members.

The compensation paid to our non-employee directors consists of an annual retainer for board service, of which a portion is paid in cash and a portion in equity, plus an annual cash retainer for service as a member or chair of certain committees. Our non-employee directors (other than the Chairman of the Board) receive annual compensation of \$165,000, of which \$80,000 is payable in cash and \$85,000 is payable in the form of RSUs described below. Our Chairman receives annual compensation of \$250,000, of which \$120,000 is payable in cash and \$130,000 is payable in RSUs. The Company also reimburses all of its directors for expenses they incur in connection with attending Board and committee meetings.

Each member of the Audit Committee (other than the Chairperson) receives an annual retainer of \$10,000, and the Chairperson of the Audit Committee receives an annual retainer of \$25,000. Each member of the Compensation Committee (other than the Chairperson) receives an annual retainer of \$10,000, and the Chairperson of the Compensation Committee receives an annual retainer of \$25,000. Each member of the Nominating, Ethics and Governance Committee (other than the Chairperson) receives an annual retainer of \$5,000, and the Chairperson of the Nominating, Ethics and Governance Committee receives an annual retainer of \$12,500. Cash compensation is payable quarterly. The schedule of retainers paid to our non-employee directors in effect as of December 31, 2013 is as follows:

Position	Annual Retainer for Membership	Additional Retainer for Chair role
Board of Directors	\$165,000	\$85,000
Audit Committee	\$ 10,000	\$15,000
Compensation Committee	\$ 10,000	\$15,000
Nominating, Ethics and Governance Committee	\$ 5,000	\$ 7,500

Prior to Fiscal 2013, equity grants to our non-employee directors were made at different times (generally based on the date they joined the Board). The Board decided that for administrative convenience it would generally make all ongoing grants to non-employee directors on a single date, except in the case of new directors joining during the year. The Board determined to use June 22 (the anniversary of our emergence from bankruptcy) as the grant date for Fiscal 2013, and that such grant would cover the period from the date of grant through May 31, 2014, with future grants expected to be made on June 1, 2014 and each June 1 thereafter. The resulting annual RSU grant for Fiscal 2013 was prorated to reflect that the period covered by this grant was less than a full year. In addition, in the case of Messrs. Crovitz, McKernan and Novak (each of whose immediately preceding RSU grant was awarded less than one year prior to the date of the Fiscal 2013 grant (i.e., after June 22, 2012)), the Fiscal 2013 RSU grant was further reduced to reflect that the immediately preceding grant covered less than a full year of service on the Board. The resulting pro-rated dollar amount of each non-employee director's annual RSU grant is shown in the Director Compensation Table below. The grants of RSUs in Fiscal 2013 were valued based on a \$13.38 per share value, which was the fair value of the common stock at the time of grant. The RSUs generally vest on the first anniversary of the date of grant, subject to continued service as a member of the Board (except that the Fiscal 2013 grant will vest on May 31, 2014 in accordance with the new alignment of annual grants to occur on June 1, 2014).

Compensation Program Philosophy and Objectives

The goal of the Company's compensation program for its named executive officers is the same as for the entire Company, which is to foster compensation policies and practices that attract, engage, and motivate high caliber talent by offering a competitive pay and benefits program. The Company is committed to a total compensation philosophy and structure that provides flexibility in responding to market factors; rewards and recognizes superior performance; aligns our management's interests with those of long-term shareholders; attracts highly skilled, experienced, and capable employees; and is fair and fiscally responsible. The Compensation Committee does not adhere to rigid formulas when determining the amount and mix of compensation elements.

Compensation elements for each executive are reviewed in a manner that optimizes the executive's contribution to the Company and reflects an evaluation of the compensation paid by the Company's competitors. The Compensation Committee reviews both current pay and the opportunity for future compensation to achieve an appropriate mix between equity incentive awards and cash payments in order to meet its objectives. The mix of compensation elements is designed to reward recent results and motivate long-term performance through a combination of cash and equity incentive awards.

Our executive compensation program consists of the following elements:

Compensation Element	Objective
Base Salary	<ul style="list-style-type: none">• Attract and retain talented and skilled employees by providing a competitive, fixed level of cash compensation
Annual Cash Bonus	<ul style="list-style-type: none">• Motivate and reward employees to achieve or exceed our current-year financial goals by providing variable, performance-based cash compensation earned based on achieving pre-established annual goals
Equity/Long-term Incentives	<ul style="list-style-type: none">• Align an employee's interest with that of our stockholders and encourage executive decision-making that maximizes value creation over the long-term by using grants of stock options (provide value only to the extent that the stock price increases over the grant price) and restricted stock units (both of which aid in retention of key employees in a highly competitive market for talent)
Employee Benefits	<ul style="list-style-type: none">• Enhance our competitiveness in the markets in which we compete for executive talent
Employment and Severance Arrangements	<ul style="list-style-type: none">• Enable us to attract and retain talented executives• Protect our interests through appropriate restrictive post-employment covenants, including non-competition and non-solicitation• Enable management to analyze objectively any potential change in control transaction and provide for continuity of management through any potential change in control situation

The Process of Setting Executive Compensation

Our Compensation Committee meets throughout the year to evaluate the performance of our named executive officers, to determine their bonuses for the prior fiscal year, to establish the individual and corporate performance objectives for each executive for the current fiscal year, and to consider and approve any grants of equity

incentive compensation. Our Compensation Committee also reviews the appropriateness of the financial measures used in our incentive plans and the degree of difficulty in achieving specific performance targets. Our Compensation Committee engages in an active dialogue with our CEO concerning strategic objectives and performance targets. All Compensation Committee decisions are recommended to the board of directors and the board of directors ultimately makes the final determination.

In making compensation decisions, the Compensation Committee considers the following:

- *Company Performance.* The Compensation Committee reviews the Company's operational performance and the achievement of its pre-established goals for the fiscal year.
- *Executives' Performance.* The Compensation Committee evaluates an executive's performance during the year including leadership qualities, responsibilities, and contribution to the Company's performance. The relative importance of each factor varies among the Company's named executive officers depending on their positions and the particular operations or functions for which they are responsible.
- *Recommendations of the Chief Executive Officer.* The Compensation Committee considers the recommendations of our CEO, who assesses the performance of the other named executive officers and adjustments to their base salary and other elements of compensation.
- *Market Data.* With the assistance of its independent compensation consultant, the Compensation Committee considers market data as a point of reference in determining compensation increases for the named executive officers and in reviewing compensation plan designs.

Management's Role in the Compensation-Setting Process

Our CEO, Ms. Zecher, plays a significant role in the compensation-setting process. Ms. Zecher evaluates the performance of the other named executive officers, recommends business performance targets and objectives for the other named executive officers, and recommends salary and bonus levels and equity awards for other executive officers. All recommendations of Ms. Zecher are subject to Compensation Committee and board of directors approval. Ms. Zecher's compensation, performance targets, and objectives are established and reviewed by the Compensation Committee and upon approval are recommended to the board of directors. The board of directors sets Ms. Zecher's compensation based upon a recommendation from the Compensation Committee.

Independent Compensation Consultant's Role in the Compensation-Setting Process

In Fiscal 2013, the Compensation Committee retained Frederic W. Cook & Co., Inc. ("**F.W. Cook**") as its independent executive compensation consultant. F.W. Cook provides advice to the Compensation Committee on matters related to the fulfillment of the Committee's responsibilities under its charter and on a wide range of executive compensation and related governance matters. As advisor to the Compensation Committee, F.W. Cook is responsible for reviewing management's materials and proposals on behalf of the Committee, reviewing the Company's executive compensation peer group, providing market data on executive compensation plan design and levels, informing the Compensation Committee of developing trends and regulatory considerations affecting executive compensation and benefit programs, and providing general advice to the Compensation Committee with respect to compensation decisions pertaining to the CEO and other executive officers. In accordance with applicable SEC and NASDAQ requirements, the Committee reviewed F.W. Cook's independence and concluded that the work of the compensation consultant did not raise any conflicts of interest.

Peer Group

The Compensation Committee utilizes a peer group to periodically evaluate the competitiveness of executive officer compensation opportunities and to benchmark the Company's executive compensation program design

and governance features. The Compensation Committee aims to identify companies that are of comparable size (based on revenue and market capitalization) and are in the same or a similar industry focusing on publishing and educational content. In Fiscal 2013, the Compensation Committee approved a peer group consisting of the following 16 companies:

Blackbaud Inc.	The E.W. Scripps Company	K12 Inc.	Nuance Communications Inc.
Bright Horizons Family Solutions Inc.	Gannett Co., Inc.	LeapFrog Enterprises, Inc.	PTC Inc.
Career Education Corp.	Hasbro, Inc.	Meredith Corporation	Scholastic Corp.
DeVry Education Group Inc.	John Wiley & Sons Inc.	The New York Times Company	Take-Two Interactive Software, Inc.

In establishing the compensation arrangements and the employment agreements for our CEO and CFO during Fiscal 2013, the Compensation Committee referenced market data compiled by its independent compensation consultant for the peer group shown above as well as a group of companies that had generally become publicly traded companies within the previous three years.

Elements of Executive Compensation

Base Salary

Base pay provides executives with a base level of regular income. In determining a named executive officer's base salary, we consider the executive's qualifications, experience, and industry knowledge, the quality and effectiveness of their leadership at our Company, the scope of their responsibilities and future potential, the goals and objectives established for the executive, the executive's past performance, internal pay equity, market data for the position, and other factors as deemed appropriate. In addition, we consider the other components of the executive officer's compensation and the mix of performance-based pay to total compensation. The Compensation Committee does not apply any specific weighting to these factors. The minimum salaries for the named executive officers are as reflected in applicable employment or offer letter agreements.

The annual base salaries as of December 31, 2013 for our named executive officers were as follows:

<u>Named Executive Officer</u>	<u>Salary</u>
Linda K. Zecher	\$850,000
Eric L. Shuman	\$550,000
Mary J. Cullinane	\$325,000
Lee R. Ramsayer	\$400,000
Brook M. Colangelo	\$275,000

Annual Cash Bonus

Our Fiscal 2013 bonus program is intended to motivate and reward performance by providing incentive bonuses based upon meeting and exceeding individual and Company performance goals. For Fiscal 2013, we awarded annual incentive bonuses to our named executive officers under our senior executive bonus plan (the “**Bonus Plan**”). Each named executive officer has a specified payout target as a percentage of base salary based on the executive’s position and level of responsibility. The named executive officers had the following bonus targets (as a percentage of base salary) for Fiscal 2013:

<u>Named Executive Officer</u>	<u>Bonus Target Percentages</u>
Linda K. Zecher	125%
Eric L. Shuman	100%
Mary J. Cullinane	100%
Lee R. Ramsayer	100%
Brook M. Colangelo	75%

Under the Bonus Plan, the amount of the total bonus pool available to participants was determined based upon two bonus objectives: achievement of the Fiscal 2013 corporate adjusted EBITDA target of \$340,000,000 and the revenue target of \$1,470,000,000, including achievement of consumer and international division revenue targets. The Bonus Plan is meant to be self-funding and, pursuant to the Bonus Plan, no bonus pool would be established unless the Company achieved a threshold level of corporate adjusted EBITDA which was set at 89.8% of the target.

In Fiscal 2013, the Company achieved corporate adjusted EBITDA of approximately \$325,000,000 and revenue of approximately \$1,378,600,000. Although the Company did not achieve its financial performance targets, it did exceed the threshold level of corporate adjusted EBITDA. The Compensation Committee, after consultation with the CEO, determined that it was appropriate to pay annual bonuses for Fiscal 2013 at lower than target levels. With respect to our named executive officers other than Ms. Zecher, Ms. Zecher recommended to the Compensation Committee the size of the individual awards by considering such named executive officers’ success in relation to predetermined individual performance goals and the Company’s achievement in comparison to the financial targets set forth above. Ms. Zecher recommended that Mr. Shuman, Ms. Cullinane, Mr. Ramsayer and Mr. Colangelo be paid an annual bonus in an amount equal to 85%, 93%, 95% and 85%, respectively, of each officer’s target bonus, and such awards were approved by the Compensation Committee. With respect to our CEO, the Compensation Committee reviews and evaluates her performance against pre-set performance goals determined by the Compensation Committee, which for Fiscal 2013 included the Company’s revenue and EBITDA targets, and revenue growth targets in its consumer and international division, as well as personal objectives relating to customer relationships, company leadership and management succession and development plans, and enhancing and fostering the company’s culture as it relates to accountability, pay for performance, and open communication and employee engagement. Based on its review of Ms. Zecher’s Fiscal 2013 performance, and the Company’s achievement in comparison to the financial targets set forth above, the Compensation Committee awarded a bonus equal to approximately 85% of her target bonus.

Special Fiscal 2013 Bonuses

Based on the successful completion of the Company’s restructuring in Fiscal 2012 and in recognition of their substantial efforts in the process, the Compensation Committee approved an award on January 30, 2013 of a special bonus (the “**Special Bonus**”) to our CEO and CFO, equal to 100% and 50% of their then base salaries (\$750,000 and \$250,000), respectively, payable in two equal installments. The first installment (50%) of the Special Bonus was paid to the executives immediately in cash. The second installment (50%) was awarded in the form of restricted stock units (“**RSUs**”) pursuant to the MIP (defined below) that vested on the first anniversary of the date of grant.

In August 2013, in connection with the preparation for our initial public offering, we entered into new employment agreements with Ms. Zecher and Mr. Shuman, which were approved by the board of directors upon recommendation of the Compensation Committee. See “—Employment Agreements” for a description of the terms of these new employment agreements. In August 2013, the Compensation Committee also approved a special cash bonus to our CEO of \$1 million. This award was made in connection with the signing of her employment agreement and also in recognition of her substantial contributions since joining the Company in navigating the restructuring and preparing the Company for its initial public offering.

Equity Incentives

Equity-based awards provide the Company with the flexibility to motivate, attract, and retain the services of employees upon whose judgment, interest, and special effort the successful conduct of our operation is largely dependent. We believe that equity awards provide long-term incentives to executive officers because they tie the executive officers’ financial interests to those of our shareholders. In connection with our emergence from bankruptcy, all previously granted equity awards were cancelled. All equity awards that have been granted following the emergence from bankruptcy (including after our initial public offering) are made under our 2012 Management Incentive Plan (the “**MIP**”), which is designed to align the interests of our stockholders and executive officers by increasing the proprietary interest of our executive officers in our growth and success, to advance our interests by attracting and retaining key employees, and motivating such executives to act in our long-term best interests. To date, we have granted equity awards in the form of stock options and RSUs to promote the success and enhance the value of the Company by providing participants with an incentive for increasing shareholder value.

In accordance with the MIP, the exercise price of all stock options cannot be less than 100% of the fair value (as determined under the MIP) of the common stock on the date of the grant. Stock options generally are subject to a four-year vesting schedule and expire seven years after the date of grant. RSUs generally are subject to a three-year vesting schedule, except for the RSUs granted to Ms. Zecher and Mr. Shuman pursuant to the Special Bonus described above, which vested upon the one year anniversary following the date of grant.

In connection with the entry into the new employment agreements with Ms. Zecher and Mr. Shuman as we were preparing for our initial public offering, the Compensation Committee recommended and the board of directors approved grants to Ms. Zecher and Mr. Shuman of 110,000 and 20,000 RSUs, respectively. See “—Employment Agreements” for a description of the terms of these new employment agreements. These RSUs vest in equal installments on each of the first three anniversaries of the grant date. In addition, the Compensation Committee, acting on the recommendation of Ms. Zecher, approved grants in Fiscal 2013 of stock options to Ms. Cullinane and Messrs. Ramsayer and Colangelo, in recognition of their expanded responsibilities at the Company. These stock option grants vest in equal installments on each of the first four anniversaries of the grant date.

See the “Grants of Plan-Based Awards For Fiscal Year 2013” table for a more detailed description of each equity award granted in Fiscal 2013 to our named executive officers.

On January 31, 2014, the CEO recommended and the Compensation Committee approved grants of RSUs to our named executive officers other than our CEO (as well as to other employees, including the CEO’s direct reports) reflecting their performance and contributions to the Company during Fiscal 2013, as follows:

Named Executive Officer	RSUs Granted in Fiscal 2014
Linda K. Zecher	0
Eric L. Shuman	2,599
Mary J. Cullinane	1,300
Lee R. Ramsayer	1,300
Brook M. Colangelo	1,300

Because these RSU grants were made during Fiscal 2014, they do not appear in the Summary Compensation Table or the Grants of Plan-Based Awards Table for Fiscal 2013 in this proxy statement.

Employee Benefits

Executive officers participate in other employee benefit plans generally available to all employees on the same terms, such as a 401(k) plan with a Company matching contribution. In addition, certain executive officers participate in an executive life insurance plan. We also provide parking, tax preparation, moving expenses, and tax gross-ups for moving expenses to certain of our named executive officers. These plans are designed to enable us to attract, retain and focus our executive officers in a competitive marketplace.

Employment Agreements and Change in Control Arrangements

As noted above, in Fiscal 2013 we entered into new employment agreements with our CEO and CFO in connection with the preparation for our initial public offering. We previously entered into employment offer letters with our other named executive officers. See “—Employment Agreements” and “—Potential Post-Employment Payments Upon Termination or Change in Control” for a description of the terms of these arrangements.

We believe that companies should provide reasonable severance benefits to executive officers due to the greater level of difficulty they face in finding comparable employment in a short period of time and greater risk of job loss or modification as a result of a change-in-control transaction than other employees. In recognition of the need to retain key personnel during a period of significant change and uncertainty, we adopted the HMM Holdings (Delaware), Inc. Change in Control Severance Plan (the “**Change in Control Severance Plan**”) in December 2012. The Change in Control Severance Plan is designed (i) to retain our executives and (ii) to align their interests with our stockholders’ interests so that they can consider transactions that are in the best interests of our stockholders and maintain their focus without concern regarding how any such transaction might personally affect them. The Change in Control Severance Plan provides for “double trigger” severance payments, which means that both a change in control and a termination of employment must occur in order for a named executive officer’s severance benefits to be triggered in connection with a change in control.

See “—Potential Post-Employment Payments Upon Termination or Change in Control” for a more detailed description of the benefits payable under the Change in Control Severance Plan.

Looking Forward to Fiscal 2014

In early 2014, with the assistance of F. W. Cook, the Committee undertook an in-depth review of the design of the Company’s annual incentive plan. Its primary objectives in redesigning the plan were to continue to focus the management team on driving growth in revenue and profit and to utilize a more metric-based funding approach while retaining some discretion to motivate and reward achievement of individual and strategic objectives. In February 2014, the Committee approved a revised annual incentive plan which, for the CEO and her direct reports, will be based 90% on the achievement of specific revenue and EBITDA goals and 10% on the achievement of individual objectives, which may be financial and strategic in nature.

Throughout the course of 2014, the Committee plans to review additional components of the executive compensation program with specific focus on long-term incentives. The Committee will also conduct an assessment of risk related to our executive compensation programs.

Employment Agreements

We have entered into an employment agreement with each of our named executive officers. Potential Post-Employment Payments Upon Termination or Change in Control

Change in Control Severance Plan

We maintain the Change in Control Severance Plan to help retain key executives by reducing personal uncertainty that may arise from the possibility of a change in control, and to promote their objectivity and neutrality in evaluating transactions that may be in the best interest of the Company and our shareholders. The plan establishes objective criteria to determine whether a change in control has occurred, and provides for severance payments and benefits only on a “double trigger” basis. The “double trigger” design is intended to further our goals to retain key executives upon a change in control.

Each named executive officer participates in the Change in Control Severance Plan. Under this plan, if the executive’s employment is terminated by us other than for “cause” (as defined in the MIP as described below under “Equity Award Provisions”), and other than due to death or disability, or if the executive resigns for “good reason” within two years after a “change in control” or the period commencing on the date of entry into a definitive agreement or following a public announcement by the Company of a transaction or transactions that would result in a change in control (but not earlier than six months preceding the change in control) (the “Change in Control Protection Period”), then HMH or its successor will be obligated to pay or provide the following benefits upon the employee’s execution of a release of claims:

- A lump sum payment equal to two times annual base salary; plus
- A lump sum payment equal to 200% (in the case of Ms. Zecher and Mr. Shuman) or 100% (for other named executive officers) of the officer’s target annual bonus; plus
- A lump sum payment equal to a pro-rata portion of the target annual bonus.

The plan provides for a cutback of severance payments to the safe harbor amount if the payments would be subject to the excise tax imposed by Section 4999 of the Code but only if such reduction would result in a greater net payment to the executive than he or she would have received without such reduction but after paying the excise tax.

The term “good reason” generally means (a) material adverse change in duties or reporting relationship, (b) reduction in salary or annual bonus opportunity not in connection with an across-the-board reduction for other senior executives of the Company, or (c) forced relocation to a place of employment more than fifty miles from the employee’s place of employment immediately prior to the change in control; provided, however, that no termination of an employee’s employment will constitute a termination for good reason unless (i) the executive has first provided the Company with written notice specifically identifying the acts or omissions constituting the grounds for good reason within thirty days after the executive has or should reasonably be expected to have had knowledge of the occurrence thereof, (ii) the Company has not cured such acts or omissions within thirty days of its actual receipt of such notice, and (iii) the effective date of the employee’s termination for good reason occurs no later than ninety days after the initial existence of the facts or circumstances constituting good reason.

The term “change in control” generally means, unless otherwise provided in any employment agreement between the Company and the applicable employee, the occurrence of any one of the following events:

- (i) any person (as such term is used in Section 13(d) of the Exchange Act) (other than a “permitted holder” (as defined in the Change in Control Severance Plan)), together with its affiliates (other than a permitted holder), is or becomes the beneficial owner, directly or indirectly, of more than 50% of the outstanding common stock or voting power of the Company by merger, consolidation, reorganization, or otherwise;
- (ii) the sale of all or substantially all of the Company’s assets, determined on a consolidated basis, to any person or group (as such term is used in Section 13(d) of the Exchange Act) of persons (other than any permitted holder or their affiliates); or
- (iii) the Company combines with another company if, immediately after such combination, the shareholders of the Company immediately prior to the combination hold, directly or indirectly, less than 50% of the

capital stock (of any class or classes) having general voting power under ordinary circumstances, in the absence of contingencies, to elect the directors of the Company of the combined entity; provided, however, that for purposes of this definition, no group will be deemed to have been formed solely by virtue of the execution and delivery of the Restructuring Support Agreement and the Investor Rights Agreement (each as defined in the Change in Control Severance Plan). In addition, the board of directors may specifically provide that an event or transaction that would not otherwise qualify as a Change in Control be treated as a Change in Control for purposes of the Plan.

Equity Award Provisions

According to the terms of our MIP, unless otherwise stated in an award agreement, if a named executive officer's employment is terminated due to their death or disability or for any other reason except by us for "cause" (as defined below), the unvested portion of their equity awards will expire on the date they are terminated. The vested portion of stock option awards will remain exercisable until the earlier of either the expiration of the option period or 12 months after such termination in the case of termination due to death or disability, 30 days in the case of a voluntary resignation, or 90 days (180 days for Ms. Zecher) after any other termination other than termination by us for cause. If we terminate any named executive officer's employment for cause, both the unvested and vested equity awards will terminate on the same date their employment is terminated.

Upon a change in control (as defined as in the Change in Control Severance Plan, except that the board of directors does not have an explicit right to provide that an event or transaction that would not otherwise qualify as a change in control be treated as a change in control for purposes of the MIP), and unless otherwise determined by the Compensation Committee and specified in the applicable award notice, all stock options outstanding under the MIP will vest and become exercisable with respect to 100% of the shares of our common stock covered by such stock option.

As a condition to the receipt of a stock option grant, the executive signs a restrictive covenant agreement, which restricts competition and solicitation during employment and for one year thereafter, as well as customary confidentiality and non-disparagement provisions.

For purposes of the MIP, the term "cause" generally means, unless an award notice under the MIP states otherwise, (i) commission or guilty plea or plea of no contest to a felony (or its equivalent under applicable law) or any crime that involves moral turpitude, (ii) conduct that constitutes fraud or embezzlement or any acts of dishonesty in relation to his or her duties with the Company or our affiliates, (iii) engaging in gross negligence, bad faith, or intentional misconduct which causes either reputational or economic harm to the Company or our affiliates, (iv) continued refusal to substantially perform his or her essential duties with respect to the Company or our affiliates, which refusal is not remedied within ten days after written notice from the board of directors, or (v) breach of obligations under any service contract with the Company or our affiliates or any written Company employment policy, including any code of conduct, which is not cured, if curable, within ten days after Company notification of such breach.

Pursuant to their award agreements, RSUs granted in January 2013 to Ms. Zecher and Mr. Shuman fully vest upon a change in control, a termination by us without cause, or a termination of employment due to death or disability. In addition to the above accelerated vesting, Ms. Zecher's August 2013 RSU award also fully vests upon her termination for good reason or the non-renewal of her employment agreement. Mr. Shuman's August 2013 award provides that (i) his award fully vests upon a change in control or a termination due to death or disability and (ii) if his service is terminated (x) by a successor to Ms. Zecher as CEO without cause during the period beginning on appointment of a successor to Ms. Zecher as CEO and ending three months thereafter, or (y) executive's employment voluntarily terminates for good reason during such period, the executive would be entitled to receive immediate accelerated vesting of unvested equity awards determined as if he had completed twelve additional months of employment.

Employment Agreement for Linda K. Zecher

Pursuant to the Zecher Agreement, upon a termination by us without “cause”, by Ms. Zecher for “good reason” (each as defined below) or due to our non-renewal of the Zecher Agreement, she would be entitled to payment of any bonus earned for the prior fiscal year and vested benefits accrued under other plans, and she would be entitled, subject to her execution of a release of claims, to receive (A) two years of base salary, 50% of which would be paid during the twelve months following such termination with the remainder to be paid in a lump sum on the first anniversary of such termination; (B) an immediate lump sum payment in an amount after taxes sufficient so that Ms. Zecher can pay for one year of COBRA coverage; (C) immediate accelerated vesting of unvested equity awards that would have vested assuming for such purpose that Ms. Zecher had completed an additional twelve months of employment (other than the RSUs granted pursuant to the Zecher Agreement, which would become immediately fully vested), provided that one hundred percent of any then unvested equity awards will immediately vest if such termination of employment occurs during the Change in Control Protection Period (as defined above for the Change in Control Severance Plan); and (D) a pro-rata portion of her annual bonus for the year of termination, payment to be made by the following March 15 based on actual performance. Ms. Zecher is entitled to participate in the Change in Control Severance Plan and, if she becomes entitled to both regular severance and severance under the Change in Control Severance Plan, she will receive the greater of the applicable payments. Pursuant to the Zecher Agreement, no termination or modification in any manner of the terms and conditions of Ms. Zecher’s participation in the Change in Control Severance Plan may be made without her written consent. Ms. Zecher is also entitled to payment of a pro-rata bonus for the year of termination, plus any accrued amounts, upon termination of her employment due to death or disability.

For purposes of the Zecher Agreement and the Shuman Agreement, “cause” generally means: (i) executive’s commission of, or guilty plea or plea of no contest to, a felony (or its equivalent under applicable law) or any crime that involves moral turpitude, (ii) conduct by executive that constitutes fraud or embezzlement or any acts of intentional dishonesty in relation to her or his duties hereunder, (iii) executive having engaged in gross negligence, bad faith or intentional misconduct which causes, or in our reasonable judgment, is likely to cause, either reputational or economic harm to us, (iv) executive’s continued refusal to substantially perform her or his essential duties hereunder, which refusal is not cured, if curable, within ten (10) days after written notice from our board (or our CEO in the case of Mr. Shuman) (which notice specifies in reasonable detail the grounds constituting cause under this subclause), or (v) executive’s material breach of her or his obligations under any of our written policies, including any code of conduct, which is not cured, if curable, within ten days after we notify executive of such breach (which notice specifies in reasonable detail the grounds constituting cause under this subclause). For the avoidance of doubt, “cause” shall not include (i) below par or below average financial performance, in and of itself, (ii) traffic violations, (iii) expense reimbursement disputes when executive acts in reasonable good faith and (iv) acting in good faith upon advice of our legal counsel.

For purposes of the Zecher Agreement and the Shuman Agreement, “good reason” generally means executive’s voluntary termination, upon thirty (30) days prior written notice to us, after any one of the following events: (i) a material reduction or change in job duties, responsibilities and requirements materially inconsistent with executive’s position with us and executive’s prior duties, responsibilities and requirements (including, a material reduction due to our becoming part of a larger entity, unless executive receives substantially the same level of job duties, responsibilities and requirements with respect to the total combined entity and not only with respect to us as a division, subsidiary or business unit of the total combined entity); (ii) a material change in reporting relationship; (iii) executive being required to relocate to a facility or location more than thirty miles outside of Boston, Massachusetts without her or his written consent; or (iv) a material breach of the Zecher Agreement or the Shuman Agreement; provided, however, that a voluntary termination by executive shall not constitute good reason if such event or events are cured by us within thirty days after receipt of written notice from such executive of executive’s intent to terminate employment for good reason.

Employment Agreement for Eric L. Shuman

Pursuant to the Shuman Agreement, upon a termination by us without “cause”, by Mr. Shuman for “good reason” (each as defined above) or due to our non-renewal of the Shuman Agreement, he would be entitled to payment of any bonus earned for the prior fiscal year and vested benefits accrued under other plans, and, subject to his execution of a release of claims, to receive (A) 1.5 years of base salary, two-thirds of which shall be paid during the twelve months following such termination with the remainder to be paid in a lump sum on the first anniversary of such termination, (B) if (1) a successor to Ms. Zecher as CEO terminates Mr. Shuman without cause during the period beginning on appointment of a successor to Ms. Zecher as CEO and ending three months thereafter, or (2) executive’s employment voluntarily terminates for good reason, provided that he submitted notice of such termination during such period, the executive would be entitled to receive immediate accelerated vesting of unvested equity awards determined as if he had completed twelve additional months of employment, provided that one hundred percent of any then unvested equity awards will immediately vest if such termination of employment occurs during the Change in Control Protection Period (as defined above for the Change in Control Severance Plan); and (C) a pro-rata portion of his annual bonus for the year of termination, payment to be made by the following March 15 based on actual performance. Mr. Shuman is entitled to participate in the Change in Control Severance Plan and, if he becomes entitled to both regular severance and severance under the Change in Control Severance Plan, he will receive the greater of the applicable payments. Pursuant to the Shuman Agreement, no termination or modification in any manner of the terms and conditions of Mr. Shuman’s participation in the Change in Control Severance Plan may be made without his written consent. Mr. Shuman is also entitled to payment of a pro-rata bonus for the year of termination, plus any accrued amounts upon termination of his employment due to death or disability.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “**Dodd-Frank Act**”) enables our stockholders to vote to approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers as disclosed in this proxy statement in accordance with the SEC’s rules.

As described in detail in the “Compensation Discussion and Analysis” section of this proxy statement, we are committed to a total compensation philosophy and structure that provides flexibility in responding to market factors; rewards and recognizes superior performance; attracts highly skilled, experienced, and capable employees; and is fair and fiscally responsible.

We ask that you support the compensation of our named executive officers as disclosed in the “Compensation Discussion and Analysis” section of this proxy statement and the related executive compensation tables and accompanying narrative disclosures contained herein. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our stockholders to vote “**FOR**” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers, as described under the heading “Compensation Discussion and Analysis” and the related executive compensation tables and accompanying narrative disclosures contained in the Company’s proxy statement for the Company’s 2014 Annual Meeting of Stockholders.”

Because your vote is advisory, it will not bind us, the Compensation Committee or our Board. However, our Board and our Compensation Committee value the opinions of our stockholders and will review the voting results of this non-binding, advisory vote and take the voting results into consideration when making future decisions regarding our executive compensation programs and policies.

THE BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC.

PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act enables our stockholders to recommend to the Company by vote, on a non-binding, advisory basis, the frequency with which the Company conducts its advisory stockholder vote regarding the compensation of the Company's named executive officers at its annual stockholder meetings in the future. As such, through this proposal, we are providing our stockholders with the opportunity to indicate their preference on how frequently the Company should seek an advisory vote on the compensation of the Company's named executive officers. By voting on this proposal, stockholders may indicate, on a non-binding, advisory basis, whether they would prefer the vote on named executive officer compensation to occur every year, every two years or every three years. Stockholders may also abstain from voting on this proposal.

After careful consideration of this proposal, the Board has determined that an advisory vote on executive compensation that occurs *EVERY YEAR* (an annual vote) is the most appropriate alternative, and therefore our Board recommends that you vote for a one-year interval for the advisory vote on executive compensation. Stockholders are not voting to approve or disapprove the Board's recommendation.

In formulating its recommendation, the Board considered that an annual advisory vote on executive compensation will allow our stockholders to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in our proxy statement every year. Additionally, an annual advisory vote on executive compensation is consistent with our policy of seeking input from, and engaging in discussions with, our stockholders on corporate governance matters and our executive compensation philosophy, policies and practices on a routine basis. We understand that our stockholders may have different views as to what is the best approach, and we look forward to hearing from our stockholders on this proposal.

Stockholders will be able to specify one of the following three preferences for this proposal on the proxy card, Internet voting instruction form, telephone proxy submission or meeting ballot: "EVERY YEAR," "EVERY TWO YEARS" or "EVERY THREE YEARS." Stockholders may also "ABSTAIN" with regard to this proposal.

Because your vote is advisory, it will not bind us, the Compensation Committee or our Board. However, our Board and our Compensation Committee value the opinions of our stockholders and will review the voting results of this vote regarding the frequency of the advisory vote on executive compensation and take the voting results into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation.

THE BOARD RECOMMENDS A VOTE FOR "EVERY YEAR" (AN ANNUAL VOTE) AS THE FREQUENCY WITH WHICH THE COMPANY HOLDS ITS FUTURE ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION.

REPORT OF THE AUDIT COMMITTEE

This report of the Audit Committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the "**Securities Act**"), or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

The Audit Committee's function is more fully described in the Company's Audit Committee Charter.

Our management is responsible for preparing our financial statements and ensuring they are complete and accurate and prepared in accordance with U.S. generally accepted accounting principles. PricewaterhouseCoopers LLP, our independent registered public accounting firm for 2013, was responsible for performing an independent audit of our consolidated financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles.

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2013 with management and with PricewaterhouseCoopers LLP. These audited financial statements are included in our annual report on Form 10-K for the year ended December 31, 2013.

The Audit Committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) in Rule 3200T regarding "*Communication with Audit Committees.*"

The Audit Committee also has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding PricewaterhouseCoopers LLP's communications with the Audit Committee concerning independence, and has discussed with PricewaterhouseCoopers LLP its independence from the Company, its employees and agents and the Board.

Based on the review and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in our annual report on Form 10-K for the year ended December 31, 2013, for filing with the SEC.
