**PROXY STATEMENT**

---

April 6, 2018

**General**

The enclosed proxy is solicited by and on behalf of the Board of Directors (the “*Board*”) of Dillard’s, Inc., a Delaware corporation (the “*Company*”, “*Dillard’s*”, “*we*”, “*us*” or “*our*”), for use at the 2018 Annual Meeting of Stockholders (the “*Annual Meeting*”) to be held on Saturday, May 19, 2018, at 9:00 a.m. CDT, at our principal executive offices, 1600 Cantrell Road, Little Rock, Arkansas, 72201, or at any adjournments or postponements thereof.

**Internet Availability of Proxy Materials**

In accordance with the rules of the Securities and Exchange Commission (the “*SEC*”), we made our proxy statement and form of proxy available by sending a Notice of Internet Availability of Proxy Materials on or about April 6, 2018 to our stockholders of record as of the close of business on March 22, 2018. We also provided access to our proxy materials via the Internet beginning on that date. If you received a Notice of Internet Availability of Proxy Materials by mail and did not receive, but would like to receive, a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in this proxy statement or in the Notice of Internet Availability of Proxy Materials.

**Proxy Voting**

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares are represented by certificates or book entries in your name so that you appear as a stockholder on the records of our stock transfer agent, you may vote by proxy, meaning you authorize individuals named on the proxy card to vote your shares in accordance with your instructions. You may provide this authorization by voting via the Internet at [www.proxyvote.com](http://www.proxyvote.com), by telephone by calling the toll-free telephone number provided in your Notice of Internet Availability of Proxy Materials or (if you have requested paper copies of our proxy materials) by mail by simply signing, dating and mailing a proxy card. In these circumstances, if you do not vote by proxy or in person at the Annual Meeting, your shares will not be voted.

If you own your shares in “street name,” that is, through a brokerage account or in another nominee form, you are a beneficial owner and not a stockholder of record, and therefore must provide instructions to your broker or nominee as to how your shares held by them should be voted. Your ability to vote in person, via the internet, by mail or by telephone depends on the voting procedures of your broker or nominee. Please follow the directions that your broker or nominee provides. In these circumstances, if you do not provide voting instructions, the broker or nominee may nevertheless vote your shares on your behalf with respect to the ratification of the appointment of KPMG LLP (“*KPMG*”) as our independent auditors for fiscal 2018, but not on any other matters being considered at the meeting.

All proxies related to shares held of record as of March 22, 2018, other than those held through the Dillard’s Stock Fund portion of the Dillard’s, Inc. Investment & Employee Stock Ownership Plan

(the “401(k) Plan”), must be submitted no later than 11:59 p.m. EDT on May 18, 2018, and no proxy received after that date and time will be voted at the Annual Meeting. If a stockholder holds Company shares through the 401(k) Plan, such stockholder is entitled to instruct Newport Trust Company (“Newport”), Trustee for the 401(k) Plan (“Trustee”), on how to vote such shares, provided that his or her voting instructions are submitted in accordance with the instructions on the proxy card and received by May 16, 2018 or submitted in accordance with the instructions on the Notice of Internet Availability of Proxy Materials and received by no later than 11:59 p.m. EDT on May 16, 2018 in order to allow sufficient time for votes within the 401(k) Plan to be tabulated by the Trustee. For any shares held through the 401(k) Plan for which timely voting instructions are not received from a 401(k) Plan participant or if no choice is specified on a particular proposal in voting instructions that are timely submitted, such shares will be voted in accordance with the recommendations of the Board of Directors as described herein.

### **Revocation of Proxies**

Any stockholder of record giving a proxy has the power to revoke it at any time before it is voted, either by written revocation delivered to the Corporate Secretary of the Company at our principal executive offices, by attending the Annual Meeting and voting in person or by submitting a subsequent proxy by mail, over the Internet or by telephone. To obtain directions to attend the Annual Meeting and vote in person, please call (501) 376-5965. Proxies solicited herein will be voted in accordance with any directions contained therein, unless the proxy is received in such form or at such time as to render it ineligible to vote, or unless properly revoked. If no choice is specified by a stockholder in a returned proxy, the shares will be voted in accordance with the recommendations of the Board as described herein. If matters of business other than those described in this proxy statement properly come before the Annual Meeting, the persons named in the proxy will vote in accordance with their best judgment on such matters. The proxies solicited herein shall not confer any authority to vote at any meeting of stockholders other than the Annual Meeting to be held on May 19, 2018, or any adjournments or postponements thereof.

### **Record Date; Outstanding Shares**

The stock transfer books of the Company will not be closed, but only stockholders of record at the close of business on March 22, 2018 (the “Record Date”), will be entitled to notice of, and to vote at, the Annual Meeting or at any adjournments or postponements thereof. At that date, there were 23,909,448 shares of the Company’s Class A Common Stock outstanding (“Class A Common Stock”) and 4,010,401 shares of the Company’s Class B Common Stock outstanding (“Class B Common Stock” and, together with Class A Common Stock, “Common Stock”).

### **Quorum; Vote Required**

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding as of the Record Date and entitled to vote at the Annual Meeting is required to establish a quorum at the Annual Meeting.

If a quorum is established, each holder of Class A Common Stock and each holder of Class B Common Stock shall be entitled to one vote on the matters presented at the meeting for each share standing in such holder’s name, except that the holders of Class A Common Stock are empowered as a class to elect one-third of the directors serving on the Company’s Board of Directors and the holders of Class B Common Stock are empowered as a class to elect two-thirds of the directors serving on the Company’s Board of Directors. Stockholders will not be allowed to vote for a greater number of nominees than those named in this proxy statement.

In order to be elected, nominees for Director of each class must receive the affirmative vote of a majority of the shares of that respective class outstanding and eligible to vote in the election. Cumulative voting for Directors is not permitted. The vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and having voting power is required for the ratification of KPMG as the Company's independent registered public accounting firm (Proposal No. 2) and to approve the stockholder proposal (Proposal No. 3).

#### **Abstentions and Broker Non-Votes**

Abstentions will be counted for quorum purposes but will have the effect of a vote against each nominee in the election of directors (Proposal No. 1) and a vote against each of Proposal No. 2 (ratification of KPMG) and Proposal No. 3 (the stockholder proposal).

Brokers holding shares for individual stockholders must vote according to specific instructions they receive from each such individual stockholder. If specific instructions are not received, in some cases, brokers may vote these shares in their discretion. The New York Stock Exchange (the "NYSE"), however, precludes brokers from exercising voting discretion on certain proposals designated under NYSE rules as being "non-routine" without specific instructions from the individual stockholder. This results in a "broker non-vote" on such a proposal. Proposal No. 1 (the election of directors) and Proposal No. 3 (the stockholder proposal) are considered non-routine matters under applicable NYSE rules. As such, a broker cannot vote on these proposals without instructions from the individual stockholder and, therefore, an undetermined number of broker non-votes may occur with respect to these proposals. Broker non-votes will have the effect of a vote against the nominees in the election of directors (Proposal No. 1) but will have no impact on Proposal No. 3 (the stockholder proposal). Proposal No. 2 (the ratification of the appointment of KPMG) is considered a routine matter under applicable NYSE listing rules. Therefore, brokers will be permitted to vote the shares of individual stockholders who do not submit voting instructions for this proposal, and no broker non-votes will occur in connection with the ratification of the appointment of KPMG.

#### **Costs of Solicitation**

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokers, custodians, nominees and other fiduciaries for their charges and expenses in forwarding proxy materials to beneficial owners of shares of the Company's Common Stock. In addition to solicitation by mail, certain officers and employees of the Company may solicit proxies by telephone, fax, e-mail or other electronic means, or in person. These persons will receive no compensation other than their regular salaries.

### **Information regarding the Board and its Committees**

*Controlled Company.* The Company qualifies as a "controlled company" under the NYSE listing standards due to the ownership by W.D. Company, Inc. of shares of Class B Common Stock allowing it to cast more than 50% of votes eligible to be cast for the election of two-thirds of the Directors of the Company. In accordance with a provision in NYSE rules for controlled companies, the Company is not required to comply with NYSE listing standards that provide for (1) a majority of the Board of Directors being composed of independent directors, (2) a nominating/corporate governance committee composed solely of independent directors and (3) a compensation committee composed solely of independent directors. Notwithstanding these exemptions, all the members of the Company's Compensation Committee are independent in accordance with the NYSE listing standards. This may change in the future, however, at the Company's discretion.

*Director Independence.* The Board has determined that all of the Class A nominees listed above qualify as independent persons as defined in the Company's by-laws (discussed below). In addition, the Board has affirmatively determined that each of the Class A nominees, as well as Robert C. Connor and H. Lee Hastings, III, who are Class B nominees, has no direct or indirect material relationship with the Company and qualifies as an independent director in accordance with the NYSE listing standards.

*Family Relationships.* William Dillard, II, Drue Matheny, Alex Dillard, Mike Dillard and Denise Mahaffy are siblings. William Dillard, III is the son of William Dillard, II. Alexandra Lucie and Annemarie Jazic are daughters of Alex Dillard.

*Director Nominations.* As provided in the Company's by-laws, the Executive Committee is responsible for nominating individuals to stand for election at each annual meeting of stockholders. Stockholders may also nominate a director nominee pursuant to the Company's by-laws.

The Company's by-laws provide that nominees to represent Class A stockholders on the Company's Board shall be independent persons only. For these purposes, the Company's by-laws define "independent" as a person who: (1) has not been employed by the Company or an affiliate in any executive capacity within the last five years; (2) was not, and is not, a member of a corporation or firm that is one of the Company's paid advisors or consultants; (3) is not employed by a significant customer, supplier or provider of professional services; (4) has no personal services contract with the Company; (5) is not employed by a foundation or university that receives significant grants or endowments from the Company; (6) is not a relative of the management of the Company; (7) is not a stockholder who has signed stockholder agreements legally binding him or her to vote with management; and (8) is not the Chairman of a company on which Dillard's, Inc.'s Chairman or Chief

Executive Officer is also a board member. These independence standards, found in our Corporate Governance Guidelines, are available on the investor relations portion of the Company's website at [www.dillards.com](http://www.dillards.com).

In nominating a slate of directors, the objective is to select individuals with skills and experience that can be of assistance in operating the Company's business. The following core criteria are considered in nominating each candidate:

- *Integrity.* Only persons who have demonstrated in their professional lives the highest ethical standards, maturity and responsibility will be considered.
- *Experience.* A director should have business experience relevant to the Company's business.
- *Judgment and Knowledge.* A director should have the ability to assess the Company's strategy, business plan, and key issues to evaluate the performance of management and to evaluate the Company's financial and operating reports and to provide meaningful analysis of the Company's financial position.
- *Time and Commitment.* Board members must have sufficient time available to become acquainted with the Company, to prepare for Board and committee meetings and to attend meetings.

Candidates who individually possess knowledge, experience and skills in at least one of the following are sought: accounting and finance, business judgment, management, crisis response, industry knowledge or strategy and vision. Diversity is an important consideration in Board composition and is discussed as a factor in connection with each candidate. The Executive Committee has not adopted a formal policy with respect to diversity. The implementation of this consideration occurs when, in addition to the core criteria identified above, the Executive Committee informally discusses whether a potential nominee might also bring to the Board diverse life experiences and perspectives but no single factor controls the determination process.

In order for a Company stockholder to nominate an individual for election to the Board, the stockholder must provide written notice of such nomination to the Company's Corporate Secretary, and the notice must be received by the Company's Corporate Secretary at the principal executive offices of the Company no more than 90 days, and no less than 60 days, before the annual meeting; provided, however, that in the event that less than 70 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, such nomination must be received no later than the close of business on the 10<sup>th</sup> day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. The notice must set forth as to each person whom the stockholder proposes to nominate for election or re-election as a Director, (1) the name, age, business address and residence address of such person, (2) the principal occupation or employment of such person, (3) the class and number of shares of the Company's Common Stock that are beneficially owned by such person and (4) any other information relating to such person that is required, in each case, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "*Exchange Act*") (including without limitation such persons' written consent to being named in the proxy statement as a nominee and to serve as a director if elected). Such notice must also set forth the name and address, as they appear on the Company's books, of the stockholder giving the notice and the class and number of shares of the Company's Common Stock that are beneficially owned by such stockholder. In order for a Company stockholder to recommend (as opposed to nominate) a director candidate, the stockholder must provide written notice of such recommendation to the Company's Corporate Secretary at the principal executive offices of the Company. The Executive Committee will consider director candidates recommended by stockholders and will consider all candidates for director in the same manner regardless of the source of the recommendation.

*Director and Stockholder Meetings.* The Board of Directors met four times during the Company's last fiscal year. During the last fiscal year, all of the individuals serving as director attended at least 75% of the aggregate of (1) the total number of meetings of the Board and (2) the total number of meetings held by all committees of the Board on which they served. The Company encourages each Board member to attend the Company's Annual Meeting. All individuals serving as director at that time were in attendance at the Company's Annual Meeting held on May 20, 2017.

*Executive Sessions; Presiding Director.* As required by the NYSE listing standards, our non-management directors meet on a regularly scheduled basis in executive session at which only non-management directors are present. Our non-management directors choose the presiding director by majority vote for each session. The presiding director is responsible for, among other things, presiding at the executive session of the independent directors for which he or she is chosen to serve and apprising the Chairman of the issues considered at such meetings. Our independent directors also meet at least annually.

*Communications with Directors.* Security holders and other interested persons may contact individual directors, the presiding member of the non-management directors, non-management directors as a group or the Board as a whole, at any time. Your communication should be sent to the individual Director, the "Non-Management Members of the Board of Directors," the "Presiding Member of Non-Management Directors" or the "Board of Directors," as applicable, at 1600 Cantrell Road, Little Rock, Arkansas 72201. In general, any communications delivered to the principal executive offices for forwarding to the Board or specified Board members will be forwarded in accordance with its instructions. However, prior to the communications being forwarded to the Board member, the Corporate Secretary reviews communications and reserves the right not to forward to Board members any inappropriate materials.

*Corporate Governance Guidelines and Code of Conduct.* The Board has adopted Corporate Governance Guidelines and a Code of Conduct that applies to all Company employees, including the Company's executive officers, and the members of the Board. The current versions of these corporate governance documents are available free of charge on the investor relations portion of the Company's website at [www.dillards.com](http://www.dillards.com), and each is available in print to any stockholder who requests copies by contacting Julie J. Guymon, Director of Investor Relations, at 1600 Cantrell Road, Little Rock, Arkansas 72201. The Company will promptly disclose to our stockholders, if required by applicable laws, any amendments to, or waivers from, provisions of the Code of Conduct that apply to our principal executive officer, principal financial officers, principal accounting officer or controller, or persons performing similar functions, by posting such information on our website ([www.dillards.com](http://www.dillards.com)) rather than by filing a Form 8-K.

*Board Committees.* The Board has a standing Audit Committee and Compensation Committee. The Audit Committee and the Compensation Committee have each adopted a written charter, both of which are available on the investor relations portion of the Company's website at [www.dillards.com](http://www.dillards.com). In addition, the Board has an Executive Committee that performs various functions, including those similar to a standing nominating committee. The Executive Committee members are Alex Dillard and William Dillard, II.

The Audit Committee members are H. Lee Hastings, III, Reynie Rutledge, Chairman, and J.C. Watts, Jr. The Board has determined that Reynie Rutledge is an "audit committee financial expert" and that Messrs. Hastings, Rutledge and Watts are independent of management in accordance with the requirements of the NYSE and the SEC for purposes of determining audit committee independence. The Board has also determined that each of Messrs. Hastings, Rutledge and Watts is "financially literate" within the meaning of the listing standards of the NYSE. The Audit Committee held twelve meetings during fiscal 2017.

The Compensation Committee members are Robert C. Connor, Chairman, Frank R. Mori and Nick White. All members of the Compensation Committee are independent as defined by NYSE listing standards. In addition all members of the Compensation Committee qualify as “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act, and as “outside directors” for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee held three meetings during fiscal 2017.

*Board’s Leadership Structure.* Pursuant to the Company’s by-laws, the principal executive officer shall be the Chairman of the Board. Accordingly, the Board has elected William Dillard, II, the Company’s CEO, to serve as its Chairman. The Board believes that this structure is best suited to the interests of the Company and the stockholders at this time because it enables Mr. Dillard to be personally involved in every aspect of leading the Company. The Board believes that Mr. Dillard is uniquely qualified to serve as Chairman because his extensive experience with the Company (over 45 years of service) provides him with the long-term perspective that builds stockholder value and aligns with the long-term interests of the stockholders. In this capacity, he sets the Board agenda, regularly communicates with the other Board members and chairs Board meetings and the Annual Meeting.

Alex Dillard, the Company’s President and a fellow Board member, assists William Dillard, II in the day-to-day supervision of the Company’s business, which provides other members of the management team ready access to, and the benefit of, their combined deep understanding of the cycles and challenges of the retail industry. The close working relationship between the CEO and the President also gives the Board and the Company’s stockholders a veteran leadership team that can address issues quickly and seamlessly.

The Company has no lead independent Director. However, the non-management directors designate one of the independent directors to preside over their executive sessions.

*Board’s Role in Risk Oversight.* While the Company’s management has the primary responsibility for managing risks facing the Company, the Board as a whole is actively involved in and is responsible for the oversight of risk management, including those risks associated with cybersecurity. Our senior management regularly engages in management and oversight of our Information Security programs and regularly updates and engages in discussions with our Board on cybersecurity issues. The Board’s primary goal is to ensure that the risk management processes designed and implemented by the Company’s management are effective.

The Audit Committee is responsible for oversight of the quality and integrity of the Company’s financial statements and internal controls and compliance with legal and regulatory requirements and reviews the annual risk assessment report prepared by the Company’s internal audit group which reports directly to the Audit Committee. Based on the annual risk assessment, the Audit Committee is charged with studying or investigating any matter of interest or concern that it deems appropriate. It also reviews reports describing any anonymous calls made to the Company’s “Ethics Hotline,” together with any other reports of disciplinary or other action taken with respect to material breaches of the Company’s Code of Conduct. In its investigatory capacity, the Audit Committee has the authority to retain outside legal, accounting or other advisors, including the authority to approve the fees payable to such advisors and any other terms of retention. The Audit Committee is also given unrestricted access to the Company’s internal audit group, other Board members, executive officers and independent accountants to the extent necessary to carry out its oversight responsibilities. While acting in this capacity, the Audit Committee has the full authority of the Board.

The Compensation Committee is responsible for reviewing any risks arising from the Company’s compensation policies, particularly with respect to the issue of encouraging inappropriate risk taking by executive management. In assessing compensation-related risks, the Compensation Committee may investigate any matter related thereto, is given full access to all books, records, facilities and personnel

of the Company and, when appropriate, may hire outside legal, accounting or other experts or advisors to assist the Compensation Committee with its work.

The Board’s administration of its risk oversight function has not specifically affected the Board’s leadership structure. The Board believes that its current leadership structure is conducive to, and appropriate for, its oversight of risk management.

## 2017 Director Compensation

During fiscal 2017, non-management Directors received an annual cash retainer of \$100,000 as well as 2,400 restricted shares of the Company’s Class A Common Stock. The restricted shares vest six months after their issuance. The chairmen of the Audit Committee and Compensation Committee also received an additional annual cash retainer of \$25,000. Directors who are also employees of the Company are not separately compensated for their service on the Board.

In 2017, the Compensation Committee engaged Korn Ferry Hay Group (“Hay Group”) as its independent compensation consultant. Hay Group provided the Committee with an analysis of director compensation at the Company’s peer group companies for use in determining the Company’s director compensation.

## COMPENSATION DISCUSSION AND ANALYSIS

### Introduction

This Compensation Discussion and Analysis (“CD&A”) provides information regarding the compensation paid to our Chief Executive Officer, Co-Principal Financial Officers and our three most highly compensated other executive officers in fiscal 2017. These individuals are referred to as “named executive officers” or “NEOs.” This section should be read in conjunction with the detailed tables and narrative descriptions under the section titled “Executive Compensation” in this proxy statement.

### Executive Summary

We are committed to a pay-for-performance culture. The compensation program is reviewed annually in order to assure that its objectives and components are aligned with the Company’s goals and culture and also that the program incentivizes short-term and long-term profitable growth.

The main components of the compensation strategy in place for our NEOs during fiscal 2017 included (1) a base salary, which is determined at the discretion of the Compensation Committee based on a number of factors and with the assistance of its independent compensation consultant, (2) an annual cash bonus, which is limited to an amount calculated according to the formula of the governing plan based on pre-tax income, (3) an annual stock bonus calculated according to the formula of the governing plan and (4) retirement benefits pursuant to a pension plan. For a more comprehensive analysis of each one of these compensation arrangements, please see the discussion that follows.

At the 2017 Annual Meeting of Stockholders, in our last stockholder advisory vote, over 97% of the votes cast on executive compensation were voted to approve the compensation of the Company’s named executive officers. As a result, the Compensation Committee determined not to make material changes to our compensation programs during the fiscal year.

### Compensation Philosophy

The core elements of our compensation philosophy are to align each executive’s compensation with the Company’s short-term and long-term performance, promote a pay-for-performance culture and provide compensation and incentives needed to attract, retain and motivate key executives who are crucial to the Company’s long-term success. We seek to implement our philosophy by following three key principles:

- Providing compensation opportunities that are equivalent to those offered by comparable companies, thereby allowing the Company to compete for and retain talented executives who are critical to our long-term success;
- Motivating executive officers by rewarding them for attainment of Company profitability on an annual basis; and
- Aligning the interests of our executives with the long-term interests of our stockholders by awarding equity-based compensation and by offering participation in retirement, stock purchase and stock bonus plans that encourage stock ownership by our executives.

Further details concerning how we implement our philosophy, and how we apply the above principles to our compensation program, are provided throughout this CD&A.

### Elements of Compensation

Our compensation program primarily consists of the following elements: Base Salary, Annual Cash Performance Bonuses, Equity-Based Compensation Awards and Pension Plan Benefits. We choose to pay each separate element with the intent of rewarding performance believed to be beneficial to the

Company and accomplishing specific purposes, as described below. Within each element of compensation (other than those based on a pre-established formula), the Compensation Committee considers appropriate ranges for the amount awarded given the level of position and performance of the individual and the Company for the period under consideration.

*Base Salary* is designed to:

- Reward the proficiency of our executives relative to their skills, position and contributions to the success of the Company; and
- Provide a level of annual cash compensation competitive with the marketplace that recognizes contributions to the overall success of the Company and provides the potential for annual increases reflecting those contributions.

*Annual Cash Performance Bonuses* are designed to:

- Motivate executives to assist in the attainment of Company profitability on an annual basis; and
- Foster a pay-for-performance culture that aligns our overall compensation programs with our business strategy and rewards executives for their contributions toward our goal of increasing profitability.

*Equity-Based Compensation Awards* are designed to:

- Link compensation rewards to the creation of stockholder value; and
- Encourage our executives to work together in the interest of stockholders by associating a portion of compensation with the long-term value of our common stock.

*Pension Plan Benefits* are designed to:

- Provide competitive incentives to our executive officers to focus on the long-term success of the Company; and
- Provide a secure retirement after a long and productive career with the Company.

The Compensation Committee believes that the combination of these elements provides an appropriate mix of fixed and variable pay which balances short-term operational performance with long-term stockholder value. The Committee also believes that our compensation program enables us to reinforce our pay-for-performance philosophy as well as strengthen our ability to attract and retain highly qualified executives by providing benefits equivalent to those offered by our leading competitors.

#### **Allocation of Total Direct Compensation**

The table below illustrates the allocation of total direct compensation for each NEO in fiscal 2017. Base salary, annual cash performance bonuses, equity-based compensation awards and other compensation (consisting of perquisites, insurance premiums and retirement plan contributions) comprise each NEO's total direct compensation. Total direct compensation is different from the "Total Compensation" column of the Summary Compensation Table appearing on page 25 in that it excludes changes in pension value. We disclose the allocation of total direct compensation to provide insight into the Compensation Committee's decision-making process when establishing NEO compensation. The Compensation Committee does not consider changes in pension value when establishing NEO compensation because pension amounts are earned each year based on a pre-established formula set forth in the Company's pension plan relating to compensation previously received by an NEO and the NEO does not receive the amount until after retirement from the Company. As such, these amounts are excluded from the table below.

As shown in the table below, the Compensation Committee determined that a slightly higher portion of total direct compensation paid to Messrs. William Dillard, II and Alex Dillard, our Chief Executive Officer and President, respectively, should be performance based, than that of the other NEOs, given their ability to affect stockholder value relative to the other NEOs.

**Allocation of Total Direct Compensation**

<u>NEO</u>	<u>Base Salary</u>	<u>Annual Cash Performance Bonuses</u>	<u>Equity-Based Compensation Awards</u>	<u>Other Compensation</u>
William Dillard, II , . . . . . Chief Executive Officer	44.4%	41.3%	5.6%	8.7%
Alex Dillard, . . . . . President	44.8%	41.6%	5.6%	8.0%
Mike Dillard, . . . . . Executive Vice President	55.2%	31.3%	5.6%	7.9%
Drue Matheny, . . . . . Executive Vice President	56.4%	31.9%	5.7%	6.0%
Chris B. Johnson, . . . . . Senior Vice President and Co-Principal Financial Officer	66.7%	17.1%	5.2%	11.0%
Phillip R. Watts, . . . . . Senior Vice President, Co-Principal Financial Officer and Principal Accounting Officer	68.0%	17.4%	5.3%	9.3%

**How We Determine Compensation**

*Role of the Compensation Committee.* The Compensation Committee has responsibility for establishing, implementing and monitoring adherence to our compensation philosophy. In carrying out this function, the committee strives to ensure that total compensation paid to named executive officers is fair, reasonable and competitive.

The Compensation Committee regularly reviews and evaluates our compensation program to ensure that it:

- Promotes our ability to attract and retain qualified management personnel by providing compensation that is competitive relative to that paid by our competitors. To this end, the Compensation Committee regularly reviews and evaluates compensation packages and amounts paid by our primary competitors and other family-founded and family-managed companies.
- Fosters a pay-for-performance culture providing executives with the opportunity to increase their level of overall compensation based on the financial performance of the Company. To this end, the Compensation Committee regularly reviews and evaluates individual performance to ensure that our named executive officers are rewarded for their contributions to Company goals and stockholder value.

These evaluations, along with the independent judgment exercised by members of the Compensation Committee, guides the Compensation Committee’s decisions in structuring compensation elements, determining compensation amounts, allocating between long-term and currently paid compensation and allocating between cash and non-cash amounts. The Compensation Committee also takes into account how competitive pressures and economic conditions over which our named executive officers may have little or no control can have a negative impact on the Company’s financial performance.

*Role of Compensation Consultant in Compensation Decisions.* During the year, in accordance with the Compensation Committee’s instructions, Hay Group, the Compensation Committee’s independent consultant, provided the Compensation Committee with an analysis of NEO compensation at the Company’s peer group companies, as well as information on trends and best practices in executive compensation. In addition, Hay Group provided the Compensation Committee with an analysis of director compensation at the Company’s peer group companies. Hay Group and its affiliates did not perform any other services for the Company or its affiliates other than to provide advice and counsel to the Compensation Committee on named executive officers and director compensation in accordance with the Compensation Committee’s instructions from time to time. The Compensation Committee has assessed the independence of the Hay Group pursuant to the applicable rules and determined that its engagement does not raise any conflict of interest.

*Role of Named Executive Officers in Compensation Decisions.* Our Chief Executive Officer, President and Co-Principal Financial Officer each provide input to the Compensation Committee regarding Company and individual performance. However, the Compensation Committee exercises complete discretion in making all compensation decisions regarding cash compensation, equity awards and other benefits for all of our named executive officers.

*Role of Comparable Company Analysis in our Compensation Decisions.* In order to develop a competitive compensation package for our named executive officers, the Compensation Committee compares our compensation package with those of a comparison group of public companies. The comparison group includes department stores, specialty stores as well as companies that were family-founded and continue to be family-managed. A complete listing of the companies in the comparison group appears below:

Abercrombie & Fitch Co.	S&P Global, Inc.	The Bon Ton Stores, Inc.
Chico’s FAS, Inc.	Tailored Brands, Inc.	The Gap, Inc.
The Children’s Place Retail Stores, Inc.	Nordstrom, Inc.	The TJX Companies, Inc.
J.C. Penney Company, Inc.	Shoe Carnival, Inc.	Tiffany & Co.
Macy’s, Inc.	Starbucks Corporation	Williams-Sonoma, Inc.
	Stein Mart, Inc.	

The Compensation Committee believes companies in the comparison group are comparable to the Company in operations, management style and culture. However, the number of senior executives retained by the Company is generally lower than the number of senior executives at other companies in the comparison group, which we believe places our executive management closer in the chain of command to associates for whom they are responsible. The benefit of our structure is that we are able to effectively manage our associates without unnecessary layers of intermediate managers. The Compensation Committee believes this approach increases the demands upon the named executive officer’s time and requires a greater depth of knowledge of operations than that of his or her peers in the comparison group. Accordingly, the Compensation Committee believes that our named executive officers’ compensation should reflect this increased responsibility.

While we do not specifically benchmark our compensation against companies in the comparison group, our Compensation Committee annually performs a compensation analysis of the compensation paid by these companies and periodically surveys the compensation practices of these companies to assess our competitiveness. This information is used as part of the Compensation Committee’s considerations in setting compensation for our named executive officers, particularly in respect of changes in base salary each year as discussed below. In reviewing this data, the Compensation Committee considers factors such as the relative financial performance of such companies, as well as certain other factors the Committee believes differentiate us from those companies—particularly our homogenous, unified business plan of operating virtually identical department stores primarily in the

southwest, southeast, and midwest regions of the United States, which we believe allows for more streamlined, cohesive operations and our flatter management structure.

*Stockholder Advisory Vote.* Our Compensation Committee recognizes the fundamental interest our stockholders have in the compensation of our executive officers. At the 2017 Annual Meeting of Stockholders, over 97% of the shares present and entitled to vote on the advisory resolution on executive compensation were voted to approve the compensation of the Company's named executive officers. Based upon the results of such advisory vote and our review of our compensation policies and decisions, we believe that our existing compensation policies and decisions are consistent with our compensation philosophy and objectives discussed above and adequately align the interests of our named executive officers with the interests of our stockholders. At the 2017 Annual Meeting of Stockholders, our stockholders also voted, on an advisory basis, to include in the proxy the advisory vote on the compensation of our named executive officers every three years. In light of such vote, on May 20, 2017, the Board of Directors of the Company determined for the Company to include the advisory vote on the compensation of our named executive officers every three years until the next required frequency vote. Accordingly, the next stockholder advisory vote approving executive compensation will take place at the Company's 2020 Annual Meeting of Stockholders, while the next advisory vote on the frequency of the advisory vote approving our executive compensation will take place at the Company's 2023 Annual Meeting of Stockholders.

### **Specific Elements of Our Compensation Program**

#### *Base Salary*

Base Salaries are provided to our named executive officers at levels established by the Compensation Committee on an annual basis. Base salaries are set at the discretion of the Compensation Committee and, unlike the annual cash performance bonuses and equity-based compensation awards, are not specifically related to any Company performance criteria. Each year, the Compensation Committee reviews a competitive market analysis of salaries paid by companies in the comparison group to ensure that base salaries paid to our named executive officers are competitive. The committee also considers:

- the named executive officer's aggregate compensation and benefits;
- the named executive officer's level of responsibility and experience; and
- the named executive officer's success in achieving business results, promoting our core values and demonstrating leadership, as well as Company-wide performance.

For fiscal 2017, the Compensation Committee set each named executive officer's base salary as follows: William Dillard, II—\$1,000,00, Alex Dillard—\$1,000,000, Mike Dillard—\$735,000, Drue Matheny—\$735,000, Chris B. Johnson—\$500,000, and Phillip R. Watts—\$500,000. The Compensation Committee assigned higher base salary amounts to Messrs. William Dillard, II and Alex Dillard to reflect their level of responsibility and experience, the importance of their respective positions within the Company, and their ability to affect stockholder value relative to other NEOs. However, the base salaries of William Dillard, II and Alex Dillard are below the median base salaries of the executive officers for the comparison group of retailers listed above.

#### *Annual Cash Performance Bonuses*

Our compensation program includes annual performance bonuses payable under our Senior Management Cash Bonus Plan (the "*Cash Bonus Plan*"). Annual cash bonuses are designed to reward executive officers based on the Company's performance and the individual executive's contribution to that performance. Under the terms of the Cash Bonus Plan, performance bonuses may be paid only if the Company realizes positive net income before federal and state income taxes for the fiscal year,

which we refer to as pre-tax income. The Compensation Committee believes that pre-tax income is a meaningful measure of financial and operational performance and that requiring a particular level of financial and operational performance before cash bonuses are earned by executive officers furthers the Company's goal of linking pay to performance. No individual's bonus under the Cash Bonus Plan can exceed 1% of the Company's pre-tax income.

Under the Company's Cash Bonus Plan, persons who occupy the following positions are eligible to receive bonuses:

- Chief Executive Officer;
- President;
- Executive Vice Presidents; and
- Senior Vice Presidents.

From this group of persons, the Compensation Committee, within 90 days after the start of a fiscal year and in its sole discretion, designates those individuals eligible to receive a performance bonus under the Cash Bonus Plan. In making its determinations, the Compensation Committee considers recommendations of senior management and the contribution of each executive officer to the Company's performance.

When the Compensation Committee designates the individuals eligible to participate in the Cash Bonus Plan, it also designates the maximum percentage of the bonus pool each individual will be entitled to receive. At the beginning of each fiscal year, the Compensation Committee assigns a percentage of the bonus pool to each participant, taking into consideration the individual's level of responsibility for both operating results and management of the organization. The assigned percentage can vary from year to year. The year-end amount of an individual's bonus is mathematically determined by applying this percentage to the bonus pool. The following table sets forth for each named executive officer such officer's: (1) assigned percent allocation of the fiscal 2017 bonus pool and (2) actual bonus payment under the Cash Bonus Plan for fiscal 2017:

<u>NEO</u>	<u>Assigned Percent Allocation of the Fiscal 2017 Bonus Pool</u>	<u>Cash Bonus Payment for Fiscal 2017 under Cash Bonus Plan</u>
William Dillard, II . . . . .	29%	\$928,800
Alex Dillard . . . . .	29%	\$928,800
Mike Dillard . . . . .	13%	\$416,400
Drue Matheny . . . . .	13%	\$416,400
Chris B. Johnson . . . . .	4%	\$128,100
Phillip R. Watts . . . . .	4%	\$128,100

The Compensation Committee assigned higher percentage amounts to Messrs. William Dillard, II and Alex Dillard to reflect their level of responsibility and ability to affect stockholder value relative to other NEOs. The remaining 8% of the bonus pool not shown in the table was allocated to other members of senior management.

Bonuses are paid under the Cash Bonus Plan at the conclusion of the fiscal year from a bonus pool, which is equal to the sum of (x) 1½% of the Company's pre-tax income for the fiscal year, plus (y) 3½% of the increase in pre-tax income over the prior fiscal year. Our pre-tax income was \$213,523,700 in fiscal 2017 and \$257,719,400 in fiscal 2016 for a decrease in pre-tax income of \$44,195,700. This resulted in a total available bonus pool of \$3,202,900 for fiscal 2017 (1½% of pre-tax income in fiscal 2017).

The Compensation Committee retains the discretion to reduce or eliminate any bonuses that might otherwise be due under the terms of the Cash Bonus Plan. In making this determination, the Compensation Committee may consider factors which are more individualized to specific circumstances that were unforeseen at the time the original allocations were made. The Compensation Committee also reserves the right to award smaller or no bonuses in order to conserve cash for operations or for other business opportunities that could either preserve or enhance stockholder value. The Compensation Committee cannot, however, increase the amounts payable under the Cash Bonus Plan. The Compensation Committee made no adjustments to the bonuses paid under the Cash Bonus Plan for fiscal 2017.

#### *Equity-Based Compensation*

We believe equity ownership is essential in linking an executive officer's compensation to the performance of our Common Stock and total stockholder return. We also believe equity ownership is an important tool in creating incentive for sustained growth. As such, in fiscal 2017 our named executive officers received equity-based compensation through each of the following plans (each of which is discussed below): the Dillard's, Inc. Stock Bonus Plan (the "*Stock Bonus Plan*"), a qualified defined contribution retirement plan (the "*Retirement Plan*") and the Dillard's, Inc. Stock Purchase Plan (the "*Stock Purchase Plan*"). Equity-based compensation awarded under these plans is generally established by a predetermined formula set forth in each plan that is tied directly to the aggregate amount of cash compensation (salary and cash bonus) paid to an individual.

- Stock Bonus Plan. The formula under the Stock Bonus Plan provides for an annual stock award equal to 6% of each named executive officer's annual total cash compensation in excess of \$15,000 (less applicable withholding) divided by the current fair market value per share on the date that the stock bonus is granted. The Compensation Committee has the discretion to alter awards payable under the Stock Bonus Plan but made no adjustments to awards granted in fiscal 2017.
- Retirement Plan. The Retirement Plan permits executives to make elective contributions to the Retirement Plan of up to the lesser of \$18,000 (\$24,000 if the executive is at least 50 years old) or 75% of eligible pay. Company matching contributions are calculated on the eligible executive's first 6% of elective deferrals with the first 1% being matched 100% and the next 5% being matched 50%. All contributions are used to purchase Class A Common Stock at market prices.
- Stock Purchase Plan. The Stock Purchase Plan allows executives to make contributions only to the extent they were prevented from contributing to the Retirement Plan because of nondiscrimination rules and dollar limitations of the Internal Revenue Code. Company matching contributions are calculated on the eligible executive's first 5% of elective deferrals and are matched 100%. All contributions to the Stock Purchase Plan are used to purchase Class A Common Stock at market prices.

#### *Pension Plan*

We maintain a non-qualified defined benefit pension plan (the "*Pension Plan*") for our named executive officers. The Pension Plan provides an annual award following retirement based upon the level of each officer's salary and cash bonus during the officer's tenure, as well as the total years of service provided to the Company. Specifically, the award is calculated by multiplying each officer's years of service by 1½% and multiplying the result by the average of the highest three years of each officer's "pension earnings". Pension earnings are defined as total salary plus cash bonus paid during the fiscal year minus the maximum Social Security wage base in that year. Retirement is considered Normal Retirement if the individual has met the service requirements and has reached 65 years of age.

Persons are eligible for Early Retirement if the individual has met the service requirements and has reached 55 years of age.

For persons eligible for Early Retirement, but not yet eligible for Normal Retirement, there is a 2½% reduction in the amount of annual pension benefit for each year or partial year between the person's 65<sup>th</sup> birthday and the person's attained age on the date of retirement. During fiscal 2017, Phillip Watts was the only NEO that met the requirements for Early Retirement and had not reached the age for Normal Retirement as defined by the Pension Plan.

The Pension Plan provides that, in the event of a change in control of the Company (as defined in the Pension Plan), the present value of the annual pension benefit determined as of the date of the change in control will be paid in a lump sum within 60 days. All employees with a benefit accrued under the Pension Plan up to the date of the change in control are eligible for a lump sum payment and no further benefits would be paid from the Pension Plan. The Company believes this feature is important in recruiting and retaining qualified executive management personnel because:

- It provides for stable retirement planning;
- It reduces flight risk generally associated with the inherent uncertainties surrounding a change in control (that in some cases might lead some officers to retire prematurely or leave the Company); and
- It is consistent with provisions contained in similar plans maintained by other companies.

Additional information about such lump sum payments, including how the present value would be determined and the estimated lump sum pension benefits that each named executive officer would have received if a change in control were to have occurred on the last business day of fiscal 2017 is provided below under "Potential Payments Upon Termination or Change in Control."

#### *Other Benefits*

Health Insurance. We provide an enhanced health insurance plan to our named executive officers. This plan assists our named executive officers in maintaining their physical well-being so that they are able to devote their energies to the management of the Company.

Company Aircraft. Our named executive officers are allowed access to Company-owned aircraft for personal use as well as business flights. This benefit increases the level of safety and security for the named executive officers and allows them to make better use of their time by being able to travel more efficiently. The Company reports imputed income to an executive officer for income tax purposes for the value of any personal use based upon the Standard Industry Fare Level (SIFL) in accordance with the Internal Revenue Code and Treasury Regulations. For purposes of the Summary Compensation Table below, the Company reports compensation for the NEOs based on the incremental cost for flights constituting personal use. As disclosed in the Summary Compensation Table in this proxy statement, only Messrs. William Dillard, II, Alex Dillard and Mike Dillard had income related to personal use of Company aircraft for fiscal year 2017.

#### **Tax Deductibility of Executive Compensation**

Section 162(m) of the Internal Revenue Code generally disallows an income tax deduction to publicly-held corporations for compensation in excess of \$1,000,000 paid for any fiscal year to the corporation's chief executive officer or to any of its other three most highly compensated executive officers other than the co-principal financial officers. For compensation paid prior to 2018 and certain "grandfathered" arrangements in place prior to November 2, 2017, the statute exempts qualifying performance-based compensation from the \$1 million limitation if specified requirements are met. However, the performance-based compensation exemption has been repealed, effective for taxable

years beginning after December 31, 2017, such that future compensation paid to our named executive officers, including the co-principal financial officers, in excess of \$1,000,000 will not be deductible unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017. The Compensation Committee has historically structured executive compensation in order to preserve its deductibility under Section 162(m) to the extent practical. The Compensation Committee continues to reserve the right, however, to grant or approve compensation or awards that may not be deductible when it believes such compensation or awards are in the best interests of the Company and its stockholders or are necessary to assure competitive total compensation for our named executive officers. In fiscal 2017, approximately \$318,000 paid to the NEOs was not deductible under Internal Revenue Code rules and regulations.

### **Other Compensation Considerations**

*Severance and Change in Control Arrangements.* We have not entered into agreements or arrangements to provide severance or change in control payments to any of our executives, other than with respect to the Pension Plan as described above. Our past practice has not included the payment of severance to any executives.

*Compensation Recovery Policy.* The Compensation Committee does not presently have a specific policy seeking reimbursement of compensation awards but will adopt one when the NYSE adopts rules requiring such a policy as mandated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. Until then, the Committee will evaluate on a case by case basis whether to seek the reimbursement of certain compensation awards paid to a named executive officer if such executive engages in material misconduct that caused, or partially caused, a restatement of financial results. If it should ever occur, when making this determination, the Compensation Committee will likely consider the totality of the circumstances surrounding the misconduct, including the intent of the officer in engaging in the misconduct and the expense that the Company might incur seeking reimbursement as compared to the amount of reimbursement, and whether there were additional officers involved and, if so, the role played by the individual in the misconduct.

*Compensation Policies and Practices and Risk Management.* The Compensation Committee takes risk into consideration when reviewing and approving named executive compensation and believes that the composition of total compensation should not encourage inappropriate or excessive risk-taking. The Company monitors the risk associated with its compensation program for all employees, including NEOs, the components of its compensation program and individual compensation decisions, on an ongoing basis. This ongoing assessment includes (1) consideration of the primary design features of the Company's compensation plans and the process to determine incentive compensation eligibility and grant awards for employees and (2) analysis of how those features could encourage or mitigate risk-taking. The Company believes that its compensation policies and practices for all employees, including NEOs, do not create risks that are reasonably likely to have a material adverse effect on the Company.

## **COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed with management the above Compensation Discussion and Analysis. Based on their review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and in the Company's Annual Report on Form 10-K for the year ended February 3, 2018.

(1) Reflects stock awards under the Company's Stock Bonus Plan. The amount reported in this column for each NEO reflects the fair value on the date of grant, as determined under FASB ASC Topic 718. The grant date fair value of the stock awards is calculated based on the average price of the Company's Class A Common Stock on the NYSE on the date of grant.

(2) Reflects amounts earned by NEOs under the Company's Cash Bonus Plan.

(3) These amounts, if any, represent the actuarial increase in the present value of the NEO's benefits under the Company's Pension Plan determined using interest rate and mortality rate assumptions consistent with those used in the Company's financial statements. Interest rate assumption changes have a significant impact on the pension values with periods of lower interest rates having the effect of increasing the actuarial values reported and vice versa. The present value of accumulated benefits for fiscal 2017 reflects a discount rate of 3.7% and generational mortality rates under the RP-2014 table using scale MP-2017 compared to the 4.0% discount rate and generational mortality rates under the RP-2014 table using scale MP-2016 applicable for fiscal 2016. This discount rate change was the result of actuarial adjustments based on changes in corporate bond rates. The Company does not pay "above market" interest on non-qualified deferred compensation to employees.

(4) Pension values decreased during fiscal 2015 for William Dillard, II, Alex Dillard, Mike Dillard, and Drue Matheny as follows:

William Dillard, II	\$ 735,529
Alex Dillard	1,326,752
Mike Dillard	768,799
Drue Matheny	803,765

The present value of accumulated benefits for fiscal 2015 reflects a discount rate of 4.2% and generational mortality rates under the RP-2014 table using scale MP-2015 compared to the 3.5% discount rate and generational mortality rates under the RP-2014 table using scale MP-2014 applicable for fiscal 2014. This discount rate change was the result of actuarial adjustments based on changes in corporate bond rates. There were no other changes in plan provisions or assumptions that affected the value.

- (5) For fiscal 2017, all other compensation reflects matching contributions under the Company's Retirement Plan and Stock Purchase Plan, the incremental cost to the Company for personal use of Company aircraft, premiums paid for health insurance, and the cost of administrative assistance, each as detailed in the table below:

	All Other Compensation				
	Company Contributions under Retirement Plan and Stock Purchase Plan	Airplane Use(a)	Insurance Premiums Paid by the Company	Administrative Assistance	Total
William Dillard, II . . . . .	\$102,005	\$41,398	\$39,978	\$12,725	\$196,106
Alex Dillard . . . . .	102,005	12,375	47,778	16,596	178,754
Mike Dillard . . . . .	57,828	3,403	39,978	4,380	105,589
Drue Matheny . . . . .	57,827	—	20,806	—	78,633
Chris B. Johnson . . . . .	28,680	—	54,064	—	82,744
Phillip R. Watts . . . . .	28,680	—	40,013	—	68,693

- (a) The amounts reported in this column reflect compensation for the named executive officers based on the aggregate incremental cost for flights constituting personal use. Such incremental cost is calculated on the basis of the additional variable operating costs to the Company, including fuel costs, mileage, trip-related maintenance and other miscellaneous variable costs, resulting from such personal use. Fixed costs, which do not change based on usage, such as aircraft purchase costs, pilot salaries and the cost of maintenance not related to specific trips, are excluded from the calculation of incremental cost.

## 2017 Grants of Plan-Based Awards

The table below sets forth the awards granted to the NEOs during fiscal 2017 pursuant to the Cash Bonus Plan and the Stock Bonus Plan:

Name	Grant Date	Estimated Future Payouts Under Non-Equity Incentive Plan Awards			Estimated Future Payouts Under Equity Incentive Plan Awards			All Other Stock Awards	All Other Option Awards:	Exercise or Base Price of Options Awards (\$/Sh)	Grant Date Fair Value of Stock and Option Awards (\$)

Alex Dillard . . . . .	February 2, 2018 January 31, 2018		928,800	2,135,237				1,941			126,366
Mike Dillard . . . . .	February 2, 2018 January 31, 2018		416,400	2,135,237				1,127			73,353

Phillip R. Watts . . . . .	February 2, 2018 January 31, 2018		128,100	2,135,237				590			38,376

- (1) Represents awards under the Company's Cash Bonus Plan. As described in "Compensation Discussion and Analysis," Executive Officers participating in the Cash Bonus Plan receive a pre-determined share of a bonus pool generated by certain Company-based performance metrics. There are no threshold or target amounts under the Cash Bonus Plan. Because the plan does not set such amounts and because future payouts relating to an NEO's percentage share of the bonus pool is not determinable, the amounts in this column represent the actual payments made to the Named Executive Officers under awards granted for fiscal 2017.
- (2) Represents the maximum that any individual can receive under the Cash Bonus Plan, which is 1% of the Company's pre-tax income for fiscal 2017.
- (3) Reflects amounts granted to NEOs in fiscal 2017 under the Company's Stock Bonus Plan. For more detailed information on the Stock Bonus Plan, including a general description of the procedure and formula utilized by the Company in determining the amounts granted, see the discussion in the Equity-Based Compensation portion of "Compensation Discussion and Analysis."
- (4) Reflects number of shares of stock granted before withholding applicable federal and state income tax. The stock grant awards reflected in the table are not subject to vesting.

## Outstanding Equity Awards at 2017 Fiscal Year-End

There were no outstanding stock options or unvested stock awards held by NEOs as of February 3, 2018.

## 2017 Option Exercises and Stock Vested

The table below sets forth the number of shares acquired and the value realized upon exercise of stock options and vesting of stock awards during fiscal 2017 by each of the NEOs.

Name	Option Awards		Stock Awards(1)	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$)
William Dillard, II . . . . .	—	—	1,941	\$126,366
Alex Dillard . . . . .	—	—	1,941	126,366
Mike Dillard . . . . .	—	—	1,127	73,353
Drue Matheny . . . . .	—	—	1,127	73,353
Chris B. Johnson . . . . .	—	—	590	38,376
Phillip R. Watts . . . . .	—	—	590	38,376

- (1) The number of shares reflected as underlying Stock Awards in the table represent grants during fiscal 2017 of stock awards pursuant to the Company’s Stock Bonus Plan. These awards are not subject to vesting and, accordingly, are treated in this table as having “vested” upon grant. The amounts reflected as “Value Realized on Vesting” represent the market value of the shares on the date of grant and do not reflect the withholding of a portion of the shares to satisfy income tax payment requirements.

## 2017 Pension Benefits

The following table discloses the actuarial present value of accumulated pension benefits and other information as of February 3, 2018 for the NEOs under the Pension Plan.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit(\$)(1)	Payments During Last Fiscal Year (\$)
William Dillard, II . . . . .	Pension Plan	49	\$29,036,741	—
Alex Dillard . . . . .	Pension Plan	46	21,417,473	—
Mike Dillard . . . . .	Pension Plan	46	9,990,057	—
Drue Matheny . . . . .	Pension Plan	49	14,941,953	—
Chris B. Johnson . . . . .	Pension Plan	11	752,427	—
Phillip R. Watts . . . . .	Pension Plan	23	2,280,286	—

- (1) The calculation of benefits under the Pension Plan is discussed in the Pension Plan portion of “Compensation Discussion and Analysis.” The methodology and material assumptions used in quantifying the present value of the accumulated benefit are disclosed in Note 8 to the audited financial statements filed in the Company’s Annual Report on Form 10-K for the fiscal year ended February 3, 2018.

## Potential Payments Upon Termination or Change in Control

The Pension Plan provides for a lump sum payment to participants within 60 days of a change in control of the Company. For purposes of the Pension Plan, a “change in control” is deemed to occur upon the happening of any of the following: (1) any person or entity acquires more than 50% of the Company’s Class B Common Stock whether by direct sale, merger, consolidation, share exchange or other form of corporate reorganization, (2) a majority of the members of the Board of Directors is replaced during any 12-month period by Directors whose appointment or election is not endorsed by a majority of the members of the Board of Directors before the date of the appointment or election or

(3) any person or entity acquires more than 80% of the Company’s assets. However, it will not be a “change in control” under the Pension Plan in any of the above instances if the acquirer in such transaction is either an entity controlled by the Company or controlled by the descendants of William Dillard, II or any spouse of any such descendants.

For persons not yet eligible for Normal Retirement, there is a 2½% reduction in the amount of annual pension benefit for each year or partial year between the person’s 65<sup>th</sup> birthday and the person’s attained age on the date of the change in control. The lump sum payment is further reduced if necessary to prevent it from becoming a “parachute payment” under Section 280G of the Internal Revenue Code.

All employees with a benefit accrued under the Pension Plan up to the date of the change in control are eligible for a lump sum payment, and no further benefits would be paid from the Pension Plan if the lump sum payments were to be made. The table below details the benefits that would have been paid (without consideration of any reduction that might be required to prevent a “parachute payment”) to the named executive officers, assuming a change in control occurred on February 3, 2018, the last business day of fiscal 2017. The lump sum payment is equal to the present value of the annual pension benefit determined as of the date of the change in control. For purposes of determining the lump sum payment, present value is determined by using the interest rate determined under Section 417(e) of the Internal Revenue Code for the month of December preceding the calendar year in which the change in control occurs and by using for post-retirement mortality the 1994 Group Annuity Reserving Mortality Table projected to 2002 based on a fixed blend of 50% of the uploaded male mortality rates and 50% of the uploaded female mortality rates.

<u>NEO</u>	<u>Pension Plan Lump Sum Payment</u>
William Dillard, II . . . . .	\$36,096,829
Alex Dillard . . . . .	38,775,921
Mike Dillard . . . . .	20,984,216
Drue Matheny . . . . .	18,773,340
Chris B. Johnson . . . . .	1,185,867
Phillip R. Watts . . . . .	2,975,980

We have not entered into agreements or arrangements to provide severance or change in control payments to any of our executives, other than the Pension Plan benefits described above.

**CEO Pay Ratio**

Under Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are required to provide the following disclosure regarding the ratio of the annual total compensation of our Chief Executive Officer to the annual total compensation of our median employee (the “Pay Ratio”).

For purposes of the Pay Ratio calculation, we identified our median employee by starting with our employee population as of December 31, 2017, sorting the list of all of our employees (excluding our Chief Executive Officer), whether employed on a full-time or part-time basis, by their taxable compensation for federal income tax purposes from the Company’s payroll records for the 12-month period ended December 31, 2017 and selecting the employee with the median taxable compensation amount. As part of this process, the Company annualized taxable compensation for any full-time or part-time employees on the list who were not employed for the full 12-month period and did not include the value of non-taxable Company-provided benefits such as retirement plan contributions and medical and life insurance benefits.

The annual total compensation for fiscal 2017 of our Chief Executive Officer was \$4,788,505, the total amount of his compensation presented in the Summary Compensation Table on page 25. The median Dillard's employee was calculated to be a part-time store associate, and the total fiscal 2017 compensation for that median employee was \$22,316. Accordingly, the ratio of our CEO's annual total compensation to the median annual total compensation of all other employees was 215:1. We believe that this information is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K. Due to the flexibility afforded by Item 402(u) in calculating the Pay Ratio, however, our ratio may not be comparable to CEO pay ratios presented by other companies, including in our own industry.

## AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company for the year ended February 3, 2018 with management and KPMG LLP, the independent registered public accounting firm for the Company.

The discussions with KPMG LLP included the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard No. 1301, Communications with Audit Committees. Also, KPMG LLP provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and the Audit Committee has discussed with KPMG LLP its independence. The Audit Committee also considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining the auditor's independence.

Based upon the reviews and discussions noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended February 3, 2018 for filing with the Commission.

Audit Committee of the Board of Directors,

Reynie Rutledge, Chairman  
H. Lee Hastings, III  
J.C. Watts, Jr.

**PROPOSAL NO. 2. RATIFICATION OF THE SELECTION OF THE COMPANY'S  
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

The Board of Directors recommends to the stockholders that they ratify the selection by the Audit Committee of KPMG LLP (“KPMG”) as the Company’s independent registered public accountants for the fiscal year ending February 2, 2019. Although ratification of the Audit Committee’s selection of KPMG is not required under our by-laws or other legal requirements, we are submitting the appointment of KPMG to the stockholders as a matter of good corporate practice.

In the event that the stockholders fail to ratify the appointment, the Audit Committee will consider the view of the stockholders in determining its selection of the Company’s independent public accountants for the subsequent fiscal year. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a new independent accounting firm at any time during the year if the Audit Committee feels that such a change would be in the best interests of the Company and its stockholders.

Representatives of KPMG are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

**Independent Accountant Fees**

The following table summarizes the fees billed by KPMG for fiscal 2017 and fiscal 2016 for audit and other related services:

	2017	2016
Audit Fees(1) . . . . .	\$1,453,000	\$1,425,000
Audit-Related Fees . . . . .	0	0
Tax Fees . . . . .	0	0
All Other Fees(2) . . . . .	3,560	3,300
	\$1,456,560	\$1,428,300

- (1) Represents fees for audits of financial statements, reviews of quarterly financial statements, reviews of registration statements and certain periodic reports filed with the SEC, and financial statements filed with certain statutory and regulatory filings.
- (2) Represents fees for our license of an accounting research tool.

The policy of the Audit Committee requires it to pre-approve all audit and non-audit services to be performed by the independent registered public accounting firm. During fiscal 2017, the Audit Committee pre-approved all of the services described above under the captions “Audit Fees,” “Audit-Related Fees,” “Tax Fees” and “All Other Fees” in accordance with this policy.

**Vote Required**

The vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and having voting power is required to ratify the appointment of KPMG as the independent registered public accounting firm for fiscal 2018.

**Recommendation of the Board**

**THE BOARD OF DIRECTORS OF THE COMPANY UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF KPMG AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2018. PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR THIS PROPOSAL UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE.**

**PROPOSAL NO. 3. STOCKHOLDER PROPOSAL TO SEPARATE THE POSITIONS  
OF THE CHAIRMAN AND CHIEF EXECUTIVE OFFICER OF THE COMPANY**

Set forth below is a stockholder proposal that we have been advised will be presented at the Annual Meeting by The Humane Society of the United States, 2100 L Street, NW, Washington, DC 20037, beneficial owner of at least \$2,000 in market value of our Class A Common Stock.

We are not responsible for the contents of this proposal. **As explained below, the Board unanimously recommends that you vote *AGAINST* this proposal.**

**Proposal No. 3**

**RESOLVED**, that shareholders ask that Dillard’s adopt a policy, and amend other governing documents as necessary, to require that the Board’s Chair be an independent director, as defined in accordance with applicable requirements of The NYSE. This independence requirement shall apply prospectively, so as not to violate any contractual obligation at the time this resolution is adopted. Compliance with this policy is waived if no independent director is available and willing to serve as Chair. The policy should also specify how to select a new independent Chair if a current Chair ceases to be independent between annual shareholder meetings.

**SUPPORTING STATEMENT:**

Dillard’s chairman also serves as the company’s CEO. This is risky governance, based on the following logic:

1. The role of management is to run the company; and
2. the Board’s role is to provide independent oversight of management; therefore
3. there is a potential conflict of interest and lack of checks and balances when a company’s top executive is his or her own overseer.

A CEO holding the dual role of Chairman may weaken that company’s governance structure and harm shareholder value. As Intel’s former chair Andrew Grove stated, “The separation of the two jobs goes to the heart of the conception of a corporation. Is a company a sandbox for the CEO, or is the CEO an employee? If he’s an employee, he needs a boss, and that boss is the Board. The Chairman runs the Board. How can the CEO be his own boss?”

Increasingly, board members seem to agree. According to a Sullivan & Cromwell survey of 400 Board members, approximately 70% of respondents believe the head of management should not concurrently Chair the Board.

Indeed, shareholders are best served by an independent Board Chair who can provide a balance of power between the company and its Board and support strong Board leadership. The primary duty of a Board of Directors is to oversee company management on behalf of its shareholders. We believe a dual CEO/Chairman position creates a conflict of interest, resulting in excessive influence by, and oversight of, management.

Not surprisingly, numerous institutional investors recommend that Board Chairs be independent directors. For example, the California Public Employees’ Retirement System (CalPERS)—America’s largest public pension fund—encourages such a policy. And proxy analysis and voting firm Institutional Shareholder Services (ISS) recommends voting in favor of proposals, such as this one, seeking policies to ensure the Board Chair is an independent director.

We believe that ensuring the Board Chair position is held by an independent director would benefit Dillard's and its shareholders and encourage shareholders to vote FOR this proposal.

### **The Company's Statement in Opposition to Proposal No. 3**

The Board of Directors has considered this proposal and has concluded that its adoption would not be in the best interests of the Company or its stockholders.

**The Board is in the best position to evaluate and determine the ideal Board leadership structure for the Company at any given time, and the proposal's generic and rigid approach to corporate governance is not in the best interests of the Company and its stockholders.** The Board has in-depth knowledge of Dillard's businesses and operations, strategic vision and goals, and culture and is acutely aware of the opportunities and challenges facing the Company and the capabilities of senior management. As such, the Board is uniquely positioned to determine the most effective Board leadership structure for Dillard's at any given time. Accordingly, rather than adopting a "one-size-fits-all" approach to corporate governance, the Board believes it is crucial that it maintain the flexibility to determine who should serve in the roles of Chairman of the Board and CEO and whether those roles should be combined. The Board believes that stockholders' interests are best served when the Board has the ability to choose a leadership structure that can be tailored to the needs of the Company.

At the present time, the Board believes that the most effective leadership structure for Dillard's is for our CEO to also serve as Chairman of the Board. This combined role enables Dillard's to speak with a unified voice in communicating with stockholders, customers, analysts, employees and other constituencies, creates clear lines of authority and accountability and provides the necessary leadership to execute the Company's strategy. Moreover, the Board believes that our current leadership structure is optimal given Mr. William Dillard II's deep knowledge of the Company's business and industry and his ability to formulate and implement strategic initiatives. Mr. Dillard is intimately involved in the day-to-day operations of the Company and is thus in the best position to identify major issues, risks, and developments affecting the Company and evaluate the most critical issues for consideration by the Board's other directors.

While the Board is satisfied that combining the roles of Chairman of the Board and CEO has served our stockholders well over time, it is important to note that under the Company's current structure, the Board retains the flexibility to separate the Chairman of the Board and CEO roles if and when the Board believes that a separation will improve the Company's performance or better serve our stockholders. In contrast, the proposed policy would constrain the Board's decision-making, which would not serve stockholders well over time.

**Certain aspects of the Company's governance practices enable effective independent oversight of management.** Dillard's qualifies as a "controlled company" under the New York Stock Exchange ("NYSE") listing standards and is thus not required to comply with certain NYSE listing standards, including that the compensation committee must be composed entirely of independent directors or that a majority of the Board must be composed of independent directors. Nonetheless, currently all the members of the Company's Compensation Committee are independent in accordance with the NYSE listing standards, allowing for independent oversight of executive compensation. In addition, although a majority of the Board is not composed of independent directors, the Board has affirmatively determined that half of the directors on the Board have no direct or indirect material relationship with the Company and qualify as independent directors in accordance with NYSE listing standards.

Additionally, as required by the NYSE, the directors serving on the Audit Committee of the Board satisfy the requirements for independence set forth in the NYSE's listing standards.

As required by the NYSE listing standards and codified in the Company's Corporate Governance Guidelines, those directors who are not officers of the Company must hold regular executive sessions at which management, including the CEO, is not present. These executive sessions permit more open discussion regarding the CEO's performance, the CEO's compensation, and any other matters the directors deem appropriate to address.

Finally, Board members have direct and unlimited access to the Company's management to become and remain informed about the Company's business and for any other purposes as may be helpful to the Board in fulfilling its responsibilities and are authorized to retain independent outside counsel, consultants and other professionals to advise them in the discharge of their duties.

As with other governance matters, we will continue to consider, as appropriate, the Company's leadership structure and how the leadership structure can enhance the effectiveness of our corporate governance practices. Given the Company's independent director presence and other corporate governance features, as well as the clear advantages to maintaining a flexible, tailored approach to determining the Company's Board leadership structure, we believe that mandating that the Chairman of the Board be an independent director would not be in the best interests of Dillard's and its stockholders.

#### **Vote Required**

The vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and having voting power is required to ratify the stockholder proposal.

#### **Recommendation of the Board**

**THE BOARD OF DIRECTORS OF THE COMPANY UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE AGAINST THIS STOCKHOLDER PROPOSAL. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED AGAINST THIS STOCKHOLDER PROPOSAL UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE.**
