growing.

Forward Looking Statements

This presentation contains statements and other information that constitute “forward-looking information” or “forward-looking statements” under applicable securities legislation (collectively, “forward-looking statements”) that reflect management’s current expectations relating to matters such as future financial performance and operating results of CT Real Estate Investment Trust (“CT REIT” or the “REIT”). Forward-looking statements provide information about management’s current beliefs, expectations and plans and allow investors and others to better understand the REIT’s anticipated financial condition, results of operations, business strategy and financial needs. Readers are cautioned that such information may not be appropriate for other purposes. All statements, other than statements of historical fact, included in this presentation that address activities, events or developments that CT REIT or a third-party expects or anticipates will or may occur in the future, including the REIT’s future growth, financial condition, financial needs, results of operations, performance, business strategy, business prospects and opportunities and the assumptions underlying any of the foregoing, are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of forward-looking terminology such as “may”, “will”, “expect”, “intend”, “believe”, “estimate”, “plan”, “can”, “could”, “should”, “would”, “outlook”, “forecast”, “anticipate”, “foresee”, “continue”, “ongoing”, “might” or “project” or the negative of these terms or variations of them or similar terminology, or other similar expressions concerning matters that are not historical facts. Specific forward-looking statements contained in this presentation include, but are not limited to, statements with respect to: the intention of the REIT to pay stable and growing distributions; the REIT’s ability to expand its asset base, make accretive acquisitions, and develop or intensify its properties, including the redevelopment of the Canada Square property; the ability of the REIT to execute its growth strategies, including its ability to pursue third party net lease opportunities and investing in environmental, social and governance (“ESG”) initiatives; the ability of the REIT to participate with Canadian Tire Corporation (“CTC”) in the development or intensification of the Properties; the ability of the REIT to access available sources of debt and/or equity financing; and the REIT’s development activities. Although the forward-looking statements in this presentation reflect management’s current beliefs and are based on information currently available to CT REIT and on assumptions CT REIT believes are reasonable about future events and financial trends that management believes may affect the REIT’s financial condition, results of operations, business strategy and financial needs, such information is necessarily subject to a number of factors that could cause actual results to differ materially from management’s expectations and plans as set forth in such forward-looking statements. Some of the factors and assumptions, many of which are beyond the REIT’s control and the effects of which can be difficult to predict, include but are not limited to: the timing and extent of further changes to interest rates; that tax laws will remain unchanged; that the REIT will continue to manage its liquidity and debt covenants; that conditions within the real estate market, including competition for acquisitions, will normalize; that Canadian capital markets will provide CT REIT with access to equity and/or debt at reasonable rates when required; that the redevelopment and related activities with respect to the Canada Square property will proceed as planned; and that CTC will continue its involvement with the REIT on the basis described in its 2024 annual information form (“2024 AIF”). Management cautions that the foregoing lists of risks, uncertainties, factors and assumptions are not exhaustive and other factors could also materially and adversely affect the REIT’s results. Investors and other readers are urged to consider the foregoing risks, uncertainties, factors and assumptions carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. For more information on the risks, uncertainties, factors and assumptions that could cause the REIT’s actual results to differ from current expectations, refer to section 12.0 (Enterprise Risk Management) of CT REIT’s Management’s Discussion and Analysis for the six months ended June 30, 2025 (“Q2 2025 MD&A”) and for the year ended December 31, 2024 (“Annual 2024 MD&A”). Also refer to section 5 (Risk Factors) of the REIT’s 2024 AIF, and all subsections thereunder, as well as the REIT’s other public filings available on SEDAR+ at www.sedarplus.ca and on the REIT’s website at <https://www.ctreit.com/English/investors/financial-reporting/annual-disclosures/default.aspx>. The forward-looking statements contained herein are based on certain factors and assumptions as of the date hereof and do not take into account the effect that transactions or non-recurring or other special items announced or occurring after the statements are made can have on the REIT’s business. CT REIT does not undertake to update any forward-looking statements, whether written or oral, that may be made from time to time by it or on its behalf, to reflect new information, future events or otherwise, except as required by applicable securities laws.

Specified Financial Measures

CT REIT uses specified financial measures as defined by National Instrument 52-112 *Non-GAAP and Other Financial Measures Disclosure* of the Canadian Securities Administrators (“NI 52-112”). CT REIT believes these specified financial measures provide useful information to both management and investors in measuring the financial performance of CT REIT and its ability to meet its principal objective of creating unitholder value over the long term by generating reliable, durable and growing monthly cash distributions on a tax-efficient basis.

These specified financial measures used in this document include non-GAAP financial measures and non-GAAP ratios, within the meaning of NI 52-112. Non-GAAP financial measures and non-GAAP ratios do not have a standardized meaning prescribed by IFRS Accounting Standards, also referred to as generally accepted accounting principles (“GAAP”), and therefore they may not be comparable to similarly titled measures and ratios presented by other publicly traded entities and should not be construed as an alternative to other financial measures determined in accordance with GAAP. Refer to section 10.0 “Specified Financial Measures” of the Q2 2025 MD&A and Annual 2024 MD&A, which are incorporated by reference herein, for further information on these specified financial measures and for financial reconciliations thereof.

growing.

Case Studies

Development

CT REIT has a preferential right to participate in the development of CTC owned properties

Kingston, ON

- CT REIT is uniquely positioned to participate in the development of Canadian Tire stores and Canadian Tire anchored developments
- 18 new Canadian Tire stores developed

Development

Acquiring and repositioning under-managed assets; leveraging strategic relationship

Redevelopment Project: Orillia Square Mall BEFORE

- Former vacant Target and portion of enclosed mall redeveloped for brand new large format Canadian Tire store
- Former Canadian Tire store re-demised for new retail uses

- Acquired from a third party in 2017
- Occupancy increased from 61% at time of purchase to 94% as at June 30, 2025

AFTER

Development - Canada Square - Toronto

Nine-acre mixed-use redevelopment site located on two subway lines at Yonge and Eglinton, one of Toronto's most prominent intersections

Urban Mixed Use Redevelopment Opportunity

- **Partnership and Investment:** Oxford Properties and CT REIT are investing over \$200 million to retrofit the office buildings at Canada Square, located in Toronto.
- **Office Lease and Redevelopment:** The project includes a new 20-year, 550,000 square foot office lease with CTC and will modernize 680,000 square feet of office space in two towers, increasing occupancy to over 90%.
- **Community and Employee Benefits:** The redevelopment adds new employee amenities, retail space, improved streetscape and an upgraded TTC entrance.
- **Long-term Vision:** The project is part of a plan to redevelop the area into a mixed-use community with rental housing and public spaces.

Intensifications

Incremental density on owned surplus lands

- Since IPO, CT REIT has funded 116 intensification projects for Canadian Tire Corporation and ancillary tenants
- Over 1.6M square feet of incremental GLA added
- 13 Intensifications currently in the pipeline

Thunder Bay, ON

CTC Acquisitions

Privileged relationship – right of first offer on all CTC properties

Napanee, ON

- CTC owned properties that can be acquired by CT REIT and leased back to CTC on a long term basis or redeveloped
- Over 2M square feet of industrial assets acquired and leased to CTC since IPO
- Currently there are approximately 15-20 properties owned by CTC expected to meet investment criteria

Third Party Acquisitions

Consolidating the ownership of Canadian Tire tenanted properties from third parties

Collingwood, ON

- Approximately 1/4 of Canadian Tire properties are owned by third parties
- Opportunity to consolidate Canadian Tire stores and supply chain assets
- CT REIT has acquired 20 Canadian Tire anchored properties from third parties totaling 2.6M square feet of GLA

Third Party Acquisitions

Non-CTC related opportunities

Halifax, NS

Banff, AB

Waterloo, ON

- Broader investment strategy to acquire third party net lease assets
- Leverage CTC's local insight and market knowledge

Financial
Overview

Stable and Resilient Asset Base

Property revenue is reliable and growing

96.3%

Of annualized base minimum rent
from investment grade tenants

**7.5
Years**

One of the longest weighted
average lease terms in the sector

99.5%

Occupancy Rate¹

1.5%

Annual Rent Escalations²

All figures as at June 30, 2025.

¹ Occupancy and other leasing key performance measures have been prepared on a committed basis which includes the impact of existing lease agreements contracted on or before June 30, 2025.

² Canadian Tire leases only (on average).

Lean Cost Structure

One of the lowest cost structures in the REIT sector

- CTC leases triple net; base rent, operating costs (including insurance) and capex paid by tenant
- G&A as a percentage of revenues is 3.1%¹
- Internalized property management functions; any services provided by CTC are on a cost recovery basis²
- No fees paid to CTC for acquisitions, dispositions, intensifications or financings
- Increased efficiency through the insourcing of certain services since IPO

¹ For the six months ended June 30, 2025 and excluding fair value adjustments on unit-based awards. Non-GAAP ratio. Refer to section 10.2 (f) of the 2025 MD&A for more information.

² Pursuant to Property Management and Services Agreement with Canadian Tire Corporation.

Lloydminster, AB

Solid Financial Metrics

Strong credit metrics – low leverage

Indebtedness Ratio, Debt to EBITFV¹ and Interest Coverage²

All figures as at or for the year ended December 31, except for Q2 2025 figures (Debt to EBITFV and Interest Coverage are Q2 2025 YTD annualized and Indebtedness Ratio is as of Q2 2025 quarter end).

¹ Non-GAAP ratio. Refer to section 10.2 (d) of the 2025 MD&A for more information.

² Non-GAAP ratio. Refer to section 10.2 (e) of the 2025 MD&A for more information.

Debt

Conservative leverage – strong credit metrics

Capital Structure

Total Debt (000's)¹

Class C LP Units (unsecured)	\$ 1,451,550
Mortgage (secured)	\$ 8,364
Debentures (unsecured)	\$ 1,421,105
Credit Facilities (unsecured)	\$ 72,500
Total	\$ 2,953,519

Liquidity

- \$306M available in cash and unused committed bank credit facility as at June 30, 2025
- \$228M available in uncommitted revolving CTC credit facility

All figures as at June 30, 2025.

¹ Includes indebtedness and aggregate par value of Class C LP Units held by CTC.

Debt Maturities

Staggered debt maturities – one of the longest weighted average terms to maturity in the sector

Debt Principal Repayments

- No public unsecured debenture maturities until June 2026
- 99.7% of total debt is unsecured; all unsecured debt is interest only
- 97.5% of total debt is fixed rate debt
- Weighted average term to maturity: 5.1 years
- Weighted average interest rate: 4.36%

All figures as at June 30, 2025.

Growing FFO and AFFO

Attractive record of per unit growth

FFO¹, AFFO¹ and Net Asset Value per Unit Metrics^{2,3}

All figures as at or for the year ended December 31, except for Q2 2025 figures (FFO and AFFO per unit are Q2 2025 YTD annualized and net asset value per unit is as of Q2 2025 quarter end).

¹ Non-GAAP ratio. Refer to section 10.2 (b) of the 2025 MD&A for more information.

² Total units consist of REIT Units and Class B LP Units outstanding.

³ Diluted units used in calculating non-GAAP measures include restricted and deferred units issued under various plans and exclude the effect of assuming that all of the Class C LP Units will be settled with Class B LP Units.

Solid Distribution Growth

History of growing distributions every year post IPO while conservatively managing payout ratio

AFFO Payout Ratio¹ and Distribution Growth²

- Twelve distribution increases, 45.9% growth since 2013 IPO²
- Q2 2025 YTD AFFO Payout Ratio – 72.3%
- Annualized Q2 2025 YTD excess of AFFO over distributions paid – \$84.9M³

All figures as at or for the year ended December 31, except for Q2 2025 figures which are Q2 2025 YTD figures annualized.

¹ Non-GAAP ratio. Refer to section 10.2 (a) of the 2025 MD&A for more information.

² Includes a 2.5% distribution increase effective July 2025 payment to unitholders.

³ Non-GAAP financial measure. Refer to section 10.1 (h) of the 2025 MD&A for more information.

Environmental,
Social and
Governance

ESG - An Imperative for CT REIT

CT REIT strives to operate a business that is climate resilient, socially responsible and well-governed. We believe that investing in ESG initiatives will create sustainable outcomes for our stakeholders, including maximizing long-term value for our unitholders.

2024 ESG Report Highlights

The REIT is committed to:

- Adapting the REIT's business to a changing climate while working to minimize our environmental impact
- Supporting our employees, tenants and the communities in which we operate
- Maintaining policies and processes that manage our key risks and opportunities.

To learn more about our approach to ESG, please visit our dedicated webpage at www.ctreit.com/English/environmental-social-governance and download our 2024 ESG Report.

1025 Lake Shore Boulevard East in Toronto earned the BOMA 360 Performance Program designation, as well as both the regional and national "The Outstanding Building of the Year" Awards in the Open-Air Retail category.

We were included in The Globe & Mail's Women Lead Here List for the first time in March 2024.

We reframed the ESG pillar of our Strategic Plan to focus on creating sustainable outcomes for stakeholders, and to outline our priorities including climate resilience.

CT REIT's executive team completed CTC's Diversity, Inclusion and Belonging ("DIB") Level-UP course throughout 2024, with the full team completing the course by Q1 2025, covering foundational concepts and practices related to DIB, and tools for bringing these practices to CT REIT.

We implemented a new ESG data management system to consolidate our ESG data.

We donated \$100,000 to Jumpstart in 2024 to support the construction of two inclusive playgrounds, the Pawâtêtân court in Saskatoon, Saskatchewan, and a playground at Lions Park in Grande Prairie, Alberta.

Appendix:
Specified
Financial
Measures

Specified Financial Measures

FFO:	“FFO” is a non-GAAP financial measure and has the meaning given to it in the REALPAC Guidance on FFO & AFFO. It is calculated as net income in accordance with IFRS Accounting Standards, adjusted by removing the impact of: (i) fair value adjustments on investment properties; (ii) other fair value adjustments; (iii) gains and losses on the sale of investment properties; (iv) internal leasing expenses; (v) lease principal payments on right-of-use assets; and (vi) deferred income taxes.
AFFO:	“AFFO” is a non-GAAP financial measure and has the meaning given to that term in Real Property Association of Canada’s published guidance titled “REALPAC Funds From Operations & Adjusted Funds From Operations for IFRS” (the “REALPAC Guidance on FFO & AFFO”). It is calculated as FFO subject to certain adjustments to remove the impact of recognizing property rental revenues on a straight-line basis, the deduction of a reserve for normalized maintenance capital expenditures and the deduction of direct leasing costs not related to development projects. See section 10.1 entitled “Non-GAAP Financial Measures” of the REIT’s 2025 MD&A for more information.
AFFO per Unit:	“AFFO per Unit” is a non-GAAP ratio and is defined as AFFO divided by the number of Units outstanding where the total Units consists of REIT Units and Class B LP Units outstanding. Total Units also includes diluted Units used in calculating non-GAAP measures and include restricted and deferred units issued under various plans and exclude the effect of assuming that all of the Class C LP Units will be settled with Class B LP Units.
EBITFV:	“EBITFV” is a non-GAAP financial measure of a REIT’s operating cash flow and it is used in addition to IFRS Accounting Standards net income because it excludes major non-cash items (including fair value adjustments), interest expense and other financing costs, income tax expense, losses or gains on disposition of a property, and other non-recurring items that may occur under IFRS Accounting Standards that management considers non-operating in nature.

Specified Financial Measures

Q2 2025

FFO & AFFO Reconciliation from Net Income

YTD Q2 2025

Net income and comprehensive income	\$208,657
Fair value adjustment on investment property	(\$48,373)
