

# ChargePoint Named Top EV Charger Networking Company by Guidehouse Insights

10/27/2023

CAMPBELL, Calif.--(BUSINESS WIRE)-- **ChargePoint** (NYSE: CHPT), a leading provider of networked solutions for charging electric vehicles (EVs), today announced that it has been recognized as the top ranking company in the Guidehouse Insights Leaderboard for EV Charger Networking Companies. The report analyzes brands based on strategy and execution in developing, marketing, and selling EV charging solutions.

“Recognition over multiple years as the market leader in EV charging solutions is a testament to ChargePoint’s 15 year focus as the only global EV charging company with solutions across all major verticals – commercial, fleet, and residential,” said Pasquale Romano, CEO of ChargePoint. “We remain well positioned to take advantage of the tremendous market opportunity ahead of us and will continue to deliver networked charging solutions that work for every driver of every make and model EV.”

According to the report, “networking platforms will be a critical piece of the EV charging ecosystem to connect and coordinate the needs of EV drivers, fleet managers, charge point site hosts and operators, and grid operators.” ChargePoint scored highly across several criteria including go-to-market strategy, geographic reach, product strategy, sales and staying power. Guidehouse notes that, “ChargePoint leads the North America market and continues finding growth in Europe. The company is known for the high quantity of its charging sites, developed through an ‘as a service’ (aaS) model, in which ChargePoint branded stations are owned and operated by the site host.”
