A replay will be available three hours after the conclusion of the webcast and archived for one year. A copy of the press release with the financial results will also be available on ChargePoint's investor relations website prior to the commencement of the webcast.

About ChargePoint

ChargePoint is creating the new fueling network to move all people and goods on electricity. Since 2007, ChargePoint has been committed to making it easy for businesses and drivers to go electric with one of the largest EV charging networks and most complete portfolio of charging solutions available today. ChargePoint's cloud subscription platform and software-defined charging hardware are designed to include options for every charging scenario from home and multifamily to workplace, parking, hospitality, retail and transport fleets of all types. Today, one ChargePoint account provides access to hundreds-of-thousands of places to charge in North America and Europe. To date, more than 88 million charging sessions have been delivered, with drivers plugging into the ChargePoint network approximately every two seconds.
